FOR SALE-AUTOMOBILES. OOD NEWS FOR ALL USED CAR BUY-ERS, and right at the most opportune time of the year.

"VACATION TIME." The Boss just returned from a very ex-tensive and successbul trip buying used cars, and informs us that he purchased approximately 190 good cars at prices that will permit us to resell them far below their actual values.

It is an acknowledged fact that we have been selling cars at a much lower figure than any of our competitors and now, right at a time when there is a pronounced ghortage of new cars and used car prices have gone sky high, we are going to sell high grade late model alightly used cars at prices that will no doubt cause the ever suspicious fellow to think thay were probably obtained quietly at night without any arguments with their former owners concerning price or clear title.

Liberty Bonds taken at face value a Liberty Bonds taken at the value was sany terms given on any car you purchase, if it is not convenient for you to pay cash.
