

LAUNCHING OF SHIP
BIG FESTIVAL EVENT

Goddess of Victory Will Act as
Vessel's Sponsor.

WAR VETERANS IN PARADE

Army, Navy and Marines to Take
Part in Great Spectacle—City
to Present Medals.

Launching of a ship at the plant of the Albina Engine & Machine works at the foot of Lewis and Loring streets, with the goddess of victory in attendance, will be the big event of this forenoon's programme of festival events, and to many visitors from outside points, one of the most novel of the entire week. The vessel has been ready for launching for some time, but was held on the ways in order that the assembled thousands might witness its slide into the river. The goddess of victory will christen the ship as it leaves the ways, breaking a bottle of loganberry juice over the bow. The management of the shipyard announced yesterday that the plant will be thrown open to the public, and visitors will be welcome during the morning hours. To hundreds who had read so much of shipbuilding activities during the war, the launching is expected to be a big drawing card, and details of the programme to be carried out at the shipyard plant are designed to make it impressive, as well as interesting.

Veterans to March.
Heroes of the late war are to feature largely in today's activities, in that they are called to assemble in the big street parade at 2:30 o'clock, and to receive medals from the city of Portland. The singing of victory songs by choruses along the line of march will be a new feature of the patriotic exercises.

The parade will form on Fourteenth street, proceed to Morrison street; east on Morrison to Tenth; north on Tenth to Alder; east on Alder to Broadway; north on Broadway to Pine; east on Pine to Fourth; south on Fourth to Alder; west on Alder to Fifth; north on Fifth to Oak; west on Oak to Sixth; south on Sixth to Morrison; east on Morrison to Fourth; south on Fourth to Jefferson; east on Jefferson to Fifth; north on Fifth to Yamhill; west on Yamhill to Broadway; south on Broadway to Madison; west on Madison to West Park; south on West Park to Jefferson; west on Jefferson to Tenth; south on Tenth to Market and disband.

Formation of Parade.

Formation of the parade is in charge yesterday, as follows:
First division, Captain Harry P. Coffin—Police detail, grand marshal, Lt. B. B. Third division, Major A. A. Hall—Navy band, sailors and crew.
Fourth division, Major A. A. Hall—National guards, drum corps, Lt. B. B. Police band; Admiral Pollock and staff; Captain Field, Lieutenant Gardner, Major-General Johnston and staff; Colonel Kephart and party (Lieutenant-Colonel Bennett and Captain Palmer); Colonel J. K. Kester, secretary (Colonel Van Way, Colonel Baker); Lieutenant-Colonel Watson and staff; Lieutenant-Colonel Stearns and staff; Lieutenant Potter and party.
Second division—None.
Fifth division—Captain Elvers—Rosarian band; Royal Rosarian; Rose Festival directors; returned soldiers; returned marines; Campbell's band; No. 1. Returned sailors; returned nurses; Kilties; Canadiana.
Sixth division, Major Sawyer—Spanish War Veterans.
Seventh division, Major Sawyer—Campbell's band No. 2; Captain Hardy; Spanish War Veterans.
Eighth division, Colonel Brockway—United Artists; band; boys' scouts.
Military Parade in Feature.
As was the case yesterday, the grand military and naval parade, scheduled for 2:30 o'clock this afternoon, will be the principal event of the day's programme. It will contain army and navy men, as well as marines, who will be presented with medals by the city of Portland in recognition of their services in the world war. The parade will move in eight divisions in charge of Captain Elvers, P. Coffin, and will be assisted by Major A. A. Hall, Captain Rivers, Major Sawyer and Colonel Brockway. A request was made yesterday that the city of Portland release as many of their soldier employes as possible, to permit their participation in the pageant.

As an added attraction to festival visitors, arrangements were completed yesterday by the committee, whereby civilians may visit the flagship Minnespells, now at anchor in the harbor. As this vessel played a prominent part in carrying on war activities, there is a strong demand for permission to inspect the big fighting machine of the sea, and launches will carry visitors from the docks to the vessel each day during its stay.

Aviators Give Exhibitions.
The United States army aviators will continue their exhibitions at Eastmoreland golf course today, and the naval aviators will make flights this afternoon at 4 o'clock from the site of the Foundation shipyard on the lower river. The Victory Rose Festival aviation marathon is scheduled to take place at 11 o'clock, followed at 11:30 o'clock by the launching of the ship at the Albina yards. The Victory Rose show in municipal auditorium. Band concerts will be given in the south park blocks, and also in Oriental gardens in the north park blocks.

At 8 o'clock this evening a victory and peace song festival in honor of men from the service will be given, admission being by complimentary tickets only. A chorus of 500 voices, comprised of members of various choral societies and choirs of Portland will participate, accompanied by orchestra and organ under direction of William H. Boyer.

"Devil Dogs" Have Ball.
The "Devil Dogs" ball at Multnomah hotel at 8 o'clock promises to be the biggest social event of festival week. Circulate preparations having been made for this affair. A War Camp Community service ball also will be given in East 12th building tonight. Today's programme in the Chinese center in the North Park blocks is as follows:
2 to 4 P. M.—Band concert, Rose Festival band.
4 to 6—Chinese baby show.
8 P. M.—Vocal solo, Herbert Jewel.
8 P. M.—(a) piano solo, Miss Bertha Mor.

Linings (b) vocal solo, "Love's Garden of Roses." Miss Bessie Sun; accompanist, Miss Bertha Mor. Lin.

Discharges Must Be Shown.
Service men who desire to receive their medals from the city today will be required to present their discharge papers, in order to prevent the issuance of the badges to those not entitled to them. City Auditor Funk will be in charge of the distribution, and says men not able to apply now may call at a later date and receive the badge. It is estimated that 5000 will be given out. Two designs have been provided, one being for the army men and the other for the navy and marine corps. They were prepared by Oscar A. Kratz, chief of the municipal drafting department, working with army and navy officials. The medals are of bronze, about one inch in diameter, and bear appropriate lettering.

The naval band from the Minneapolis will be in attendance at the launching of the 2800-ton steel vessel Doyleston at the Albina yards this morning, and following the event William Cornfoot, president of the company, and treasurer and chairman of the finance committee of the Victory Rose Festival, will entertain the goddess and her attendants at luncheon at the Multnomah hotel.

Receiver Recommends Sale.
SOUTH BEND, Wash., June 11.—(Special.)—E. E. Colkett, receiver for the Raymond Trust company, which failed in 1914, has recommended to Judge H. W. B. Haven that the Auto-Marine works property in Raymond, now the K. W. Auto company, be sold to Frank Nixon for \$2625. The receiver declares that, with the exception of suits pending between the present receiver and a former one, the bank's affairs can be wound up inside of 60 days if this sale is made.

VILLA LIKES PECTACULAR

Pictureque Entry Into Parral Easter Sunday Case in Point.
EL PASO, Tex.—Mexicans seldom do anything without an eye for the picturesque and Francisco Villa seems to react to the spectacular. When he attacks a town it is usually on some holiday. He almost always starts his assault just before dawn to heighten the effect and gallops into town, once it has fallen, with all of the awe inspiring trappings the Mexicans love. Even at Columbus, N. M. Villa donned his one and only full dress uniform, pinned his valor medal to his breast and charged at the head of his bandits.
The attack and capture of Parral on Easter Saturday and Sunday in an illustration of Villa's capacity for doing the picturesque. The attack on the town was started from the side

of Sierra de la Cruz (the Hill of the Cross), on Holy Saturday when all of the natives were wearing their mourning dress to the little adobe church. All day the battle was fought and late into the night. Next morning, as the bells were calling the faithful to Easter morning mass, Villa made his victorious entry into the town, riding his big white horse and with silver spurs clanking to the center of his street.

His first order was to continue the Easter services and that no one should be molested during the church worship. In the meantime he had ordered old Jose de la Luz Herrera, and his two sons executed in the cemetery back of the church and the Easter mass was punctuated by the staccato shots of the firing squad dealing death to the aged and beloved mayor of Parral and his two boys.
Ciudad Juarez, Mexico, will install an extensive water works and the mayor

are interested and he requests that copies for the undertaking. He will send plans and specifications to those who
