Governor Backs Demand of Clatsop Legion.

STATE PILOT OFFICER BLAMED

Refusal to Dismiss Disloyal Alien Employe Censured.

ANSWER TO CHARGE ASKED

Mr. Olcott Urges Upon Thomas Nel son Necessity to Keep Nation Free From Menacing Influence.

SALEM, Or., Sept. 10.-(Special.)homas Nelson of Astoria, a member of the state board of pilot commissioners, must satisfactorily meet charges filed against him by the members of Clatsop post, American Legion, or relinquish his position, according to a letter sent to him today by Governor Ol-

"My attention has been called to charges made against you as manages of the Union Fishermen's Co-operative fused to discharge an employe of the company, who, according to the accusations made to me, is admittedly and openly a disloyal alien," says the governor's letter. "It is my understanding that efforts have been made to have you remove this man from your employment, but that you have flatly refused to do so.

Loyalty Is Demanded

"Of course, I have no jurisdiction over the employment of persons by individuals or private corporations, but it is my official duty and privilege to determine that state officers, so long as they are under the jurisdiction of in their employes and shall demand the highest sense of loyalty and paloyalty in his employe in a private to lity, to an effect, ser or the Siberian might tolerate such disloyanty in those whom he employes to work for the

> "If the charges lodged against you as chief executive of the state of Oregon, to request you to submit to this office at an early date your resignation as member of the state board of pilot commissioners for Oregon.

Defense In Invited.

"If you have any statement to make in the way of refutation of these charges I will be pleased to give it careful consideration, as I desire to condemn no man until he has been given full opportunity to make his position clear when charges of this character are lodged against him.

"I feel it the duty of every citizen to from again allowing to grow up in this country the ramifications of disloyalty and alien employment which were discovered during the great conflict just closed.

will go further and declare it my belief that those aliens who during the struggle from which this nation has just emerged demonstrated their disoyalty to the country, from which they have gained their sustenance, should be deported never again to return. I have spoken strongly upon this subject because I feel strongly upon it."

BRAZIL TO CURB RADICALS

Campaign Against Anarchists to Begin in Capital City. RIO JANEIRO, Sept. 10 .- Police have

begun an active campaign against anarchists and other radicals, who recently have been growing more active in their agitation and more violent in their speaches. On Monday the entire edition of the
