

OUR GREAT ANNUAL MONEY-SAVING EVENT STARTS TODAY

WOOLEN GOODS SALE

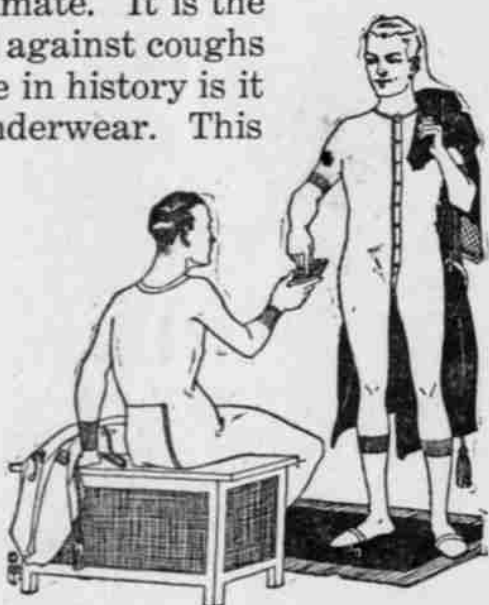

At Cut Prices

At the BROWNSVILLE WOOLEN MILLS

Men's Underwear at Cut Prices

You need to wear wool in this climate. It is the best protection for the skin to guard against coughs and colds. This year as never before in history is it wise to get good, substantial wool underwear. This sale of woolen undergarments is especially timely, starting at the season when the first cold weather is approaching. We have an immense stock of two-piece and union suits for men. These come in all sizes, weights and colors and are now waiting your inspection. The prices are reduced below our regular money-saving prices, which wise and careful buyers know from experience are most reasonable.

Buy Winter Woolens Now and Make Savings

This is the sale that the people have eagerly been waiting for. Following our annual custom of many years we will during the fall season hold our annual sale of Woolen Goods at reduced prices. This is a great event in the Pacific northwest. People from near and far wait for this sale before they buy their woolen goods because they are accustomed to get staple articles at money-saving prices. **This year will be no exception.** While on account of the high cost of manufacture, high cost of raw materials, high wages, etc., prices are not so low as they have been in some of our historic sales, at the same time all of the woolen goods offered at this sale have been reduced in price so that our customers will make noticeable savings. And you will make them **NOW**, just when you want to stock up with woolen goods for winter.

Men's Socks at Cut Prices

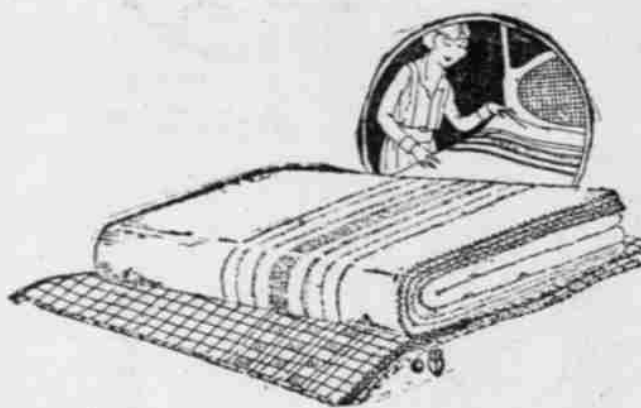

You cannot afford not to lay in a plentiful supply of men's socks at these reduced prices. These goods are up to our high standard. The weights are heavy, medium or light, for city or country wear or heavy work in farm, mill and camp. Fine supply of loggers' socks. The prices make them particularly attractive to the wise buyer.

Men's Shirts at Cut Prices

Excellent values and quality are offered in our men's flannel shirts in the various sizes, weights and colors, including the heavy loggers' shirts. This store is famous for its men's shirts and the regular prices, always reasonable, are reduced for this sale.
