

O'DOWD OUTFIGHTS GIBBONS FOR TITLE

Throngs Pay \$40,000 to See Middle Box.

LATTER ROUNDS FURIOUS

Holder of Crown Awarded Fight on Showing Made in Closing Stages of Battle.

RINGSIDE, St. Paul, Nov. 21.—Mike O'Dowd, middleweight champion, and Mike Gibbons, the St. Paul phantom, fought a terrific bloody ten-round bout tonight.

The fight was so close that any one seemed entitled to his opinion. O'Dowd outlasted Gibbons when the phantom threw caution to the winds and fought the champion. When Gibbons resorted now and then to his famous boxing tactics he made O'Dowd miss again and again.

From the opening round it was evident that the two St. Paul fighters were determined to give the crowd a standing feud by a knockout if possible. Gibbons at times amazed his followers by deliberately taking stiff punches from O'Dowd in an effort to land his dreaded right cross.

Early in the fight O'Dowd's right opened a deep cut over Gibbons' eye, and from then on Gibbons fought under a handicap. Gibbons had a slight shade at the start of the sixth round, but in the opinion of some sport writers he lost this lead when he tried to outland the champion. O'Dowd seemed the stronger when the fight was over. The crowd gave O'Dowd the warmer reception.

Gate placed at \$40,000. Promoter J. E. Reddy estimated the total receipts to be slightly more than \$40,000. Gibbons received 80 per cent of the gross receipts, out of which he paid O'Dowd \$15,000. Gibbons also had the motion picture concession and agreed to give O'Dowd 25 per cent of the film receipts.

Examination of Gibbons' right hand showed it was badly bruised and possibly some of the bones were broken. Gibbons said he hurt it in the sixth round and put it out of commission in the eighth. George Barton, Minneapolis, and Ed L. Shave, St. Paul, sport writers, who acted as secondary referees, both gave the fight to O'Dowd. Sport writers were agreed upon one thing—that Gibbons is far from the fighter he was three years ago.

The greatest "money crowd" that ever gathered in the St. Paul auditorium filled the spacious building tonight to watch Mike O'Dowd, the title-holder, and Mike Gibbons, the phantom, both of St. Paul, clash in a 10-round battle for the middleweight championship of the world.

When Gibbons entered the ring at 9:25 o'clock it was estimated that the receipts were about \$40,000. O'Dowd followed at 9:35. Both fighters were given tremendous applause.

A flood of light for the motion picture was turned on as the two fighters examined each other's hands in the middle of the ring. O'Dowd announced that both fighters were under a stipulated weight of 150 pounds.

Curley Ulrich of St. Paul was introduced as official referee, while George Barton of Minneapolis and Ed L. Shave of St. Paul, sport writers, who were selected as judges, occupied seats at the ringside.

Pauley Macgregor was the only ring notator who was introduced besides the principals. McFarland told the crowd that he had decided to watch the fight because he had intended to fight again but he would lose the little brains he had left.

The fighters were called to the middle of the ring by the referee at 9:45.

First Round Is Tame. Round 1—The men clinched and Gibbons forced O'Dowd to the ropes. O'Dowd landed a right hand to the body. Gibbons made no effort to box the champion, but stood toe to toe and slugged. Gibbons made O'Dowd miss and landed several light blows in return. A tame round.

Round 2—O'Dowd drove two rights to the jaw, Gibbons landed a right cross. O'Dowd was cautioned for hitting in the clinches. Gibbons began to box and clinch and O'Dowd missed again and again. Gibbons landed right and left to the jaw and his speed puzzled the other Mike. Gibbons' round.

Round 3—Gibbons landed a left to the jaw and O'Dowd missed one. Gibbons landed a right hand to the jaw and O'Dowd missed one. Gibbons landed a right hand to the jaw and O'Dowd missed one. Gibbons landed a right hand to the jaw and O'Dowd missed one.

Gibbons Takes Fourth. Round 4—Gibbons bored in and seemingly made no effort to box O'Dowd's swings. In an effort to get close to his opponent, O'Dowd swung a cross and landed twice. They traded swings and light blows in return. Gibbons again opened the cut over Gibbons' left eye. O'Dowd landed a stiff right to the jaw. Gibbons responded with a right uppercut to the jaw. Gibbons' round.

Round 5—Gibbons landed right and left to the jaw. O'Dowd missed. O'Dowd drove a terrific right to Gibbons' eye, which staggered the phantom. O'Dowd landed a straight left to the head and drove Gibbons to the ropes. Gibbons was bleeding badly. O'Dowd drove Gibbons into the latter's corner. O'Dowd was outfighting Gibbons. O'Dowd's round.

Round 6—The fighters took things easy at the start. Gibbons landed a right uppercut to the jaw and they clinched. O'Dowd began to box again. Gibbons began to outbox the champion. For the first time during the fight Gibbons responded with a clever footwork. Gibbons' round.

Seventh Called Even. Round 7—O'Dowd drove to rough it and Gibbons kept away from his heavy swings. Gibbons stopped O'Dowd's rush with a left to the jaw. Gibbons landed on O'Dowd's neck. O'Dowd landed a right hand to the jaw and Gibbons responded with a right hand to the jaw. Gibbons' round.

Round 8—The fighters bathed in considerably. Gibbons hooked a right to the jaw. O'Dowd landed two lefts to the jaw. O'Dowd landed two more right blows. O'Dowd sank his left into Gibbons' stomach. Gibbons landed a right squarely on the jaw. O'Dowd battered Gibbons into a neutral corner. O'Dowd's round.

Round 9—Referee Ulrich's silk shirt was spattered with Gibbons' blood. Gibbons began to force the fighting but O'Dowd again opened Gibbons' left eye and sent Gibbons to the ropes. O'Dowd kept on top of Gibbons and

kept the phantom busy. O'Dowd crashed a right to Gibbons' jaw. At this stage of the battle O'Dowd had a slight lead. They traded wallops. O'Dowd landed two straight lefts to Gibbons' round.

Round 10—They shook hands for the final round. Gibbons hooked a left to the jaw. Gibbons again beat O'Dowd to the punch. O'Dowd spit blood as he backed into Gibbons' corner. O'Dowd missed two blows to the body. Gibbons summed O'Dowd's stomach. The men seemed tired and clinched. Gibbons landed a left to the jaw. The men were fighting viciously when the final bell rang.

FANS FLOCK TO ST. PAUL

Many Cities Send Delegations to Gibbons-O'Dowd Bout.

ST. PAUL, Nov. 21.—Delegations of boxing writers and fight enthusiasts from many cities arrived this morning and paraded behind a band, while Middleweight Champion Mike O'Dowd and Mike Gibbons were making final preparations for their 10-round bout tonight.

Comparative statistics indicate there will be practically no difference in the weight of the two fighters. Gibbons has the longer reach while O'Dowd is more rugged and is considered stronger. Each declared he intended to force the fighting.

Total receipts will be about \$40,000. Gibbons will receive 80 per cent of the gross. Of this sum, he will give O'Dowd \$15,000. Gibbons will receive 80 per cent of the gross. Of this sum, he will give O'Dowd \$15,000.

Only a knockout of O'Dowd can place the crown on Gibbons' head. The referee was the host in the opinion of Minnesota law. Gibbons is 32 years old. O'Dowd is eight years his junior. Gibbons ruled a 10-to-7 favorite today.

FARMER BEATS WELCH

PRIDE OF COAST WINS IN WALK IN TACOMA BOUT.

Next Opponent Will Be "Boy" McCormick in Portland—Harold Jones Trims Eddie Quinn.

TACOMA, Wash., Nov. 21.—(Special.)—Beating Joe Welch of San Francisco was just like sitting down to the table at the start of the sixth round. Our own Frank Farmer, pride of the coast light heavies, last night.

Farmer worked on Welch's face in terrific fashion and the latter was nearly blind at the final bell. At no time could the Californian cut into the steady winning pace set by the Tacoma man.

The local man left the ring unmarked, the mill being merely a good workout. He resumes training tomorrow for his 10-round go in Portland Tuesday, with "Boy" McCormick, an English light heavy.

In the six-round semi-windup, Harold Jones, Tacoma lightweight, defeated Eddie Quinn, Portland, in a rather tame fight. Jones was too clever and piled up a good lead in the early rounds. He was downed by Frank Zink and Charley Davidson, feather, fought a sensational fight. Zink shagged Davidson but getting a draw for his efforts. Pink Mason and Louie Leonard tangled, Mason receiving the call.

At the University of Washington, Grant Randells and Andy Curtis, middleweights, fought a draw.

High School Squad Wants to Try Skill on Jefferson.

LA GRANDE, Or., Nov. 21.—(Special.)—What may be La Grande's last game this year was played today against Elgin, when the locals won 24 to 9. The team has the distinction of going through the season without being scored on. The management here is now endeavoring to have Elgin abrogate its contract with Jefferson high of Portland, that the Portlanders may play a road contest for the state honors on Thanksgiving.

The Portland school is booked for Elgin, but Elgin having been eliminated from the championship, is not a contender. It is not known whether Elgin will give away. It is understood it is immaterial to Portland.

Coach Billy Bryan's Benson Tech seven had little trouble in defeating the High School of Commerce team yesterday afternoon on Multnomah field, by the score of 27 to 7. Commerce scored their only touchdown of the season when "Peanuts" Pander twisted his way through the center of the line in the last few minutes of play.

Kenneth Hill, Benson's plunging fullback, found little opposition in the Bookkeepers' line and ripped through the Commerce first line defense for big gains. It was only when the Commerce team was fighting on their own goal line that they put up any resistance. Two of Benson's touchdowns came by the air route, while two were made on line plunges.

The Mechanics scored after a few minutes of play in the first period after they had waded down the field with Hill, Lind and Scott alternating in carrying the ball. Quarterback Etchells slipped through the center of the line for the score and Hill converted the goal kick.

A pass from Hill to Maloney which was made good for 20 yards, put the Commerce team on the start of the second quarter for another touchdown. Hill made the count 14 to 0 by kicking the field goal. Two of Benson's touchdowns were scored in the second period. COMISKEY HITS AT BAN

WHITE SOX BOSS OPENS WAR ON LEAGUE HEAD.

"Old Roman" Classes Johnson as "Impediment" and Desire to Wreck Baseball.

CHICAGO, Nov. 21.—Open warfare between President Ben Johnson of the American league and the faction composed of Charles A. Comiskey, owner of the Chicago club, Harry Frazee of Boston and Colonel Jacob Ruppert of the New York club, flared up tonight when Comiskey issued a statement charging President Johnson with endangering the integrity of baseball.

"We have reached the conclusion," Comiskey said, "that Mr. Johnson is endangering not only the value of our properties, but the integrity of baseball, and we therefore intend to do everything possible to rid organized baseball of the impediment which is now attached to it."

Mr. Jacob Ruppert of New York, Mr. H. H. Frazee of Boston and Mr. James Dunn of Cleveland and myself are the present directors of the league. We are the owners of properties worth at least several million dollars. Mr. Johnson has no property interests in the American league or in any of the individual clubs constituting that league. It is fair to presume, therefore, that we are interested in conserving the properties in which we are vitally concerned.

Comiskey said the board of directors had attempted to inquire into President Johnson's "perpetual franchise" but that President Johnson at no time appeared before the directors to answer a winner next season. He said the board of directors issued a call to be held in New York December 10 which was ignored, "because Mr. Johnson had not seen fit to issue a call for the meeting."

MURPHY DEFEATS GOOD

OLYMPIC BOXER WINS FIRST BOUT AS "PRO."

Ex-Amateur's Left Proves Too Much for Sammy, Who Never Has Chance to Show.

SAN FRANCISCO, Cal., Nov. 21.—(Special.)—An attack of ptomaine poisoning that has made Earl Young Murphy low at the last moment interfered with the main event on the Dreamland rink programme last night.

It didn't matter with the crowd. Fred Murphy, Olympic club lad and amateur, stepped off to a flying start in his first professional match, one that happened to be the main number on the bout. He fairly left-handed Sammy Good into a defeat, winning so far off by himself that it was hardly a contest. Murphy was never faster in his amateur career than last evening when he joined the "pros."

The Olympian put up a heady battle, played safe when there was anything coming his way and never appeared to be in danger. Good was slow, his punches were late and he looked slow.

Other results: Earl Young defeated Frank Oldrich in a slugging affair. Rex Morris knocked out Jack Rose in the first. Stanton beat Jack Brennan. Jack Rose stopped Jack Rushing in the first. Ad Remmy knocked out W. Reese in first. Joe Fox knocked out Alex Ford in second.

SECOND SACKER PICKED TO MANAGE SIWASHES.

Sound City Directors Decide to Give Home Talent Tryout as Head of Ball Team.

SEATTLE, Wash., Nov. 21.—(Special.)—Clyde Wares, the diminutive infielder of the 1919 Reapers, is the new manager of the Seattle ball club.

The selection of Wares presages a new policy for the local club. Last season the owners hired the "miracle man of the minor leagues" to manage the team, dressed the ball park up in a new coat of paint, but forgot to get a new club. From now on the directors will concentrate their energies upon assembling a team of players, which was why Wares, who is yet to win

his spurs as a leader, was given the job as skipper. The directors are sincere in their intention to get a winner next season. President Klipper will leave for the east as soon as Wares arrives and will score the major for men who can assure the club a first division berth.

SEATTLE, Wash., Nov. 21.—(Special.)—Authority of international President Berry, James Brooks, international organizer, ordered off the strike of the pressmen in job printing plants in Seattle at a meeting of members today. The meeting, however, refused to abide by the order and voted to hold off another ten days before returning to work.

Brooks read Berry's telegram, which said the international could not sanction the strike and that Brooks might use the message as authority for ordering the men back to work. Brooks declared that so far as the international was concerned the strike was off.

SHIP CONTROL MAY SHIFT

SHIPPING BOARD CONSIDERS NEW EFFICIENCY PROPOSAL.

One Firm Instead of Two to Have Combined Duties of Manager and Operator.

SEATTLE, Wash., Nov. 21.—(Special.)—Plans are being considered by the division of operation of the United States Shipping board, it was learned today, for a change in the system of unloading, manning and dispatching carriers owned by the government, by which the duties of manager and operator will be combined under one firm instead of being divided between two shipping corporations, as has been done on numerous occasions in the past.

In its allocation of carriers the shipping board in many cases has assigned vessels to one firm as manager and to another firm as operator. This plan has been found to be inefficient and has resulted in delays which could have been avoided if one firm had been acting as both manager and operator, say representatives of the shipping board in the east. It is now proposed to assign government vessels only to such firms as can act both as manager and operator.

The adoption of this plan would mean that only firms that have a port organization will be in a position to accept the assignment of shipping board carriers.

The status of a manager for a shipping board vessel corresponds to that of the owner of a vessel. A firm or corporation so designated must furnish the crew and the ship stores, pay the wages of the crew and keep the vessel in condition for efficient service.

The operator of a shipping board vessel furnishes the fuel and cargo, leads and discharges the vessel and pays all pilotage, port dues or other charges incident to the operation of the carrier. The manager is paid \$400 a vessel for the first five vessels, when the compensation becomes \$350 a vessel. The operator receives a percentage of the gross earnings resulting from the transportation of the cargo.

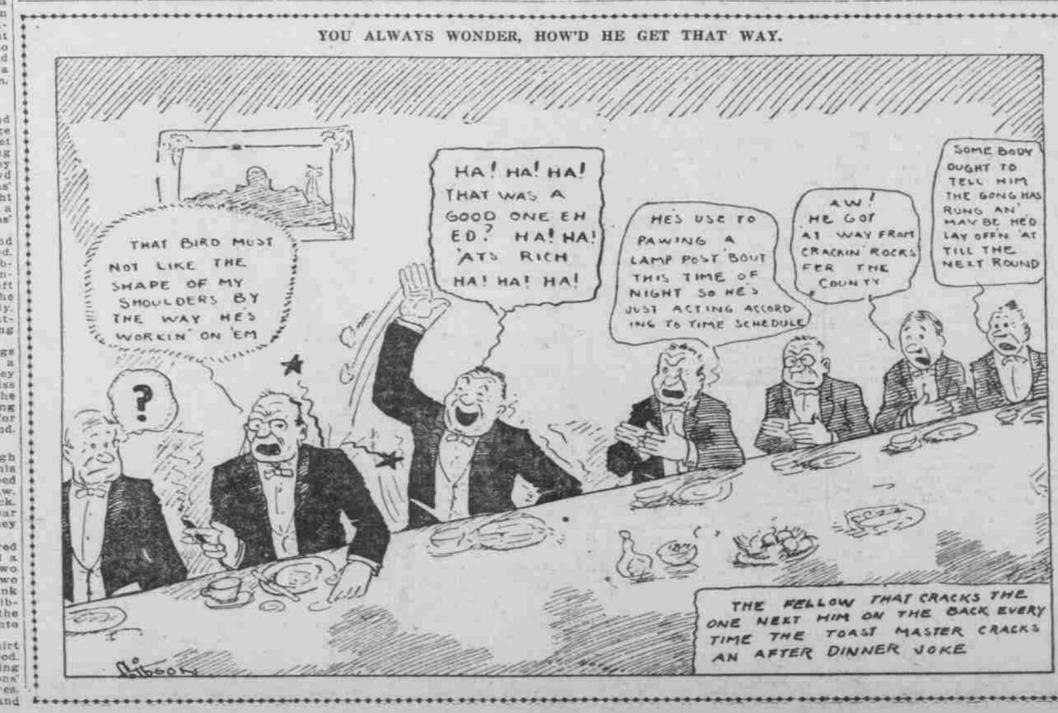

WALLACE, Idaho, Nov. 21.—Two miners, James Collins and Jacob Delmar, were buried in a cave-in which occurred at the Gold Hunter mine at Mullian today while engaged with other miners in attempting to rescue P. P. Grant and Emil Saylor, fellow miners, who were imprisoned by a cave-in last Saturday. The men are dead.

Collins and Delmar, according to members of the rescue party, were caught by loose earth. Heroic efforts have been made since the cave-in last Saturday to rescue the men. It is said signals have been received from the imprisoned men.

R. B. Edgerton, representative of the United States bureau of mines, is here from Seattle directing the work of attempting to rescue Grant and Saylor and recover the bodies of Collins and Delmar. Actually the entire force of miners in the Coeur d'Alene district is assisting.
