The first period was a kicking contest between Hill of Benson and Johnson of Columbia, with the honors ab ut evenly divided. Both the lanky center, who does the kicking for Columbia, and Fuliback Hill, who sends them away with his south hoof for Benson, got off some good punts. In the second period Benson put across the only score of the game when, with only a few minutes left to play, Coach Billy Bryan's boys worked the triple pass which brought home the bacon for the Mechanics. At the start of the second half Columbia opened up and a pass, Douglas to Tony Dwyer, started the ball toward the Benson goal line. After an exchange of punts. Benson started on a drive towards the Columbia goal. A pass, Hill to Maison, netted the Mechanics 15 yards, and with Fullback Hill smashing through for good gains they worked the ball to within seven yards of Columbia's goal line. An offside penalty set the aggressive Benson boys back five yards and on the next play an incompleted forward pass over the goal line gave the pigskin to Columbia on the 20-

game the ball see-sawed back and forth across the center of the field. Coach George Dewey kept Burst Douglas and Captain Charley Lake, two of his regulars, out of the game during the first half, but was forced to use them in the second session in an effort to turn defeat into victory. For Columbia George Bine-Beard McKiel and Murdock showed up well in the backfield while Johnson and Tony Dwyer played well on the line. Hill and Captain Eind showed to good advantage in the winners backfield while Maloney, Kleinau and Falls starred on the line. The summary.
