

DUKE KAHANAMOKU IS CALLED TO THE RESCUE

Honolulu Sports Writer Has Sharp Pen for Swimmer.

BACKBONE WEAK, CHARGE

Hawaiian Taken to Task for Refusal to Compete With Ross and Others at Recent Meet.

BY HARRY EDDAS.

Duke Kahanamoku, one of the greatest swimmers ever produced, is decidedly in "dutch" in the islands as the result of his refusal to take part in the competition against Norman Ross, "Stubby" Kruger and other stars who competed in the recent meet in Honolulu.

While the duke was in this country last year he did not take part in any real races and when he did tackle some outside competition he insisted on handicap races only.

HILL RALLY BEATS FRANKLIN KICKERS

Pass and Sprint Break Tie Lasting Three Periods.

GAME SAVAGELY FOUGHT

Neither Squad Has Success Until Break Near Final Whistle Gives Cadets Touchdown.

Intercollegiate Football League Standings

A 15-yard pass from Irve Day to Al Berger which the feet-footed left end made good for 50 yards when he crossed the goal line in a 25-yard run through a broken field brought a 6-to-0 victory to the Hill Military Academy eleven in its clash with the Franklin high team, yesterday in the annual game.

For four stubbornly and savagely-fought quarters the eleven surged back and forth across the field with the tide of battle ever changing and favoring the Cadets.

At the start of the second period Robinson Hill right end, intercepted the ball and kicked it into the hands of the Quakers' 20-yard line.

Churchill Makes Run. Harry Thomas punted from behind his own goal line and Quarterback Churchill made a nice return to the 15-yard line before he was upset.

With only a few minutes left to play in the fourth quarter, Churchill attempted a place kick from the 25-yard line, but the pigskin went the wrong way.

Cook Breaks Loose. On the first play after Hill had kicked off at the start of the second half Cook, who replaced Harry Thomas in the Franklin backfield, got away with a swinging run around the right wing and advanced the ball 20 yards before he was tackled.

Fumbles, intercepted passes and punting furnished plenty of thrills for the spectators at the start of the last period and with only five minutes left to play it began to look as if the contest would end in a scoreless tie.

In a last minute effort to even up the score Franklin began a barrage of forward passes from the center of the field and after four of the aerial shots had connected the ball was sent on the Cadets' five-yard line.
