RAIN POSTPONES BALL GAME

Franklin-Commerce Contest Is Set

Forward Indefinitely. Owing to the wet condition of Mult-nomah field, the Franklin-Commerce baseball game scheduled for yesterday afternoon was postponed indefinitely. This game would have been very in-teresting to the fans as both teams have a bunch of good hitters. Harry Thomas and "Babe" Hobson of Frank-in are well up in the league's batting everages and should give a good ac-count of themselves before the season closes.

August Wagner of Commerce is a big league hitter this year and will give the opposing pitchers something to think about.

This game will probably be played off next week if the coaches of the two teams can get together. The teams who have postponed games

to play yet will have to hurry or they will not finish their schedule before the close of school.
