We are crowded to the doors with cars taken in in exchange for new Chevrolets and our orders are to clean them out regardless of profit in one week. Now, to dispose of a large number of cars in one week, it is necessary to price them way below their actual value and take a very small payment down, all of which we have done to an amazing degree.
We also decided on this sale to take part payment in liberty bonds, to give reasonable free service, free driving instructions and in many cases guarantees.
