FOR SALE—AUTOMOBILES.

FIRST ANNUAL USED CAR SALE OF THE LEWIS E. OBYE MOTORS CO.

Portland's Largest Used Car Dealers Are Going to Clean House.

This Is Our First Annual Sale and We Are Going to Make It An Epoch in Portland's Used Car History That Will Not Be Forgotten Soon.

Prices Will Positively Be Slaughtered for the Next Ten Days.

Compare our prices with other used car sale prices and you will be convinced that this is the "Sale of Sales." We have $75,000 worth of the finest used cars that money can buy and practically all of them have been completely overhauled and painted, some of them have new tops and some have been retired and every one of them is right, if they're not we'll make 'em right.

Right here, folks, is a point we want you to think over real seriously. When you enter either one of our salesrooms, the first thing that meets your gaze is NOT some old wreck or relic that some despairing owner has by the use of some other, a few extra dry batteries and a good, strong vocabulary, coaxed out of its three years' resting place and induced to run down as far as Auto Row and left coughing out in front of some unarmed dealer's establishment long enough for said owner to go in and convince said dealer that he wouldn't even think of taking it at any price too high powered for his wife's mother to drive, etc., etc. NO! Such is NOT the case here.

Every car you see on our floor has been purchased by a man who understands used cars from A to Z, for the sole purpose of resale. Not one of them has been traded in on a new car.

We have only standard makes and all late models. Every one carefully selected and rigidly inspected before being purchased. We are offering you the CREAM of used cars of the Pacific coast.

MAKE YOUR DOLLARS DO DOUBLE DUTY.

Save from $100 to $1,000. Our easy-payment plan makes it possible for every one to own a car.

ONE-THIRD CASH AND THE BALANCE IN TEN EQUAL PAYMENTS.
