Office of Secretary Advisory and Employment Department
Y. M. C. A.

Young man, stranger, out of work ($20 his total cash assets). If I pay you $5 for membership in the Y. M. C. A. I will have only $15 left between me and starvation.

Secretary—If you take out membership in the association you will have the Y. M. C. A. with all its influence, strength and resources between you and starvation.

Result—Young man joined the association. In less than a week he had satisfactory employment, and a membership card in his pocket, which assures him, along with Y. M. C. A. privileges, employment insurance for one year.

The excuse the Y. M. C. A. has for existence is that it serves young men, and the function of this department is to serve them along a most vital line; the clothes line, the bread-line, the life-line.
