The Acorn 'Automatic' Gas Range

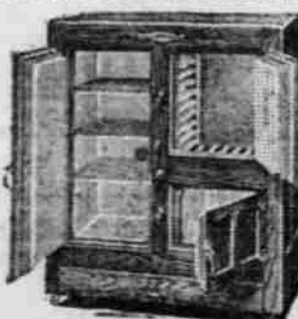

is a handsome range that can be used in every respect like the ordinary gas range, and in addition has an automatic cooking oven in which may be placed foods to be cooked for any given time, and the gas is automatically shut off when that time is up. The heat is retained in the oven so that one can go away and come back hours later and find the food warm and all ready to eat. Let us show you this new accomplishment and demonstrate how it will save you fuel, food and labor.

The Bohn Syphon Refrigerators

have proven their worth in perfect preservation of foods, in cleanliness, in low ice consumption and durability. You can buy a "Bohn" with a feeling of security—the knowledge that you are not experimenting. We have a variety of styles and sizes in Bohn Syphon refrigerators. Come in and let us demonstrate the Bohn.

Terms in Reason.
