## Blouses With Lace

Lace is the fashion of the coming hour for blouses as well as for dresses.

The lovely portrait blouse sketched has collar and long individual cuffs of beautiful Italian Filet lace. It was made by hand for us in a little foreign shop located in New York.

A distinctively Paris-like blouse is of organdie with net instead of lace and little ruffles of footing and elbow sleeves.

An intricately woven voile blouse has a large picturesque collar of Italian filet.

A young girl's blouse has a cascade collar and jabot frill edged with creamy Valenciennes.

A waistcoat blouse has straight revers edged with a copy of real Valenciennes.

Frill blouses such as are worn so much are edged with imitation filet.

Another voile blouse with a round artist's collar is edged with soft creamy lace.

Prices range from \$3.75 to \$27.50.

The Blouse Shop has exceptionally pretty new blouses at very moderate prices for vacation wear.

**Welworth Blouses \$2.50**

are sold here only in Portland. They are unsurpassed at the price.
