PORTLAND MAN DECORATED

LIEUT. BURGARD GETS DISTINGUISHED SERVICE MEDAL.

Citation From General Pershing Tells of Heroic Action in Historic Argonne Battle.

For heroism in action at Epinonville, France, during the battle of the Argonne, September 27, 1918, First Lieutenant John Clark Burgard, 362d Infantry, son of Mr. and Mrs. John H. Burgard, has been awarded a distinguished service medal, on citation from General Pershing. Lieutenant Burgard received word yesterday of the award. The citation from General Pershing says that Lieutenant Burgard, as liaison officer of his battalion, surprised the enemy as it was bringing up machine guns to sweep the American position with destructive fire. Seven Hunns were killed, 43 were captured, and their plans to surprise the Americans were frustrated through the prompt action of the young officer. The Americans had one casualty.

Lieutenant Burgard is a brother of William Burgard, who also served in the 31st division. He was wounded a month after his experience in the Argonne, while fighting in Belgium, and has not yet fully recovered. He is in Portland on furlough.

The road was being worked and the car stuck in the soft mud. In pulling out, the car received such an impetus that it went straight ahead over the

cliff, which was so steep, that the car stood up on the front end with the wheels spinning around when it struck the track.
