FOR SALE-AUTOMOBILES. GOOD NEWS FOR ALL USED CAR BUY ERS, and right at the most opportuni time of the year.

"VACATION TIME." The Boss just returned from a very ex-tensive and successful trip buying good cars, and informs us that he purchased approximately 100 good cars at prices that will permit us to resell them far be-low their actual values.

It is an acknowledged fact that we have been selling cars at a much lower figure than any of our competitors, and now, right at the time when there is a pronounced shortupe of new cars and used car prices have gone sky high, we are going to sell high-grade late model slightly used cars at prices that will no doubt cause the ever suspicious fellow to think they are probably obtained quietly at night without any arguments with their former owners concerning price or clear title.

Remember, folks, we are on the east side, out of the high rent district. Liberty bonds taken at face value and easy terms given on any car you purchase. If it is not convenient for you to pay cash. Read this list over very carefully, and then beat it for No. 12 Grand ave. North, and pick out a good one. They won't be here long at these prices.

Take a tip. Get busy.

Here are a few of them—
