LOYAL LEGION ASKS GENERAL 8-HOUR DAY

Board of Directors Goes on Record for Short Time.

SERVICE RULES MODIFIED

Greater Individuality of Action Pro vided by Change in Convention Formation.

Favoring extension and fuller application of the eight hour day, making certain changes in the machinery of the organization, and listening to reports, gave the board of directors of the central governing body of the Loyal Legion of Loggers and Lumbermen two busy sessions yesterday, both full of constructive work.

A resolution was introduced favoring the eight-hour day as it is applied in the limits of Loyal Legion, for all industry in the country and met with the enthusiastic approval of the board. Included in the resolution was a motion

the enthusiastic approval of the board. Included in the resolution was a motion to inform representatives of the three Northwest states in Congress of the action taken, and to urge upon these representatives its full consideration in framing labor legislation.

Within the lumbering industry itself, it was resolved to extend the present basic eight-hour day in force in the sawmills to the planing mills. The workday is to be handled in the same manner in the planing mills as

same manner in the planing mills as in the suwmills—that is, eight hours constitutes the basic workday, and when emergency requires overtime, this
