Britton and O'Dowd will meet in an orght-round bout at Newark, N. J., on August 22. Some of the critics are criticising Dan Morgan, the weiter-weights champion's manager, for let-ting him take on O'Dowd, but Morgan Sam Crawford Is in Second Place, Britton and O'Dowd will meet in an

Coulon has placed himself under the manage-ment of Al Lippe, the Philadelphia fight promoter, who is planning on making an invation of England with a stable of bezers. Coulon has in-formed him that if he is taken along he is quite sure that he could whip Wilde. There was a time long, long ago when Coulon very probably would have whipped Wilde. The Decroit munager and the umpire had a run-in the other day at Boston and Moriarty came out on top. AT most of the places where straight Turkish cigarettes used to have the "call", Fatima is now the leading cigarette. Here are a few of these places-just as examples of Fatima's popularity among men who really know how to judge cigarettes:

### how does your cigarette begin to taste ?.

### NOTE-This is the severest test to which you can put your cigarette.

TEARLY dinner time. You've been smoking all day. How is your cigarette appetite?

If it is tired and jaded—in other words, unless it's as fresh, crisp and snappy as right after breakfast-you ought to look around for a different brand of cigarettes.

The right brand (when you find it) will let you feel fine and fit and smoke-hungry clear up to bed-time.

It will give you enough of the delicious flavor of Turkish tobacco-but it will be so blended as to off-set the over-richness or heaviness that comes from smoking too much Turkish.

The one cigarette which today seems to be attracting most men who tire of straight Turkish is Fatima (see at left).

As soon as you are ready to look seriously into the cigarette question, put Fatimas to the 6 o'clock test.

#### Big League Gossip.

THE Boston Red Sox have been doing much better since they lost the valuable services of Carl Mays. Bar-row's pitching has been far more ef-fective and the whole team, with Mays absent, seemed to buckle down to busi-

ness. The Yankees have another second baseman, or will have in September-He is Dave Black, who has been play-ing with the Pittsburg collegians, an independent team famous in western Pennsylvania. He is only 19 years of age, but has a great reputation around Pittsburg for hitting ability and speed. The Detroit club seems to have a lik-ing for pitchers with but one eys.
