BERNE, Switzerland, Sunday, Aug. 3.

—(Havas.)—Advices from Berlin report that trunks belonging to the alited

sold far above the government's guarantee at the principal terminals.

Senator Gronna declared that the packers and all dealers in food products "never made higher profits" than they did under the food administration's Renator, Smith said if there was profiteering, the Sherman act afforded an opportunity to break it up. He added that extravaganace by most persons was one cause of present conditions.

Senator Borah, republican, of Idaho, said it would be no task to find the profiteer.

Borah Knows Profiteers.

"We know where the profiteer is," he said. "and he will be just as safe the next four years as he has been the last Senator Reed, democrat, of Missourt.

of nations is to undertake this plan. We are to drain this country of its money and its goods at the very time our people are clamoring for relief."

Senator Thomas, democrat, of Colorado, observed that the high cost of

the greed of many producers are responsible for steadily increasing prices," the attorney-general said. He will ask Governor Shoup to appoint a commission to investigate prices.

Whether the city of Denver will sell food at cost price will be determined at a meeting of city managers to-
