THE OREGONIAN **TELLS THE TRUTH**

The following clipping is from their editorial of May 21, entitled "Hooverizing in Business," and puts our position before the Portland people much clearer than we could.

> the casionally restrains him, fear of being since called a "fightwad" has a contrary ef-In former times, when "the old and fect. lity mah" ran the business himself after ace building it up from small beginnings. uly or when each of two partners took at charge of a department, there was a close watch on expenses, there was no superfluity of managers and assist-ants, and a clerk who was disposed to be growl at late hours was silenced by of the fact that "the old man" stayed on of the job himself. But in these days the old man has

sold out to a corporation, and his the name, retained for the sake of the al-good will it brings, is his sole remaining connection with the business. Prestige requires swell offices, autom mobiles and a corps of managers and tho

assistants who arrive late and leave early. The company is an impersonal thing, owned by unknown people scat-tered far and wide, who never see the plant and who send their proxies to be voted by the secretary at the stockthe the voted by the secretary at the stock-r- holders' meetings. It is not easy to wh uid be conscientiously economical with the of money of a man whom he does not OT.

know, much less of a thousand such men, the little leaks occur, the easy ways treep in, and the same spirit descends the line to the office boy. 63. Conditions are returning which will

compel American business men to avoid waste, to work a full day and to Ne inspire desire for efficiency all along ro- the line by the only sure means-apo peal to self-interest. Manufacturers e are engaging in competition with na-
