Yesterday's Results. At Portland-Los Angeles 8-10, Portland 2-3

Wade Killefer's Angels showed the Portland fans yesterday how they happen to be leading the Pacific Coast league when they took two contests from the Beavers, 8 to 3 and 10 to 4.

The feature of the first game was the two home runs rained out by "Wahoo" Sam Crawford, veteran Detroit outfielder, now playing in right field for Los Angeles.

Portland scored in the first inning, but in the first inning, but could not put over the runs. "Suds" Sutherland worked on the mound and was touched for one or more hits in every inning except the third and eighth.

The Angels started scoring right off the bat when Crawford's homer brought in Killefer and Fabrique. They did not get under way again until the sixth.

Portland scored a run in the first when Blue doubled, took third on Wister's out and scored on a wild pitch. In the third another run was added over. Dick Cox walked. Rader singled to center, Cox taking second.

Seattle, Wash., July 6.—Claude Thomas and "Death Valley" Jim Scott staged a 12-inning pitchers' duel here today, Thomas winning for Seattle, 3-2, over San Francisco.

Reppy Taken From Mound. Reppy was yanked in favor of Penner in the second frame. The youngster's delivery was not what it was during his regime in the second inning and that was enough to convince Walker.

Fourner Gets Two-Bagger. Nishoff reached first when Rader booted a bunt and Speas pegged Nishoff taking second. Schultz poked one down in the pitcher's territory and Reppy missed it, filling the bases.

Blue's Batting Feature. The two redeeming features of the day, as far as Portland was concerned, was "Dixie" Walker's one-hand catch of Kenworthy's long fly to left center in the ninth, and the hitting of Blue.
