Several Counties Not Yet Heard From—In Lane Only Two Precincts Are Missing.

State election returns so far as available still leave the fate of one measure somewhat in doubt. This is the amendment giving constitutional authority for issuance of \$5,000,000 reconstruction bonds. Returns received yesterday reduced the negative majority standing against the amendment to 537. The returns are complete from all counties except Baker, Benton, Douglas, Lake, Lane, Polk, Wheeler, Grant, Harney and Tillamook. In Lane only two precincts are missing; in Polk only three; in Wheeler only five and Tillamook is practically complete. In Douglas 17 precincts are outstanding. Benton is nearly all in, but there

is a considerable vote yet to be reported from Baker, Lake, Grant and Harney. Figuring that one-third of the registered vote has been cast in each county and that the ratios already reported will be maintained, the result still does not hold out great hopes for the measure, although the negative majority may be cut down to two or three hundred votes. Adoption of this amendment would not give authority to issue reconstruction bonds in the absence of further law on the subject, the reconstruction bond bill fixing the terms of the issue and its apportionment having been definitely defeated. Adoption of the amendment, however, would authorize the legislature to issue such bonds in the future. The vote on the amendment now stands, yes 38,165, no 38,702. The majority against the bonding bill is now 4700, and the majority against the hospital amendment is 1728. All other measures except the amendment creating the office of lieutenant-governor have passed by large majorities. Practically complete returns from the up-state counties reveal that a larger proportion of the voters went to the polls outside of Portland than within the city. Whereas the Portland vote was about 22 per cent of the registration, that in the up-state counties was about 25 per cent.

CURRY COUNTY IS JOYOUS**PASSAGE OF ROOSEVELT HIGHWAY MEASURE PLEASES.**

State Chamber of Commerce to Aid in Securing Harvest Hands for Oregon Farmers.

At Gold Beach, Curry county, there was a hilarious time Wednesday and people had a glorious jubilation of the voting the Roosevelt highway bonds at the election on Tuesday. Charles Hall, president of the state chamber of commerce, telegraphed Secretary George Quayle about the joy manifested by the people there "because Oregon had shown a desire to adopt the most isolated county in the state commercially and in every other way." As a means of assisting the farmers of Oregon in obtaining labor for harvest season, the state chamber is sending out a letter to its member organizations requesting the appointment of committees to make a survey of la-

bor conditions in each community and report back at the earliest possible date as to the class of labor and the number of men and women that will be needed, the probable wage schedule and such other knowledge as will enable the chamber to co-operate with the United States employment bureau in supplying labor.

Member organizations of the state chamber have responded to the referendum vote regarding disposition of the railroads, a majority favoring the return of the railroads to private management under some modified form of control.

Burglars Quit After Cracking Outer Door of Bank Vault.

HOOD RIVER, Or., June 6.—(Special.)—Called at daybreak by Mosler authorities, local city and county officers hurried today to observe trains passing to the west on the O.-W. R. & N. line and to watch the Columbia river highway. Burglars blew the first door of the Mosler Valley bank vault, but were unable to open the inside safe. A strange man was seen leaving the town, heading west about daybreak.

HOTEL LESSEE IS ENJOINED**DISTRICT ATTORNEY STARTS PROCEEDINGS.**

Complaint Charges Hostelry Has Been Used for Immoral Purposes. Owners Are Also Summoned.

Proceedings in abatement against the Golden West hotel, Broadway and Everett, notorious rendezvous of colored gamblers and bootleggers, according to District Attorney Evans, were begun in the circuit court yesterday. Elizabeth L. Watts, Manson C. Watts, Vera Powell, Lillian Spencer, and Laci Cook, the owners of the property, and W. D. Allen, lessee of the Golden West hotel, are named in the action filed by Special Agent Geron of the district attorney's office. The complaint alleges that the hotel has been used for immoral purposes for a long time and has become a public nuisance, the prompt abatement of which is necessary in the interest of good morals. Should the district attorney prevail in
