### SAWMILL TO BE REBUILT

NEW FISHER-STOREY PLANT AT TOLEDO TO COST \$150,000.

Cutting Capacity of 150,000 in Eight Hours Planned—Fire Fighters Are Praised.

TOLEDO, Or., June 20.—(Special)—The Fisher-Storey sawmill, which was completely destroyed by fire last Tuesday night, will be replaced by one of the most complete and modern mills on the coast, according to J. O. Storey of Tacoma. Mr. Storey said the arrangement of the mill will be different from that of the old mill. The main saw, edger and

trimmer will set side by side. The mill will have one-half the machinery and 1500 feet less floor space than other mills of the same cutting capacity. There will be little belting and shafting. The plant is to be motor driven, power being supplied from a power plant built as a part of the mill. It is planned to make this plant, most of which is to be of concrete construction, large enough to supply light and power for Newport, Yaguma and Toledo. It is probable also that power will be supplied several of the other smaller mills adjacent to Toledo. The mill is to cost approximately \$150,000 and is to cut 150,000 feet each eight-hour shift. Timber will be obtained from the Siletz basin. It is expected that the present Fisher-Storey logging road will be extended, probably to the town of Siletz, if work of any can be obtained. Mr. Storey is high in his praise for the good work done by the Toledo and Newport fire departments in fighting

the flames which destroyed the old mill. Very little of the yard and lumber was destroyed. The Newport fire department arrived in remarkably short time after the fire started and worked diligently all night long. The new gravity water supply just installed in Toledo last summer stood the test well, having water to spare after supplying several lines of hose kept turned on the fire all night long.

### FORESTERS COMING TODAY

Two-Day Reunion Planned for Members of Catholic Order. Under the auspices of the Portland league of Catholic Foresters a reunion will be held today and tomorrow, with local and Willamette valley Foresters present. The programme will open at 8 o'clock in the evening, when the Foresters go to Oregon City to meet

and escort the valley members to the city. The visitors will come by automobile from chapters at Mt. Angel, Sublimity, Stayton, Jordan, Woodburn, St. Paul, Roy and Gervais. The general meeting will be held at Sacred Heart church, following a supper. Out-of-town members will be entertained at the homes of members of Cathedral, St. Francis, St. Andrews, St. Lawrence, Immaculate Heart and Sacred Heart courts. High mass at Sacred Heart will be attended tomorrow, after which the visitors and their hosts will motor to Eagle creek to spend the day. Those in charge of arrangements are Oscar Horne, John D. Mann, Robert Conrad Smith, Fred J. Ellera and Don Duff. Milton Welcomes Soldiers. MILTON, Or., June 20.—(Special)—Ideal weather and visitors estimated at from 600 to 1000 contributed yesterday to make Milton's welcome home to the soldiers of eastern Umatilla

county an enjoyable and appropriate occasion. Mayor C. D. Hobbs gave the address of welcome to the soldiers and visitors which was responded to on behalf of Milton's guests by Rev. R. E. Warren, pastor of the Presbyterian church of Walla Walla. The welcome home programme today is taking the place of the annual strawberry day festival, which has been a yearly feature for this city for more than 15 years past.
