THE MORNING OREGONIAN, TUESDAY, NOVEMBER 4, 1919.

Meehan Has Indian Sign.

As Mechan holds two decisions over Dempsey and has the Indian sign on the titleholder naturally he was the opponent suggested despite was the opponent suggested despite that fact that he has been beaten by mediocre boys on the Pacific coast the past few months. Each cast they don't hear all about his bouts with Ole Anderson and Bill Larue and no doubt would fail hard for the bout. This fellow Mackay, who is match-maker of the Newark Sportsmen's club is evidently like the general run of boxing managers and matchmakers and is out for all the "bees and honey" he can garner. As soon as

honey" he can garner. As soon as Kearns and he got talking over Mechan, Mackay telegraphed Willie at once dealing directly with him figuring to make the manager's cut 25 per cent or more as well as his and as the promoter, which probably would not be much, figuring the amount he will have to fork over to Dempsey. Mechan fell for Mackay and jumped at the chance for the bout. Later Dem Gay and a few others began to get telegrams sup-nomedly from Mackay as to Machania

T. posedly from Mackay as to Mechan's theater. ekay offered Mechan personally

\$1000 for every round he stayed with the champlon. Mechan was more than willing to fight Dempsey and also agreeable to Mackay handling him in that one match, but when he received the terms balked, direction of Phillip Pelz.

Mechan had the following to say in San Francisco Saturday. "Why should I agree to take \$1000 a round for fighting Dempsey? Supposing I should knock him out in a round. I wouldn't get expense measy.

ful of groceries she carried, the rob-ber bade her a courteous good night, after replying that he wasn't looking for crackers and canned goods. Mrs. McFariane was on her way home from the corner grocery at S o'clock last night, when the hold-up occurred. The man approached her in the darkness, at Boston avenue and Lombard street, and caught her, by the shoulders. Whirling the woman around he pressed, a revolver against her side and demanded her money. "I haven't any money with me," an-swered Mrs. McFarlane. "I've nothing but these groceries." "Well," said the footpad, dropping the muzzle of his revolver, "I haven't

the muzzle of his revolver, "I haven't any use for them. Good night." A few minutes later Mrs. McFarlane telephoned a report of the affair to police headquarters, as another para-graph in the chapter of recent street robberies.

TO KEEP OUT OF MIX-UP.

Resolution Against Use of Public Auditorium for Address Defeated by Vote of 90-54.

Portland post of the American

Legion refused to mix in the Irish question last night, when, by vote of 90 to 54, it voted down a resolution presented protesting against the permission given De Valers, so-called president of the "Irish republic," to

while sick soldiers were finger tips with the bitter cold, stcamfitters sup-posedly equipping the wards with steam heat were gambling and warm-ing themselves over their gasoline torches. Poole told the committee. He asserted that the weather was so cold president of the "frish republic," to use the public auditorium for an ad-dress when in Portland. The resolution was presented on the patriotic issue that De Valera had openly aided Germany in many ways during the war and was now engaged in an attack on Admiral Sims, but was turned down offer all society. torches, roote told the committee. Its asserted that the weather was so cold the nurses wore their furs when they tended the sick, and the doctors wore their sheepsin lined coats and the patients had no heat whatever. in an attack on Admiral Sims, but was turned down, after all varieties of Irish and other sympathizers had been heard from, on the grounds that the meeting did not concern the American Legion; that it was not openly anti-American, and that the issue involved the right of free spreach.

Foreman Calls Attitude Disloyal. Poole, who was employed by the A

Poole, who was employed by the A. Bentley & Sons company of Toledo, as a carpenter foreman at the base hos-plial, characterized the attitude of the steamfilters as "disloyal" and the "worst" he had ever seen. « Games of chance were worked among the men, he declared, and two or three days every week somebody would come around and have the men buy chances on automobiles, wrist sphech

"It is our own campaign made through the Red Cross." declared C. R. Peck, chairman of the post, in a plea made for co-operation of all members of the post in the coming Red Cross membership drive, opening Thursday. "We have not the means to care properly for our com-rades who are ill in hospitals in this city and all over the state. The Red Cross is prepared to handle this work, and will if properly supported in the campaign." buy chances on automobiles, wrist watches, and other things, he suid. "That was a graft worked by some-body," he declared.

Mr. Backus Places Closed Time From November 30 to April 1.

HOOD RIVER, Or., Nov. 3 .- (Spe-sal) - A letter received by Earl

Clain-A letter received by Earl Franz, local sportsman and member of the Hood River Game Protective club, from Walter F. Backus, secre-tary of the Multhomah Anglers' association, has cased the uncertain minds of local fishermen on the angling laws adopted by the last legislature

aws adopted by the hast tegislature on taking salmon trout. Mr. Backus states in his letter that the new game code provides for a closed season on trout of all species and sizes, beginning November 30 and extending to April 1. Sportsmen, however, will be prohibited from tak-ing mature season to trout of ing mature sea-run salmon trout at no time where the fish have reached a length of 15 inches. Salmon trout fishing is at its best here in the winter months
