

HIGHEST PRICE PAID FOR CROP CONTRACT

New Crop Oregons Are Bought at 37 1/2 Cents.

TERM QUOTATION 30 CENTS

Strong Demand for Spots but Not Over 2000 Bales Are Left to Sell in State.

The highest price ever quoted in Oregon for hops was paid for the coming crop this week. The market is very strong, but the demand is principally for spot supplies.

While the demand, as heretofore, has been mainly for English account, American brewers had not entirely ceased to be interested.

HIGHER BIDS ON COARSE GRAIN

Local Market Is Stronger in Sympathy With Advances East.

The local grain market was firmer all around, particularly in the case of wheat.

Weather conditions in the middle west, as wired from Chicago, "Minnesota clear, hot."

Frequent rains in Australia have put the soil into very favorable condition for sowing wheat.

SHEEP MARKET STRONGER DEMAND GOOD WITH SMALLER SUPPLY AVAILABLE.

Full Prices Paid for Best Offerings. Improvement Noted in Hog Division.

The sheep market was stronger yesterday. Arrivals of late have been light and buyers look good, readily paying prices.

While the demand, as heretofore, has been mainly for English account, American brewers had not entirely ceased to be interested.

MOORE RATES DECLINE STOCKS AGAIN ADVANCE, WITH TRADING HEAVY.

Larger Part of Dealings Is in Motors and Other Specialties—Steel Trade Reports Good.

NEW YORK, June 18.—Easter money rates again contributed measurably to the further strength of the stock market today.

Speculative interests paid scant attention to foreign developments, the weekly review of the leading steel and iron authority, which referred to further improvement in 1919.

Other steel and kindred equipments were consistently strong at gains of 2 to 7 points, but the bulk of the trading again revolved around stocks of greater interest.

Call money opened at 8 per cent for mixed collateral, but receded to 5 1/2 at midday.

Time funds raised firm on a small supply except for the shorter maturities.
