New York Court Decision Responsible for Rise.

SHARP ADVANCE AT CHICAGO

Wide Gain Also Scored at San Fran cisco-Local Bids 50 Cents to \$2 Higher.

esterday on the assumption that the spinion the United States Circuit Court of Appeals at New York would give brewers the right to manufacture 2% per cent been. At Chiand September gained 31 cents, closing at \$1.17% cents. The bulge at San Francisc was pronounced. December selling at \$2.96, against \$2.90, the last sale of Wednesday.

Export buying has heretofore been the chief factor in the California market and the sibility there would also be an enlarged nestic demand for a few months naturally On the local exchange June bids on brewing barley were advanced \$2 a ton to \$58.80, July offers were raised \$1 and September 75 cents. Bids for feed barley were ad-

sed 50c@\$1. Local and eastern cats were 50c@11 higher on bid, and reliow corn averaged 50 cents lower. Milifeed was firm. Weather conditions in the middle west, as

wired from Chicago: "Winnipeg, Ransas City, Minneapolis, Hutchison, Davenport, Hopkinsville and Cincinnati, clear, fine: hot in Ohio and Kansas: Sedalia cloudy, cool; Topeka, showers early: St. Joseph, clear, rained hard last night."

today, owing to the renewed strength of Brazil, covering by recent sellers, European buying and a moderate demand from the local trade. The opening was 20 points lower on July, but generally unchanged to 35 points ligher, owing to the early cable showing an advance in Santos futures.

There were some fregularities during the early trading, but special cables received later in the day showed further sharp advances in Santos, and Ducember contracts here sold up to 22 10c, while March touched 21.05c, or 150 points above last night's closing figure. The maximum fluctuition ruling stopped the advance at this level but pricas were fully maintained, with the close 130 to 150 points net higher. Closing quotations: July, 22.56c; September, 22.15c; January, 22.10c; March, 21.05c; May, 21.85c.

NEW YORK, June 26.-In its general new round, June 26,—in its general aspects today's stock market duplicated the previous session, the turnover again falling far below recent high totals, with specialities manifesting conspicuous strength. Money conditions were under better control, prob-COAST AND EASTERN DAIRY PRODUCE ably as a result of lessened demand. San Francisco and eastern dairy produce reports received by wire by the Portland office of the bureau of markets yesterday follow:

conditions were under better control, probably as a result of lessened demand. Call loans opened at 9 and 9½ per cent but felt to 6 at midday and closed a fraction under the latter quotation.

The gold outflow assumed more imposing proportions. South America being the destination of a simal additional consignment, with Spain also represented in the day's arrangements.

Better industrial advices were helpful to equipments, although the strength of those shares was materially assisted by the excellent annual statement of the American Car company.

Reports that contracts for heavy purchases of copper may soon be awarded by foreign interests gave fresh momentum to metals and specialties, notably chemicals and fertilizers, were accelerated by the "extra" dividend on Virginia-Carolina Chemical.

Trading in the intermediate periods lacked initiative or incentive, but the pace quick-ened as money relaxed, steels, tobaccos, food shares and local tractions rising briskly in the final hour.

The one noteworthy movement among relis was Baltimore & Chie's decline of 4 points on overnight news of the passing of the dividend, such action accompanying the company's new bond issue.

On the constructive side, Chandler Motors office of the bureau of markets yesterday follow:
Beaton—Prices showed very little change today and the feeling was steady to firm. Fancy butter, good sale, car lots 55c; undergrades in demand at 51052c, some dealers showing little confidence.
Chicago—Market steady to firm after advance of his on 92-score. Buying is largely to fill orders and trading fair. More bushness has run to extras Centralized cars self-iness has run to extras Centralized cars self-iness that run to extras Centralized cars self-iness of the feelings. Tading lightly barely steady. Market in buyers tavor, liberal barely steady. Market in buyers tavor, liberal for the feeling of the feeling trading. See the feeling trading steady. Beccipts fairly liberal. Increase in storage holdings.
Thiladelphia—Market harely steady. Some inclination to shade prices. Fair amount of trading, some improvement in demand for undergrades.
San Francisco—Prices 1/2 higher, very little butter is moving at 531/2 and no contidence expressed in late advance. Stocks accumulating this week and dealers report little demand at present prices.

vidend, such action accompanying the com-pany's new bond lasts.

On the constructive side, Chandler Metors led at an advance of 22 points, other motors, their subsidiaries, and miscellaneous hold-ings gaining 1 to 3 points. Sales amounted to 575,000 chares.

Liberty bonds were steady, the general domestic list casier and internationals in-regular. Total sales, par value, \$5,750,000. Old United States registered is rose \(\frac{1}{2}\) per cent on call.

VANCOUVER, Wash., June 26.—(Special.)—Like rats in a trap, Raiph Stephens, alias Arthur Dennison, and Phil Martin, alias Earl Todd, who claim to come from Canada, were caught last night by the police i nthe act of robbing the pawnshop of J. J. Beauregard at 108 Main street. By reason of a carefully laid trap prepared by the proprietor, the burgiars met the same fate that seven burgiars before them had met. All were confined in the county jail. The two were caught about 9:30 o'clock and had gained entrance by prying a board off the rear of the building and breaking through an inner door. A No. 32 Smith & Wesson revolver which they had discarded was found hidden in refuse at the rear of the building. They said they live at 708 Everett street, Portland. Royal Dutch

which lies in the famous Big Horn Basin of North-Central Wyoming, are already producing profitable crops.

We own and offer, subject to prior sale, the unsold \$115,500 of an issue of \$170,000 bonds secured by the district, at par and accrued interest.

A Municipal to Yield 6%

The acre debt is but \$25 an acre. The amount of the indebtedness of the district is but five per cent of the actual value of the district officially estimated.

Send for our illustrated circular describing the wonderful crops produced in the Worland district and explaining the provisions of the Wyoming law safeguarding this bond issue.

INFRONTRANK

Oregon will spend eleven million dollars upon the roads in 1919, and will soon be known as the Good Roads state. Every section of the state is constructing and improving its highways, and it need only be said that only the highest type of construction is the rule, as many of the roads are being paved with—
