

VICE-PRESIDENCY EYED BY "JIM HAN" LEWIS

Ex-Senator Believes He Is Entitled to Recognition.

AGE IS DECLARED PUZZLE

Defeat for Re-election by Medill McCormick Not Relished by Democratic Leader.

OREGONIAN NEWS BUREAU, Wash., June 30.—(Special).—James Hamilton Lewis, fundamentally and ornamentally a democrat at all times, is said to have his eye on the vice-presidency.

His defeat for re-election to the United States senate from Illinois has never set well with him and he feels that the national democratic administration owes him something for taking all of that punishment for nothing.

"Jim Han," as he is best known, sensed the fact that last year was not going to be a good year for democrats, particularly in Illinois and he announced about a year ahead that "owing to ill-health" he would not seek re-election.

Major-General Charles H. Martin, U. S. A., of Portland, recently returned from overseas and now in charge of the local army recruiting offices, has been awarded the distinguished service medal, according to word received here.

PRESIDENT WILSON SIGNS BILLS AT SEA

Measures Sent East to Meet Returning Transport.

EVENT FIRST OF ITS KIND

Necessity of Executive's Signature Before July 1 to Validate Acts Reason for Action.

WASHINGTON, June 30.—President Wilson signed the railroad appropriation bill, the Indian bill, some minor measures and other documents which needed signature to become law before July 1, in midocean at 5 A. M., Greenwich time today.

It was the first time that a chief executive of the United States had affixed his signature to appropriation bills at sea.

A pouch containing the bills was dispatched on the eastbound transport Great Northern from New York on June 24. This morning the Great Northern met the George Washington bearing the president eastward.

Technically, the president was on American territory when he signed the measures.

ON BOARD THE U. S. S. GEORGE WASHINGTON, June 30.—(By Wireless to the Associated Press.)—It was 11:15 o'clock this morning (ship's time) that President Wilson, en route home from Europe, signed the Indian appropriation bill and the railroad deficiency bill.

At her present rate of progress the George Washington will arrive at Hoboken at noon Monday next.

The transport Great Northern, with mail pouches direct from the White House in Washington containing the Indian and the railroad bills have in sight early this morning. The meeting at sea between her and the George Washington had been previously arranged by wireless.

Complete report on existing conditions at the smallpox hospital at Kelly Butte has been requested from City Health Officer Parrish by Mayor Baker.

A general conference between the city, county and state health officers will be called today by Mayor Baker in an effort to determine what immediate steps are necessary to provide a proper place for patients suffering from contagious diseases.

During Mayor Baker's absence from the city, City Health Officer Parrish appeared before the city council and urged that some steps be taken to provide proper facilities for the smallpox patients. No action was taken, however.

Smallpox patients are now confined in the Kelly Butte barracks, which is considered to be a poor detention home for sick people. Facilities are said to be inadequate, and, although the temporary hospital is well heated, it has cement floors, which makes it difficult to maintain an even temperature.

At a conference between Mayor Baker and County Commissioners Holman and Muck, Commissioner Holman advocated that one health department should function in the county of Multnomah. This plan was agreed upon, but a few months ago a similar effort to consolidate the health bureau was launched without results.

A committee representing the Independent Order of Oddfellows is now conducting an investigation in the conduct of the smallpox hospital which will be turned over to Mayor Baker and the city council.

City Health Officer Parrish reported yesterday that he had obtained the services of a male cook, formerly a club chef, to prepare meals for smallpox patients at Kelly Butte, and it is believed that one source of complaint has now been avoided.

CRATER LAKE SEASON OPEN First Stage for Rim to Leave Medford This Morning.

MEDFORD, Or., June 30.—(Special).—The Crater lake season formally opens tomorrow, when the first motor stage will run from Medford to Crater lake lodge with a full consignment of passengers.

The lodge now has a full force on hand and is prepared to take care of tourist travel until the season closes.

A new feature this year will be musical entertainment for lodge guests furnished by two young ladies from Eugene.

Snow Encountered in Pass. BEND, Or., June 30.—(Special).—Heavy snow drifts still block McKenzie pass, it was reported here today in a telegram received from Miss Margaret Hanson and Miss Beatrice Cheney, Bend high school instructors, who left here last week to cross the mountains on foot.

They experienced no difficulty in completing their hike to Eugene, but said that it would be some time before autos would be able to get through.

Robber Pleads Guilty. Marcus Herrera drew a sentence from the United States district court yesterday, being found guilty of breaking into the postoffice at Palmer Junction. He will be sent to McNelis island to serve a term of 12 months' imprisonment. Isaac F. Bedell, charged with embezzling funds from the postoffice at Walton, Or., entered a plea of not guilty and his trial was set for October 17. He was released on \$2000 bond.

Get your organs of digestion, assimilation and elimination working in harmony and watch your trouble disappear. NR does it or money back. One Day's Test Proves NR Best. The stomach only partly digests the food we eat. The process is finished in the intestine where the food is mixed with bile from the liver. It must be plain to any sensible person who realizes this, that the stomach, liver and bowels must work in harmony if digestive troubles are to be avoided or overcome. This fact also explains why sufferers from indigestion, acid stomach, biliousness and constipation, suffer more or less from headache, dizziness and constipation. If you are one of the many unfortunate persons who cannot eat without suffering afterward, if you are constipated, have bilious spells, headache, coated tongue, bad breath, variable appetite, are nervous, losing energy and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR Tablets) right today and start taking it. Give it a trial for a week or two and just see how much better you feel. See how quickly your sluggish bowels have become regular in an easy, clear work, how your coated tongue clears up and your good, old-time appetite returns. See how splendidly your food will digest and how your energy, pep and "ginger" revive. You take no risk whatever for Nature's Remedy (NR Tablets) is only one box, enough to last twenty-five days, and it must help and benefit you to your entire satisfaction, or money returned. Five million boxes are used every year—one million NR Tablets are taken by ailing people every day—that's the best proof of its merit. Nature's Remedy is the best and safest thing you can take for biliousness, constipation, indigestion and similar complaints. It is sold, guaranteed and recommended by your druggist.

General Martin was in command of the 90th division during its service in France and later with the army of occupation in Germany. The medal was awarded by General Pershing on orders received from the war department. The citation conferring the honor says: "Major-General Charles H. Martin, U. S. A., has been awarded the distinguished service medal for exceptionally meritorious and distinguished services. As commander of the 90th division during the greater part of its service with the army of occupation, by his ceaseless energy he performed his duties with the utmost efficiency, giving the closest personal supervision to the training, discipline and equipment of his division. His brilliant professional attainments and steadfast devotion to duty were reflected in the high standards maintained throughout the organization under his command, rendering his services of the utmost value to the American expeditionary forces." There is no need of enduring the discomfort that comes from a skin which itches and burns, or is marred by patches of eruption. Resinol Ointment quickly makes the skin clear and healthy again. Resinol Ointment is gentle and soothing and has been a standard skin treatment for over twenty years, so you need not hesitate to use it if recommended to your friends. Sold by all druggists. Resinol Ointment. Try this easy way to clear your skin. You Just Try NR For That Indigestion. Get your organs of digestion, assimilation and elimination working in harmony and watch your trouble disappear. NR does it or money back. One Day's Test Proves NR Best. The stomach only partly digests the food we eat. The process is finished in the intestine where the food is mixed with bile from the liver. It must be plain to any sensible person who realizes this, that the stomach, liver and bowels must work in harmony if digestive troubles are to be avoided or overcome. This fact also explains why sufferers from indigestion, acid stomach, biliousness and constipation, suffer more or less from headache, dizziness and constipation. If you are one of the many unfortunate persons who cannot eat without suffering afterward, if you are constipated, have bilious spells, headache, coated tongue, bad breath, variable appetite, are nervous, losing energy and feel your health slipping away, take this advice and get a box of Nature's Remedy (NR Tablets) right today and start taking it. Give it a trial for a week or two and just see how much better you feel. See how quickly your sluggish bowels have become regular in an easy, clear work, how your coated tongue clears up and your good, old-time appetite returns. See how splendidly your food will digest and how your energy, pep and "ginger" revive. You take no risk whatever for Nature's Remedy (NR Tablets) is only one box, enough to last twenty-five days, and it must help and benefit you to your entire satisfaction, or money returned. Five million boxes are used every year—one million NR Tablets are taken by ailing people every day—that's the best proof of its merit. Nature's Remedy is the best and safest thing you can take for biliousness, constipation, indigestion and similar complaints. It is sold, guaranteed and recommended by your druggist.
