MEEHAN MUST STOP LARUE

SAN FRANCISCO HEAVY NEEDS VICTORY FOR REPUTATION.

Aspirant to Go With Dempsey Risks Elimination if Battle Goes Against Him.

If Willie Meehan, the San Francisco heavyweight, hopes to get a crack at Jack Dempsey, he will have to win the world title in the near future.

He will have to bowl over Bill "Fat" Larue, the Oakland contender, who will meet him in the Oakland auditorium next Wednesday night in the main event of a boxing show staged by Tommy Simpson.

Simpson has been staking a series of elimination bouts between the leading heavyweights aspirants in Oakland and San Francisco, and finally narrowed down to Bill Larue, the former American amateur heavyweight champion.

Larue and Meehan have been sworn enemies for several years, and a number of efforts have been made to bring the two together without any success until Tommy Simpson stepped in some several days ago.

Larue is something along the line of Meehan in build and carries a lot of surplus fat that does not seem to bother him. Several Portland boxing fans saw Larue box in the far-western championships in Seattle, several years ago, and he is above the average heavyweights, as heavyweights go in these parts.

A defeat at this time at the hands of Larue, who is known principally only in San Francisco and Oakland, would be a sad blow to Meehan.

Boxing has been a recent boom in Oakland all summer and a recent bout between Willie Meehan and Jack Thompson, the negro heavyweight, drew 11,000 at the gate at popular night club, and only a four-round bout at that.

Boxing has also been booming along in San Francisco with an average of three shows being staged weekly by various clubs. The allied promoters who control Dreamland rink are staging a card every Friday night with the best boys obtainable taking part.

Eddie Shannon and Tommy Richards of Los Angeles will box tonight's main event. Morris Lux, the Kansas City welterweight who fought all last winter in Portland under the management of Bobby Evans, will make his first start in San Francisco tonight, meeting a tough battler by the name of Billy Harold in the semi-windup.

Lux is the only boxer well known to local flistic fans who will exchange wallops on tonight's bill.

Old "Fireman" Jim Flynn crawls out of his grave in Los Angeles to challenge Jack Dempsey. Jack stopped him in a round last year. Maybe Flynn thinks it can be done in less.

Fred Gilbert, the Bend, Or., middleweight, is back in his home town and is ready to meet all comers. Gilbert put the strap under Jimmy Fox July 4 in Bend and is now primed for an opponent on Labor day.

Bobby Evans expects to complete arrangements within the next few days for Joe Gorman to step 15 rounds with East Cummins, Walla, Idaho, on Labor day. Billy Mascott may also box on the card.

Attorney-General S. C. Ford of Montana has ruled that the requisite percentage of voters in 23 counties will halt the referendum election called for September 2 to pass on the primary amendment and legislation on boxing. Twenty-one counties have completed petitions to date.

Help! Jack Britton and Ted Lewis are to meet again. The welterweight champion and his dancing partner have been signed to box for their twenty-first time in Montreal, Can., the latter part of this month. They will go 20 rounds.

M'D-O. TEAM OUT TO WIN

ANDY FEICHTINGER UNING FOR STANDIFER CREW.

Battle of Leading Semi-Pro Teams for Championship Honors Promises Lively Scrap.

Manager Andy Feichtinger of the McDougal-Overmire baseball team that will battle the J. M. Standifer Construction corporation club for the baseball championship of Portland on the Vaughn-street grounds Sunday afternoon, is sparing no effort in getting his team in shape to give Wayne F. Lewis' fast Standifer club a trimming.

Feichtinger had his cohorts out in full force last night and they went through their paces like clockwork. Feichtinger has placed his ballsovers as follows for Sunday's championship contest which will get under way at 2 o'clock: Herman Pilette, pitcher; Gus Eisler, catcher; Walter Kracke, first base; George Henderson, second base; Porter Yeast, shortstop; Eddie Heusman, third base; Brownie Groce, left field; C. Houston, right field, and himself in center. On the reserve list there is C. Kanger, outfield; Dimick, infield, and Winterbotham and Wilke, pitchers.

The McDougal-Overmire team has won 11 straight ball games, defeating the best teams in the state, besides winning the pennant for the 1919 season in the commercial league. Pilette and Eisler should prove a hard combination for the speedy shipbuilders to beat, as they are far above the average battery that the Standifer team has faced this season.

A double-header will be in store for the fans who journey out to the Vaughn-street grounds to take in the championship contest, as a game has been arranged between the Heese-Martin and Columbia park aggregations. These two teams were eliminated in the race for the city championship last Sunday, Standifer defeating Heese-Martin while Columbia park went down to defeat before McDougal-Overmire. The game will not have any bearing on the championship, but has been scheduled as an added attraction. It will follow immediately the main contest between Standifer and McDougal-Overmire.

Brooklyn believes Al Mamaux has really come back and is going to be good again, taking his regular turn on the mound. If he has and does, then put a feather in Wilbert Robinson's cap, for hardly anybody else would have taken the trouble to bring him back.

Otto Knabe, scouting for the Chicago Cubs, has been watching the work of Pitcher Ed Rommel of the Newark Internationals and wants to make a deal. The story is that Rommel is the property of the New York Giants, but McGraw may have given Chicago permission to deal.

Shortstop Henry Schreiber has been purchased by the Cincinnati club from the Waterbury Eastern league club. Scout McCann of the Reds looked over both Schreiber and Jimmy Cooney of Providence and decided to take Schreiber. He has been hitting hard since his release to Waterbury by Boston, but Cooney seems to have it on him in fielding.

Now then, if Pittsburgh wants Billy Zitzmann it can have him. Pat Moran decided the youngster wouldn't do, and declined to send him back to Jersey City. The Pittsburgh critics said some unpleasant things about Garry Herrmann when Cincinnati took Zitzmann after he had been taken away from the Pirates. Perhaps they will apologize now.

WOMEN, as a rule, are inclined to lose heart too soon on the links. Once they miss a tee shot or a mashie pitch—the latter being a very common failure among the fair sex—they will play the rest of the whole set more often, they would learn to play each club perfectly. The mashie and iron are the most difficult clubs for women. They never play either with that "nip" which we all appreciate. This shot should not be played quickly. Swing up steadily, then hit the ball with a sharp snap as though one were cracking a whip. But be sure that the arms follow through after the ball. At the finish the wrists should be slightly bent.

In older days people used to boil barley in barley water as a cure for a cough.

Big League Gossip.

WHEN Bob McGraw and Ping Bodie get together the boys are furnished with many a laugh. Bob is a sure cure for the blues any day.

There surely have been enough batting leaders in the American league this year. Veach, Jackson, Fack and Snow Sleser have taken a fling at the No. 1 position. During the same time no one has ousted Gavy Cravath from the National league leadership.

President George Washington Grant of the Boston Braves says it won't be his club that's transferred to Toronto for next season. The denial was in reply to rumors out of New York that the Braves might forsake Boston for greener fields.

The two winning teams are slated to meet at the Portland Golf club a week from Sunday.

This year's match is arousing a great deal of interest among the golfers. Last year the Portland Golf club won the beautiful Clemson trophy and will try hard to repeat this year.

-You can't smoke the box— then why buy it?

You object to the high cost of living. But some of you forget it when you buy cigarettes. You pay for an expensive box, get fewer cigarettes, and pay a higher price. That's poor business.

If you bought that way for your employer, you wouldn't last very long.

LORD SALISBURY TURKISH cigarette is the inevitable solution of the cigarette-buying problem, because you get 5 extra cigarettes instead of a box.

It is the only high-grade TURKISH cigarette in the world that sells for as little money as

20 cents for 15 cigarettes

The reason for the low price is that LORD SALISBURY TURKISH cigarette is packed in the most inexpensive and the most attractive machine-made paper package instead of the expensive hand-made cardboard box. For these practical reasons

Peninsula Park Meet Promises to Uncover Plenty of Talent Among Juvenile Classes.

The hop-step-and-jump is "old stuff" so far as Portland's girls are concerned and they're making such remarkable strides in the high jump that the boys who participate in the playground athletic meet at Peninsula park tomorrow will have to do some real hurdling if sister doesn't get away with the high record.

Both girls and boys have been putting forth their best efforts, however.
