ARMISTICE DAY.

Independence is the inalicable right of every American citizen. These are days of modernism, of progression. In medieval times people were virtually slaves, leaving their tiny plot of ground, subject to the whims of their wealthy incided. He could, without notice, deprive them of even this meager means of livelihood. Such conditions still exist in European Countries today. But we in America staked our lives, wealth and everything but our houor to be free. But are we all free? No. You cannot be unterly so unless you OWN YOUR OWN HOME. Why not join that vast, rapidly widening army of home-loving, home-buying Americans? Armistice day marks the celebration of peace and universal freedom. Let the McGUIRE SYSTEM point the way to individual freedom and happiness.

THE McGUIRE SYSTEM makes home buying easy. You can come to this office and see over 600 photographs of homes for sale, arranged in their respective districts with full description. Every home has been appraiser; some remarkable bargains. That is why we sold over 750 homes since January 1, this year. I? experienced saleamen with autos at your service. SEE FRANK L. McGUIRE
