

BALANCE SHOWN IN REPORT OF Y. M. C. A.

Funds on Hand Will Meet Needs Until December.

WAR EXPENDITURES HEAVY

Five Per Cent of Merchandise Distributed is Given Free to Men of Fighting Forces.

NEW YORK, July 27.—First detailed accounts of the receipts and expenditures of the Young Men's Christian Association, made public here today by the organization's national war financial committee, show that \$125,282,859 was received by it between April 26, 1917, and March 31, 1919. Total expenditures aggregated \$77,517,400 in the period named, it is stated, leaving a balance of \$27,465,854, a sum estimated to be sufficient to carry on the work here in the United States until December 31. According to the figures, slightly more than 2 per cent of the total funds contributed by the American public were expended for religious purposes in the United States and overseas, while approximately 80 per cent was devoted to the purchase, transportation and distribution of food, clothing, medicine and to entertainments, education and athletic sports.

Merchandise is distributed. In addition to the provision of free athletic supplies, the reports say, the Y. M. C. A. distributed overseas \$36,832,449 worth of merchandise. Of this merchandise \$1,794,771 worth, or approximately 5 per cent, was given free to the soldiers. This does not include overseas Christmas gifts and entertainments worth \$651,962.

Of the \$27,465,854 expended, it is shown, more than \$20,000,000 was spent in the home camps, more than \$4,000,000 with the American expeditionary force abroad and \$1,460,175 for work with the allied armies and prisoners of war. The statement explains that the "Y" has expended \$1,478,084 in the operation of army post exchanges and canteens, which, also, owing to the depreciation in values of French and English currency, the conversion of the overseas figures at market rates, resulted in a book loss of \$2,432,089.

The report of the committee makes clear, is not final, because the war service of the Y. M. C. A., which reached its maximum in March of this year, is being continued in various forms in Europe and foreign countries. Three war work campaigns for funds, it points out, brought from the American public \$2,254,802 in the form of contributions. Its report states, was augmented to \$125,282,859 by sums from other sources.

Many Concerts Given. More than 97,000 concerts, vaudeville performances and other entertainments were staged by the "Y" in American cantonments to an aggregate audience of 43,500,000 at a cost of \$1,196,767. Execution of 250 out-of-door camps in training camps on this side cost \$7,688,954 and the outlay for maintenance was \$4,965,726. The "Y" has more than 1,000 tents built or leased for the use of the A. E. F. cost \$4,801,271, were equipped at a cost of \$2,959,421 and operated and maintained at a further expense of \$1,014,337.

Publications Are Included. Y. M. C. A. stationery for the home front, together with the financing of the publication of the "Y" at an expense of \$232,529. The "Y" also spent for its territorial war work in the Pacific Zone, Porto Rico, the Philippines and other territories, \$299,624. In the munitions and war industries, \$192,388, and in the students' army training camps, \$442,000.

Of the \$16,042,695 spent for the armies of the allied countries, it is shown, France received \$6,738,744, Russia \$4,800,945 and Italy \$1,329,951. The amount among war prisoners cost \$1,058,591.

The installation of a motor truck service cost \$2,702,634 and its operating expense was \$1,170,761.

The cost of selecting, recruiting, training and paying the sustenance and traveling expenses of all the "Y" activities was \$3,606,502. For the various general activities, campaign and publicity expenses disbursed in New York were said to have totaled \$519,802.

BARTON EATS OREGON PIE

NEWSPAPER MAN, BACK FROM OVERSEAS, GRATIFIES WIFE.

Former Oregonian Writer Brings French Bride as Souvenir of Service in Land of Gauls.

"I have had a piece of pie baked in Portland, Ore., and now I am happy." This was the declaration of Frank W. Barton, former news writer of The Oregonian, who arrived in Portland yesterday after nearly two years spent in France. For the past year Mr. Barton had been a representative of the Stars and Stripes, the soldiers' newspaper "over there."

"You know there was a rhymer of the A. E. F. who had an inspiration," said Mr. Barton, "and he wrote an effort which ended up: 'All I want's a piece of pie baked back in Portland, Ore.'"

Mr. Barton said he was given many a time as I sent that buzz wagon over the roads of France on some mission for the Stars and Stripes. And now it has been satisfied. That's why I smile. No, girls, Sergeant Barton—this what they used to call him before he became mere mister once more—didn't come home alone. He was accompanied by Mrs. Barton, all the way from Lormont, France, not to mention Paris hats and gowns and other things not usually found in a soldier's baggage.
