AND VISIT GOLLEGE

Federation Delegates Attend O. A. C. Convocation.

RIDE OVER CITY ENJOYED

Many Resolutions Presented a Morning Session: Politics Already an Absorbing Topic.

CORVALLIS, Or., Oct. 15. - (Special.)-Delegates to the state convention of the Oregon Federation of Women's clubs combined pleasure with business here today and ad-journed the regular session at 11 o'clock in order to attend convocation at-the college and hear an address by President Kerr. Luncheon bootleggers in the city of Portland. was served to the visitors in the home According to Lieutenant Thatch

in the club rooms. Resolutions Are Presented.

The morning business session was presided over by Miss Beamy of Salem. Many resolutions were presented, read and referred to committees. Among them are resolutions asking the state for more aid for crippled children, asking government action to reduce the high cost of living, demanding teaching of Americanism to state highways as a soldiers' and

bers of the federation had contributed his men were forced to operate. It more than twice as much for this cause as the federated clubs. Plen Made for Children.

Mrs. P. L. Campbell of Eugene made a comprehensive report on the activi-ties of the crippled children's com-mittee and urged the need of greater activities on the part of the state along this line. She emphasized the necessity of a children's hospital and suggested that the age limit be raised

ters up in a talk on the alleged failure of the Oregon legislature to give out a number of bills that women were ich interested in that falled to pass and named the legislators respon urging the women to remember them when election time comes around. One of the bills she was particularly emany woman who voted to re-elect any against the women a blis lose her suffrage privilege.

Tuesday Meeting Interesting.

nurses over seas. She said that within two weeks after leaving New York she was at work at the field hospital near Solssons. The nurses, she said, soon learned to work without fear through the night air raids and to sleep in the heat and amid the flies, but they couldn't sleep through the nightly raids. Miss Schneider was with the 26th division, which was almost wiped out during the Solssons engagement.

Newton Vandalsen spoke on "Vocational Education." He complimented the country on its kindergartens and its high schools, but deplored the tack of industrial schools. He explained the Smith-Hughes law, passed live in the city and that with increas-

plained the Smith-Hughes law, passed live in the city and that with increasin 1917 to meet the needs of the country, and said this law was designed to obtain further rights. to establish a nation-wide system of industrial education.

Mill Management Praised. Miss Hammond of Cleveland, O., educational secretary of the Portland woolen mills, paid a high compliment to E. L. Thompson of that in-

"There is no bolshevism in our mill." "There is no bolshevism in our mill."

There is no bolshevism in our mill."

She said, "because we follow the golden rule. We have a \$10,000 club house, with our own movies, our own dances, rest rooms, bowling alleys and library. We have community singing and dancing once a week. These gatherings meet the social needs of the workmen and their families. We get at the heart of the thing, Welfare work that comes from through but we will have a crew of thing. Welfare work that comes from men on hard at all times to patch it thing. Welfare work that comes from men on hand at all times to patch it the head, not the heart, becomes fare-up. The road north of Jefferson to cussion on the ordinance until work."

ulty spoke of the need in Oregon of traffic."
caring for delinquent and defective children. If the children of an insti-

Politics is an absorbing topic among time. little knots gathered in halls and corridors between sessions. The women are "milling" in regular old-fashioned, pre-primary ways and the election tomorrow promises to be an interesting occasion. Mrs. Callahan of Corvallis and Miss Beattle of Salem are the only candidates yet in sight for the state presidency

of the bills she was particularly emment to the present water power bill, cial committee, saying that it was for phatic about was that designed to before congress, be added to protect the purpose of standardizing salaries, give women equal pay with men for the same work and she insisted that original plan of appointing the spe-Senator McNary by City Attorney possible.

LaRoche. "This proposed ordinance," he said of the legislators who had voted LaRoche. "This proposed ordinance," he said, against the women's bills ought to Under the provisions of the water "instead of froning out the troubles,

ception of those who have been materially benefited by the ordinance, are up in arms and a general feeling of unrest has been created by this Problem Far From Solved.

"Passage of this ordinance will not solve our problems and its passage will be followed by no end of grief. I can't consistently vote for an or-dinance which takes care of a few and does not make provision for the

remaining city employes."

The climax of the discussion was reached when Commissioner Barbur, after saying that Portland had always been a cheap town when it came to paying its employes, announced that he would reduce the budget for his department to the ex-

budget for his department to the ex-tent of \$125,000.

Jumping to his feet, Mayor Baker walked to the end of the raised plat-form on which his desk rests in the council room and, addressing Commis-

your requests you have just doubled those of last year. How about the police department, the fire depart-ment and others which seek no increase over the appropriations made last year? Where will they come off? Let me tell you, Commissioner Barbur, it's great to pose as the hero, but it can't be done. We must cut the cloth as we find it."

Barbur Angrily Retorts. following afternoon.
"In the meantime," suggested Commissioner Mann, "we can get together and sort of iron this thing out.

A reliable, safe skin treatment

You need never hesitate to use Resinol Ointment and Resinol Soap in the treatment of severe or simple skin-troubles. There is nothing in them to injure the tenderest surface.

Kesinol

is a doctor's prescription which, for over twenty years, has been con-stantly used by other physicians for ecrema and other itching, burning, unsightly skin affections. They prescribe Resinol, knowing that its remarkable soothing, healing action is due to ingredients so gen-tle and harmless as to be suited even to a baby's delicate skin.

that must be taken into consideration

The suggestion struck a popular chord, seemingly, among members of the council, for Commissioner Mann's proposal carried without further
