

### RESERVE PURELY CIVIL FORCE

J. A. Beckwith Says There Are to Be No Officers or Drill.

ENROLLMENT DRIVE IS ON

Speakers Address Several Organizations on Aims of Emergency Law Supporting Body.

The civilian reserve now being organized by the American Legion will be an organization without second lieutenants or top sergeants, and there will be no kitchen police, declared John A. Beckwith, secretary of the American Legion, in an address before Prospect camp, Woodmen of the World, last night.

"The proposed reserve will have no officers, and when members are called they will be attached to the emergency to existing law-enforcing units where needed," he said.

"Men who join need not be afraid that they will be called upon to do squad 'dust,'" said Mr. Beckwith. "For this is not to be a drill organization. Also it will not be used in favor of any class."

Men joining the proposed reserve will only be available for duty in Portland, and then only when in the opinion of the governor there is need of such an organization, according to Mr. Beckwith.

Others Speak on Topic. The civilian reserve also formed the topic of an address delivered before the Sons of Veterans at the courthouse by Franklin F. Koresl. The same subject was treated in an address before Rose City camp, Woodmen of the World, by J. R. Bain.

The addresses were a part of the campaign now being started by the American Legion for the organization of a civilian reserve in this city of 15,000 to 20,000 members. The work, which is in other parts of the city, headed by James W. Crawford, is now being outlined for a thorough canvass of the city, and business hours for the securing of enlistments, it was announced yesterday by Mr. Crawford.

"The plan is to put a man in charge of securing recruits in every large building or business house or factory in the city," said Mr. Crawford. "In this way we are to cover the city thoroughly within the course of the next few weeks."

Military Experience Unnecessary. Able-bodied men between the ages of 18 and 45 are eligible for membership in the reserve, which is not to be made in any way a military organization. It is not necessary to be a member of the American Legion or a former soldier to be eligible.

The big plan, according to Mr. Crawford, is to have the organization as a big moral force to combat Bolshevism and lawlessness. It is not proposed to use force to break strikes.

Addresses scheduled for today include one tonight before Webfoot camp, Woodmen of the World, by Lieutenant Harold C. Jones. There will also be a speaker today at the 1915 assembly of the James John High school.

Enlistments are now being accepted at the headquarters in the Liberty temple and it is expected to have at least 1700 by Monday, when the first check is made, Mr. Crawford said yesterday.

### THE DALLIES PERKS UP CLUSTER LIGHTS PROPOSED FOR MAIN STREET.

Chamber of Commerce Announces Plans to Change County Farm Into Fair Grounds.

### THE DALLIES, Or., Oct. 30.—(Special.)—Cluster lights will be installed along Second street in main thoroughfare of The Dalties, and plans have been made to secure the county farm west of the city, near Gratiot.

Wasco county fair grounds, it was announced by the local chamber of commerce. The city lights will be lighted with three clusters to each block. Blinx Burgett, L. A. Schanow and Mayor Stadelman compose a committee to decide upon the main lights to be used. The fair board, consisting of J. C. Johnson, J. M. Patterson, F. M. Taylor and E. Gratiot, will petition the county court for the rental of the farm.

Every effort will be bent in the future toward making the local county fair one truly representative of the entire county. Stock raising has been clamoring for an adequate place where stock might be exhibited. Under the proposed arrangement the livestock pavilion will be built, giving the breeders in this section opportunity to exhibit their stock and also sell to the Portland trade.

Miss Prudence Patterson, for the past several weeks acting temporary secretary for the local chamber, was last night elected as permanent secretary until the spring of next year.

### SUFFERED TWO YEARS

"For about two years I suffered with malaria fever and bad blood, trying everything that was recommended to me without benefit. Finally someone told me about 'Number 40 for the Blood' and I purchased a bottle from our merchant Mr. Walter Page, and it did me so much good that I kept on taking it, using it all the while. Today I am feeling fine and do not hesitate to recommend it for any trouble for which it is recommended.

"You are at liberty to use this letter any way you desire, for I know what Number 40 is."

H. L. BURNETT, Wakulla, Fla. "Number 40 for the Blood" is compounded from ingredients set down in the U. S. dispensatory and other authoritative medical books as follows:

"Employed in diseases of the glandular system, in rheumatism, scrofula, eczema, skin diseases, constipation, stomach and liver troubles, chronic rheumatism and catarrh, mercurial and lead poisoning, under its use nodes, tumors and scrofulous swellings that have withstood all other treatment disappear. Sold by medicinal."

with Police Sergeant Crane and Officer Wiley down the Macadam road he did not realize that he was racing with officers of the law.

The result was that he was given \$100 fine and seven days in jail by Municipal Judge Rossman yesterday.

H. Harrington, a companion of Harrington, received a \$50 fine and seven days on a charge of drunkenness, was Harrington's sporting instincts which got the best of him when the two officers passed him in the motorcycle steamer. So he speeded up to about 40 miles an hour and passed the officers in turn. The two officers then gave chase and after some difficulty overhauled the two men in the machine.

Sergeant Crane testified in court that Harrington had been drinking and they had some liquor with them.

The arrest was made about 2:30 o'clock yesterday morning and charges of after hours also were placed against the two men. These charges, however, were continued for sentence by the judge.

D. DeGastina, who was arrested by Officer Anderson on a charge of speeding, was fined \$30 and given 15 hours in jail.

### LIQUOR IN AUTO SEIZED 90 GALLONS SHERIDY AND 15 OF PORT JAMMED IN CAR.

Men Who Drove Machine From California Arrested With Owner of Farm Stopping Place.

Ninety gallons of sherry and 15 gallons of California port wine were found in kegs, jammed in the tonneau of an eight-cylinder automobile driven from San Francisco by C. V. "Blackie" Dudley and Oscar Lund, when Deputy Sheriff Christofferson, Schirmer and Kendall swooped into the farm yard of A. Malston, near Fairdale on the Shattuck road, yesterday afternoon.

Malston, who operates a shoe repair shop at Sixth and Oak streets, was taken into custody immediately, and Lund and Dudley arrested later in Portland. Some liquor and numerous whisky bottles bearing 1918 and 1919 seals were discovered in Malston's home.

Malston said that the two men from California drove into his yard because of a breakdown on the road and borrowed an automobile in which to come to Portland. The officers say they have evidence that Lund and Dudley stopped at the Malston farm on two prior trips made with loads of liquor.

The autoists are well known to the authorities and have been under suspicion for some time.

Three 30-gallon kegs of sherry and three five-gallon kegs of port were confiscated.

### WOMAN'S LEAP IS FATAL ROSE MILLER DIES IN ATTEMPT TO EVADE POLICE.

Fear of Arrest Causes ex-Inmate of Washington Penitentiary to Make Bolt for Freedom.

Rose Miller alias Mrs. Rose Booser, who threw herself from a second-story window at the Berkeley lodging house, Thair and Taylor streets, in Portland yesterday, apparently fearing arrest because her two men companions were being questioned by City Inspector Wright, died at the Jefferson street, a brother of the girl took charge of the body.

The girl had suffered a fracture of the pelvis and probable internal injuries as a result of her 30-foot fall. The body was turned over to Deputy Coroner Joe Gostech, who announced that there would be no inquest. Later William Miller, 307 Jefferson street, a brother of the girl took charge of the body.

"Portland never has looked so good to me as it does now," said Louis F. Swift, president of Swift & Co., who is domiciled at the Portland hotel for a stop of several days while looking after local interests of the corporation, who is making steady growth in industrial development and it is gratifying to hear of the new

manufacturing plants that are being established here. It appears to me that Oregon is sharing fairly in the activity that is prevailing throughout the country.

### Apple Demand Exceeds Supply.

ROSEBURG, Or., Oct. 30.—(Special.)—The A. Rupert Canning company of Portland, has written the Pomona Growers' association in an effort to secure a large amount of Douglas county apples for canning purposes. The local canner is taking nearly all the available fruit, but an attempt will be made to furnish the report company with about four carloads of bulk apples. Early September rains so increased the size and quality of the apples in the district that the greater part were of a sufficient size to be sent to the eastern markets.
