CHAUTAQUA SEASON AT GLADSTONE NEAR Annual Session Opens Tuesday With Many Features. PROGRAMME IS ELABORATE

Noted Speakers and Writers to Entertain Visitors at Big Summer Gathering. OREGON CITY, Or., July 6.—(Special)—The Willamette valley Chautauque at Gladstone opens Tuesday, July 8, and will last for 15 days, closing July 23. The programme promises some interesting and delightful numbers.

Among some of the best known and most prominent speakers and entertainers on the programme are W. J. Bryan, well-known politician and orator; Ida M. Tarbell, journalist and writer of the country, who has just returned from the peace conference where she has been reporting for a syndicate of American newspapers; Private Faust, Canadian writer and lecturer, who is coming to be known as one of the world's greatest humorists; Dr. Joseph Clark, pastor of the British-American church in Petrograd; Sergeant Gibbons, author and lecturer, and Judge George D. Alden of Massachusetts.

The musical programme is by far the strongest ever presented at the Gladstone Chautauque in its 26 years of existence. There are two big bands, Cimer's Czech-Slovak and Castell's Czech band. There will be two military quartets, three orchestras, musical entertainment companies, several violinists of exceptional ability, the most prominent of whom is Ferdinand Pillion, noted French virtuoso.

Mary Adel Hays, famous New York coloratura soprano, who so charmed and enthused the Chautauque audiences in previous years, returns again to the big shady auditorium to entertain her friends.

Bess Gearhart Morrison and Elsie Mae Gordon, probably two of the best readers on the Chautauque platform today, will use their art to please the big audiences gathered at the Gladstone auditorium.

Besides the regular afternoon and night programmes, the fourth hour at 11 o'clock in the morning are exceptionally strong. John C. Ketchum, national grange lecturer, will come from the east to speak to a large gathering of rural people at the Chautauque grounds July 16; Miss R. Louise Fitch, sister of the late writer, George Fitch, has recently returned from France, where she made a survey of conditions among the women of France, and will be one of the morning speakers.

Rev. W. B. Hinson of Portland will be in charge of the Bible hour each morning. He will be assisted by Mrs. Virginia Wire Hutchinson. Jasper D. MacFall, director of music at the Sunnyside Methodist church, will conduct a daily chorus rehearsal, and on July 20 give a programme in which it is expected 225 voices will take part. On Tuesday, the opening day, at 1:30 P. M., a concert will be given by the International Trio, a musical organization of high caliber composed of an English pianist and Alsatian violinist and mezzo soprano, and Frederick De Brutt, a baritone singer. At 7:30 a night lecture by Caesar Kolyph will deliver a lecture entertainment that has created a sensation where he has delivered it in the east. He is a young Albatrain, educated in Palestine and the universities of England and America. He tells of the Holy Land, where the customs of thousands of years ago are still in vogue, and the oriental people maintain their old habits.

REVOLUTION IS SUCCESS PEUVIANS STAGE BLOODLESS NATIONAL CHANGE. Old President Jailed—New Head Claims Election by Overwhelming Popular Vote.

LIMA, Peru, July 6.—(By the Associated Press.)—Augusto B. Leguia late Saturday assumed office as provisional president of Peru and took up his residence in the government palace as a result of the successful overthrow earlier in the day of President Pardo. Senator Pardo, his ministers and a number of high officials of the army and navy are in prison. Virtually no fighting and no casualties marked the overthrow of the Pardo government.

The revolution began at 3 o'clock this morning with an attack on the palace by two regiments of troops and a force of police. By 6 o'clock President Pardo had been deposed. It was announced late today that President Pardo would be placed on trial on charges of having violated the constitution and of having conspired against the republic.

The inauguration of Senor Leguia as president, it is said, probably will take place within two months. The provisional president claims that he received 180,000 votes of the 200,000 cast in the recent presidential election. The fourth of July had been proclaimed as a national holiday by President Pardo. Thousands of persons thronged the streets today cheering for Senor Leguia.

The provisional president declared that he intended to organize a strong government on a popular basis and to increase the army and navy to the status they had held during his previous term as president from 1905 to 1912. He said he would defend the principles of justice and right, which had triumphed in the great war, and would associate Peru without reserve with the cause of the allies.

Senor Leguia in a statement to the Associated Press said he had made every effort to avoid deposing President Pardo by force, but that it had become increasingly evident that a conspiracy was afoot to deprive him of the office to which he had been chosen in the recent election.

Himes of Portland, accompanied by Era Meeker and Clarence B. Bagley of Seattle, will leave Steilacoom, Wash., near Tacoma, on July 12 for a tour of old historical roads. They will go over Naches pass, which was used by the first party to cross the Cascades in 1825. Mr. Himes was a member of this group. The pioneers will locate the best spots to place markers to be erected by the Washington State Historical society.

The combined ages of Messrs. Himes, Meeker and Bagley totals 238 years. You will enjoy a cup of Nuyaya tea. Clisset & Devers, Portland—Adv.

BARNS ON U. S. GOODS STAND BRITAIN TO CONTINUE IMPORT RULES UNTIL FALL.

Sir Auckland Geddes insists America Must Buy More From Foreign Nations. LONDON, July 6.—In its review of commercial and economic conditions in Great Britain during June, the American chamber of commerce in London says that with the disbandment of the imports consultative council little change may be expected in import restrictions on American goods before September.

Sir Auckland Geddes, minister of reconstruction in the report says, has informed parliament that the government has a draft of a trade policy prepared, but it cannot yet be divulged.

It is increasingly certain, the report continues, that American exports to Europe must suffer eventually unless America by buying more foreign goods and securities enables foreign countries to pay for imports.

In discussing the shipping and coal situation, the chamber's report says: "The ministry of shipping estimates that because of the strikes and the coal shortage, only 1,000,000 tons of British shipping will be launched in 1919 instead of 2,000,000 tons as anticipated. British ships carried only 24.8 per cent of United States exports in April compared with 50.9 per cent in April, 1918. Great Britain's surplus of coal in 1919 for export is estimated officially at 20,000,000 tons. The pre-war surplus for export was 77,000,000 tons. This complicates Great Britain's ability to pay for imports."

if there are dizzy spells, headaches, nervous, despondent attacks; a dull, tired condition and disordered kidney action, get after the cause. Take things easier for a while and use Doan's Kidney Pills, the remedy that has been tried out for you by thousands. What satisfied users say is the best proof of Doan's reliability.

These Portland Users Say:

Savner Street Frank Lang, machinist, 620 Savner street, says: "Where I worked, a number of years ago, I had to go back and forth from a warm room to a cold one, and I think that is what brought on the trouble with my kidneys. I had sharp pains in the small of my back, and when a bad spell would come on, for several days I would be unable to do anything. My kidneys acted irregularly, too. Doan's Kidney Pills gave me quick relief and I have felt like different man since Doan's put my kidneys in good order."

Tacoma Avenue Mrs. Mary A. Belford, 609 Tacoma Ave., says: "I was suffering with kidney trouble, which I think was brought on by a cold. My back pained me so I could just get around, and it was awfully hard for me to do my dusting or ironing. It hurt me to bend over and when I straightened up I could see spots before my eyes, and I was so dizzy that I pitched forward. Because my kidneys were not acting freely enough, my feet were swollen. When a friend advised me to use Doan's Kidney Pills I tried them and a few boxes cured me and the cure has lasted, for I have had no such trouble since."

Get After That Backache

THOSE agonizing twinges across the small of the back, that dull, throbbing ache, may be your warning of serious kidney weakness—serious, if neglected, for it might easily lead to gravel, stone in kidney, bladder inflammation, dropsy or fatal Bright's disease. So if you are suffering with a bad back, look for other proof of kidney trouble, and do not delay. Doan's Kidney Pills, the remedy that has been tried out for you by thousands.

Cleveland Avenue Mrs. E. J. Reynolds, 952 Cleveland Ave., says: "I was feeling miserable with kidney trouble. My back, from my hips to my shoulders, ached as though it were broken. My sight was affected and I often had nervous, dizzy spells. Specks seemed to float before my eyes and everything would blur before me. My kidneys were weak and bothered my mind, too. My friend recommended Doan's Kidney Pills and I used them. They soon put my kidneys in good order and my health improved."

East Stark Street J. C. Sealey, merchant tailor, 2011 East Stark street, says: "At my work I have to sit still for hours at a time. That affected my kidneys. When I was carrying wood into the house a lightning-like pain caught me in my back, and for several days I couldn't get around at all. My kidneys didn't act freely enough, and I had an awful time with them. Specks floated before my eyes and my sight was so blurred I could hardly see. It was a good thing for me that I learned of Doan's Kidney Pills, for they soon ended the trouble."

East Eighteenth Street, N. F. R. Horton, retired farmer, 1021 East Eighteenth St. N., says: "Doan's Kidney Pills surely deserve my recommendation, for we have used them in the family for the past 10 years. They have always given the best of satisfaction. Whenever I have noticed my kidneys not acting just right, or have noticed any other kidney trouble, Doan's Kidney Pills have promptly relieved me." (Statement given November 17, 1915.) On May 18, 1912, Mr. Horton said: "I am just as good a friend of Doan's Kidney Pills as when I first recommended them. A few Doan's now and then keep my kidneys in good order."

Williams Avenue Mrs. S. F. Adams, 714 Williams avenue, says: "When my kidneys were bothering me I used to have awful dizzy spells and everything seemed to whirl around, and my sight was blurred by little specks floating before my eyes. I had sharp pains in my back and they were awfully severe. Everything I did for relief failed, although I used many kidney medicines. I was surely miserable and thought my back would never stop aching. I was about discouraged when Doan's Kidney Pills were recommended. I used Doan's, however, and they made a complete and lasting cure."
