

SALEM SETS RECORD IN METHODIST DRIVE

Sixteen Churches and Towns Complete Quotas.

ALL NORTHWEST RESPONDS

Telegram From East Says \$20,000,000 Already Raised in Great Nation-Wide Campaign.

Twenty million dollars was the total reported last night in the Methodist centenary fund, according to a telegram from C. S. Ward, director-general, received by northwest headquarters of the Methodist centenary \$105,000,000 drive in Portland. The centenary solicitation of the drive does not begin until noon tomorrow.

Nineteen out of the 29 Methodist churches in the top, telegraphed Mr. Ward. The Buffalo district already has completed its drive with an over-subscription of \$45,000 on a \$7,000,000 quota.

All over the northwest, churches have been sending in returns the past week, 56 having reported as completing their quotas.

More than \$500,000 has been collected according to Dr. A. L. Howarth, associate executive secretary of the Portland area.

Salem District Leads.

The Salem district holds the banner record in the northwest. Sixteen churches and towns in the area have completed their allotments. These towns are: Sheridan, McMinnville, Dallas, Brooks, Ballston, Fargo, Yamhill, Oak Grove, Carlton, Lafayette, Amity, Falls City, Perrydale, Livesey and Dayton. A notable record in the northwest is that of the town of Dayton. Dayton had a quota of \$420, yet, under the leadership of Dr. W. A. Marcy, \$11,376, or 27 per cent, was raised.

With a total membership of 150,154 persons were pledged to daily prayer and 61 pledged themselves to devote one-tenth of their future income to the work of Christianity.

"As the result of the organization ability displayed by 93 per cent of the pastors and directors of the Methodist centenary campaign, we are on the eve of the greatest religious campaign ever attempted, without being compelled to make last minute pleas for volunteers," said Frank C. Jackson, campaign director.

Fifty-six Cities Over.

"The Methodist centenary quotas are approximately the same as those in the war drives of the Red Cross, yet so thoroughly have the churches organized their solicitation committees that we confidently expect a large number of them to report their total quotas by Sunday night.

"Perhaps 5 per cent of the towns are not organized, but this deficiency will be corrected by Saturday night.

"I do not think we shall have to make any future appeals. When it is considered that 58 cities have reported their allotments in advance of actual solicitation, I believe the records of Oregon and Washington are still further augmented."

Of the \$105,000,000 centenary fund, \$40,000,000 will be spent for schools, hospitals and missionary work all over the world; \$25,000,000 for war reconstruction in Germany and in Europe, and \$40,000,000 for a great city and country scheme of community churches in this country.

VANCOUVER SEEKS DOCKS

COMMERCIAL CLUB COMMITTEE NAMED TO ADVISE ACTION.

Membership Campaign for Boosters Progresses Well and Much Cash Is Raised.

VANCOUVER, Wash., May 16.—(Special.)—That before this city can become a port of any consequence and control any considerable amount of ocean-going business adequate harbor facilities must be provided, was the opinion expressed by many citizens at a meeting of the commercial club last night. The port of Vancouver commission expressed a willingness to construct a dock under certain conditions, and a committee was appointed to look into the matter and advise what action should be taken.

If there were suitable dockage facilities here the immense amount of cement and other materials to be used in the construction of the North Bank and other roads of the county could be unloaded here. As it is it will probably be unloaded in Portland and forwarded here.

Reports from the three committees which have been working to increase the membership indicate that good results are being obtained. About 100 new members have already been secured. One committee reported 61 applications for membership and that it had raised \$210. Two additional committees, consisting of five members each, were appointed. The club has set a goal of 500 members to be reached by the first meeting in June.

Some nervousness which has been manifested during the past few days caused by uncertainty as to whether the Dalley Clay Products company was to be added to the industries of the city was dispelled by statements of A. L. Haley, representing the company, and George McCoy. Mr. Haley stated that all connections had been severed by the management with Molalla, Or., and that most of the construction supplies were either here or in transit, and that the company was ready to go ahead as soon as the necessary site was secured.

OFFICER VISITS CORVALLIS

Colonel Frazier Views Prospects for Coast Artillery Unit at College.

CORVALLIS, Or., May 16.—(Special.)—Lieutenant-Colonel W. D. Frazier, coast artillery, Washington, D. C., was at the college today with a view to placing a coast artillery unit here.

Officers, horses and equipment valued at approximately \$200,000 is to be brought to the college for the field artillery units. Six field officers now here include Major E. C. Hanford, three captains and two lieutenants. Others will arrive before the opening of college in September. Equipment including horses, guns and motor trucks expected to arrive in the early summer. Much interest is being shown by the students and 400 are expected by Major Hanford to apply for training.

MRS. E. P. VAN DELINDER WINS BREACH OF PROMISE SUIT.

After Being Out 90 Minutes Jury Decides Plaintiff Entitled to Damages From J. A. Richmond.

VANCOUVER, Wash., May 16.—(Special.)—A verdict of \$5000 was awarded to Mrs. E. P. Van Delinder in her breach of promise suit against J. A. Richmond by a jury in the superior court here today. The jury returned a verdict after being out 90 minutes. From its beginning the case attracted large crowds of interested spectators, women forming the larger part of those attending. The trial has been in progress since Monday and has been bitterly contested; some of the best and most experienced legal talent of the county being engaged in the forensic contest. Four women were on the jury. Mrs. Van Delinder asked \$25,000 damages, which she claimed she suffered by her alleged breach of promise to marry her. The defendant denied every-

DEATH VISITOR'S MISSION

Ellensburg Councilman Shot on Opening Door to Stranger.

ELLENSBURG, Wash., May 16.—M. L. Brigham, coroner of Kittitas county and a member of the Ellensburg city council, was shot by an unidentified man shortly after midnight early today and died seven hours later. Before he died Mr. Brigham said he was awakened by a man knocking at the door of his home. When he opened the door a stranger asked for Mr. Brigham, he said. When the stranger was told he was talking to Mr. Brigham, he drew a revolver and shot through the screen door. A bullet entered the councilman's right breast. No clue to the murderer has been obtained.

CITY BAND FOR SOLDIERS

Returned Service Men May Get Places at Union Wages.

Returned service men who are musicians may have opportunity to become members of Portland's municipal band. Park Superintendent Keyser, whose headquarters is in the city hall, will take all applications made for membership in the band. The members of the municipal band will be paid union wages and will be given an opportunity to play a full summer schedule. The city council decided that it would be a practical plan to invite the returned service men to
