BIG BUTTE CROWD CHEERS JOHNSON

Senator Declares President Deludes American People.

TREATIES ARE WITHHELD

Demonstration Follows Proposal to "Cut Heart Out of League" to Keep Americans Home.

BUTTE, Mont., Oct. 18.-Predictions of Butte city officials, that Senator Hiram W. Johnson would find strong sentiment here in favor of his stand for important amend-ments to the league of nations covenant, apparently were borne out at today's meeting addressed by the senator. Despite the fact that the first snowstorm of the season had made the roads slippery, autemobiles came from Anaconda, Deer Lodge and Helena to attend the meeting

at Butte's largest theater.

Partisanship was east aside when
representative democrats and rerepresentative democrats and republicans joined in extending a Montana welcome to Senator Hiram W.
Johnson, waging what he terms a
campaign on an "academic question,"
'against acceptance of the league of
Bations covenant as now presented.

He brought the crowd to its feet
with a proposal is "cut the heart out
of the league," if necessary to pretent use of American soldiers in Eutense without consent of congress. rope without consent of congress. The demonstration following this suggestion was the most vociferous

President Withholds Treaties, Senator Johnson charged that the administration has not yet fully made plain the obligations which this country would assume if the league covenant were adopted.

They want to administer our burden to us in homeopathic doses," he exclaimed, and declared that the president told the people first of the German treaty, then of the Austrian pact, and still is withholding details of the agreement which is to divide the Ottoman empire, and which, the

pact, and still is withholding details of the agreement which is to divide the Ottoman empire, and which, the senator predicted, would be designed to have the effect of Keeping American soldiers in southern Europe for many years to come.

"The president has declined, in so mans words, to tell us anything about any other treaty than the ones already made public," Senator Johnson and the grisman of Geat Britain's six votes in the league assembly to America's one, the California senator scoffed at the explanation that the assembly was "a mere debating society," and declared further that India, to which one of the six British votes belongs, has as much entitled to a vote as the Hottentots and Patagoria," and that the difference when the Hottentots and Patagoria, and that the gift and the concepting one duty for a week.

Senator Johnson left at 6 o'clock tonight for Ogden and Salt Lake City, where tomorrow's meetings are scheduled to be held. From Salt Lake City, where tomorrow's meetings are scheduled to be held. From Salt Lake City, where tomorrow's meetings are scheduled to be held. From Salt Lake City, where tomorrow's meetings are scheduled to be held. Four New Members of Council Announced by Secretary.

UNIVERSITY OF OREGON, Eugene, Oct. 10.—(Special.)—Four newly elected members of the alumni council who will serve for two years were announced yesterday by Miss Charlie Fenton, alumni secretary. The bal-loting was done by mail and required six weeks. The newly-elected members are: Andrew M. Collier, '13, Klamath Palls; Arthur M. Geary, '16, Portland; Karl W. Onthank, '13, Eugene, and Carieon E. Spancer, '13, Eugene, The other five members of the council whose terms will expire in June are Frances O. Moller, '16, Hood River, Vernon H. Vawter, '12, Med-River; Vernon H. Vawter, '13, Med-ford; Carl McClain, '86, Eugene; Nellie Hemenway, '13, Portland, and James H. Gilbert, '93, Eugene, The officers of the alumni are Homer D. Angell, 1909, Portland, president; Edith Kerna Chambers, '35, Eugene, Vice-presi-Chambers, '95, Eugene, vice-president; Charlle R. Fenton, '16, Eugene secretary-treasurer. The members of the athletic council are A. R. Tiffany, '85, Eugene; Dean H. Walker, '13, Eu gene, and Seth M. Kerron, '06, Eugene, Walter L. Meyer, '18, Eugene, is the member of the forensic council.

KING RIDES ATOP TRAIN

(Continued From First Page.) your soil which grows such men. They went 2000 miles to fight for an They went 1000 miles to fight for an ideal and wherever I saw one of them he knew what he was fighting for.

"It was a tribute to your educational system that they were all so intelligent and that they could be trained in so short a time."

Pointing to the broad fields past which the train was speeding, his malesty went on:

G. H. Young, paster of the Baptist church. The bride was a resident of Brownsville about eight years ago when her father was paster of the Baptist church, but recently she has been engaged as an expert nurse at Ellensburg, and will be at home here as soon as that work is completed.

Mr. Stanard is a former student of the University of Oregon, class of 1914, and was in the service during the late war, having received his ischarge last February.

Which the train was speeding, his majesty went on:

Miers there are large farmers and small farmers. It is well that it is so, for the ownership of land makes for increased production. The United States is fortunate. It has more than it needs of everything, and out of its abundance it can supply sustenance for Europe. This year and the next will be the worst. After that we should be able to supply ourselves with food, It is well you use machinery to harvest your crops. In

the present sugar shortage on the Pa-cific coast will be relieved within two weeks. Ralph P. Merritt, chairman of the local committee of the United States sugar equalization board and former food administrator for Cali-

former food administrator for Cali-formia, announced here today. Twenty-four carloads of both cane and beet sugar are en route to va-rious points from the refineries at Al-varado and Bateravia, Cal., Mr. Mer-ritt said. A shipment of 2200 bags was started for Seattle by steamer today, and all available space on a steamer leaving here Traceder will steamer leaving here Tuesday will be filled with sugar consigned to Spokane, Tacoma and other Wash-ington points. Monday, rall ship-ments will begin to Portland. The distribution will be along the percentage lines existing under the food administration. Northern Call-

food administration. Northern Cali-fornia and Nevada will be given 47 per cent of the supply available from now until January. Idaho will be given 2. Washington 30 and Oregon

given 2, Washington 30 and Oregon 21 per cent.

Due to the fact that the equali-zation board controls 12,000 tons of beet sugar secured for the shortage and will handle all distribution under an agreement with the refiners, the retail price of 11 cents a pound to the consumer and 2 cents to the joball the work in our fields was done by hand," labor unrest throughout the world was mentioned, and he spoke inter-estedly of the conference of capital ber, plus all legitimate freight tarliffs, will remain effective. Johbers and manufacturers alone will be supplied under the scheme, it being necessary and labor at Washington designed to find a solution. The said, "that there can be a conference, for then a set-tlement is possible. It is not so good for the retailers to get their supply through the wholesalers. Sugar was being distributed to re-

when men stand with rifles in their hands ready to fight."

Conversing with King Albert it is Sugar was being distributed to re-tailers in San Francisco today.

No restrictions have been placed on the retailers in the amounts to be sold other than that such amounts must be within reason and in keep-ing with the necessity for husbanding the supply until the new crops are available on January 1.

The tornage secured by the equali-

The tonnage secured by the equali-zation board will be distributed to jobbers only. The manufacturers will have to depend on the factories and refineries for their supply, the whole scheme of distribution, however, being under the jurisdiction of the board.

Fifteen thousand bags from all sources were said to be available in San Francisco today for general Pa-cific coast distribution.

LA GRANDE GETS MEET (Continued From First Page.)

here was held at Pilot Butte last night. A long programme of adnight. A long programme of addresses in which both business and labor were represented was presented by G. H. Baker of the Bend Central Labor council, the toastmaster, and the affair, which began shortly before 10 o'clock, did not reach its end until after 2 o'clock this morning. More than 150 visiting delegates and their guests were present.

Asserting that he has never presided

Asserting that he has never presided a "campaign of terrorism" and that Asserting that he has never presided over a convention so full of pep, progress and good judgment as the one being held here. President Otto R. Hartwig of the federation reiterated his promise that the labor movement will set a mark in Oregon that every square man may follow, confident that

day. Radicalism exists in exact pro-portion to the existence of causative conditions, and if the business men of the country are anxious to see it decrease, they will see to it that in-dividuals who are halting the march of progress, are swept aside." In this y Mr. statement Mr. Hartwig referred to o also Judge Gary of the United States Steel corporation, declaring that men of his type are "endangering the entire so-

ial fabric of the world." "Passing the Buck on the High Cost of Living" was the subject chos-en by L. W. Buck, secretary-treasurer of the Washington Federation of Labor. He maintained that the cost of iving is now the result of high wages but that high wages are necessitated by the living cost. He pleaded for spirit of tolerance in industrial affairs and in touching briefly on the subject of radicalism asserted that the only way to keep men from agitating ant Edward J.
