PERSONAL

The "optimist" seek some darkened clouds, But he never knows despair; For the sun must shine on the other side And will plered through "somewhere." And the one who sees the brighter side Creates magnetic power? For "like" draws "like" in everything, As love goes to the flower.

An optimist sees conditions As only for the heat! He makes his life worth living And seidem meets a test.

We're niways "optimistic."
