## LET CHURCH PAY WAR DEBT, BRITON'S PLEA

OTHER ASSETS URGED.

Bold Proposal Made by Editor of Financial Journal Is Attracting Much Attention.

LONDON, Nov. 12 .- (By the Assocluted Press.)-Observers of Great Britain's financial problems attach significance to a suggestion made reently that the main burden of paying off the huge national debt created by the war should be laid upon the Church of England and the Church of Scotland, particularly upon the former. The proposal is that all'their property, including Westminster Abbey, should be sold and converted into cash for the relief of the debt-af-

The attention attracted by the idea due largely to its source, it being prought forward by the Statist, one of the widely read journals of finance Federal and State Officials Are and trade. The writer of the article asserted that the annual interest charge of \$500,000,000, which he estinates England is facing, will hang like a millstone around the nation's eck unless some means is found to get rid of it.

Hence the necessity of making a

EMERGENCY MEASURE.

Municipal Finances Averted by Action of Electors.

The emergency 2-mill tax meas of the Columbia, a site of 2500 acres ure, submitted at the special city ers at \$100,000, must be donated to Complete returns from 353 out of 380 precincts gave the measure a major gram received Tuesday from Repre- ity of 2541 votes, 8821 having beer sentative C. N. McArthur by B. F. cast in favor of the proposal and 6280

> The vote was said by city officials to have been the lightest cast at any recent city election, although the late returns indicated a heavier vote than earlier reports had indicated.

The largest vote was cast between closed. In many of the precincts lesthan 20 votes had been cast prior to 5 o'clock, but complete returns showe Hickson, who recently visited this letration figures showed that the vote Democrats About to Be Caught in cast was about 25 per cent of the registered strength of the city. Deficit Is Prevented.

The measure was presented to the oters by the city council when it was found that the city was facing a decosts of materials and labor and decreased revenue to the city from various sources were held responsible for the financial stringency of the

Because of the lack of funds, the ampaign conducted by the city was gion at Centralia, Wash. confined to addresses and talks by nembers of the city council and city employes and invitations to all civic organizations, clubs and individuals to study the city's books to learn the city's financial difficulties. Following searching investigations indorsements were returned in favor of the measure, and this feature of the campaign is crediated by city efficials in bringing about the victory scored at the polls yesterday.

Smull Vote Cast.

The vote yesterday was the smallest cast at any recent city election, according to city officials. Election officials began bringing ballot boxes to the city auditor's office 15 minutes following the closing of the polls and from that time on until midnight a steady string of officials with returns entered the office. Probably the smallest vote was cast

at the precinct at 34 Eleventh street north, where but six votes were cast. five in favor of the special levy and one against. Here not even all the franchise and thus probably gained the record for the lowest vote cast

Honors for the strongest affirmaive vote were divided between precinct 140% at Brooklyn and precinc An exceptionally light vote was for its leniency in dealing with rad-

cast in the hotel district, as is shown icals. He said: in the case of the precinct at the (Concluded on Page 2, Column 4.)
