

PROSECUTORS PLAN WAR ON RADICALS

Washington Authorities Gather in Secret Session.

LAW ENFORCEMENT TOPIC

New York Officials Institute Search for Plant and Editor of Red Newspaper.

SEATTLE, Wash., Nov. 24.—Formation of plans for co-operation of authorities in every county to stamp out radical activities in the state were taken up at the meeting of county prosecuting attorneys held here today.

Present at the session were Governor Louis F. Hart, Attorney-General Harvey J. Thomsen, District Attorney R. C. Saunders of Seattle and P. A. Garrecht of Spokane.

NEW YORK, Nov. 24.—State and city detectives are searching for the plant which prints the Communist World, a radical newspaper which continues to be printed secretly and circulated here despite anti-rad activities.

Another witness was Mrs. Rose Pastor Stokes, whose name, it was said, was signed to several blank checks found during a raid upon one of the Communist headquarters.

It is absolutely absurd to say that I have made large contributions to the left wing of the party.

WASHINGTON, Nov. 24.—Conviction in Washington state of Frank Shaffer on charges of violating the espionage act was in effect sustained today by the supreme court declining to review the case.

SEATTLE, Wash., Nov. 24.—Frank Shaffer of Everett, Wash., was convicted here in June, 1918, of violating the espionage act and sentenced to two years in the penitentiary. It was charged Shaffer, who was an officer of the International Brotherhood of Circulated copies of "The Finished Mystery."

LOWER POSTAGE FAVORED

Burleson Approves Proposed Cut in Local Letter Rate.

WASHINGTON, Nov. 24.—Postmaster-General Burleson has approved pending bills to reduce the rate of local first-class letter postage to one penny an ounce. A letter for delivery within the postal limits of the office in which it is mailed would take a 1-cent stamp instead of a 2-cent stamp.

The reduction of last July whereby letters went at the normal rate of 2 cents and postal cards to 1 cent, the postmaster-general says, resulted in a large increase in that class of mail and he believes 1-cent local letter delivery would not reduce the total postage revenue more than \$14,000,000 a year.

NEW FRATERNITY FORMED

Chapter of Phi Delta Kappa Established at Astoria.

ASTORIA, Or., Nov. 25.—(Special.)—Twenty-two members of the Oregon Alpha chapter of the Phi Delta Kappa fraternity installed the Oregon Beta chapter at Astoria.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation of the neck of the bladder, obliging you to seek relief two or three times during the night.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to cure.

Here you have pleasant, effervescent little-water drink, which quickly relieves bladder trouble.

COAL ISSUE NOW WAITS ON CABINET

ALASKA GETS \$7,000,000

Yield to States of \$18,000,000 for 1918 Also Reported.

SEWARD, Alaska, Nov. 24.—(Special.)—Federal appropriations for Alaska during the fiscal year 1919 total \$5,000,000. This includes an appropriation of \$2,500,000 for the government's Alaskan railroad project, and \$1,000,000 for coal mining for the war department.

LAKE SEARCHED FOR CREW

Submarine Chaser Assists in Hunt for Superior Wreck Victims.

SAULT STE. MARIE, Mich., Nov. 24.—Search of the water about the Parlihan islands was undertaken late today by the submarine chaser 438 and the tug Iowa in the hope of locating survivors of the wreck of the steamer Moran, which foundered off Whitefish point in late Saturday. No reports reached here of the findings of bodies or survivors, although several steamers which passed through the wreckage yesterday reported sighting members of the crew clinging to wreckage.

FARM PAPER IS FREE

Clackamas County Issue Is Devoted to Agriculture.

OREGON CITY, Or., Nov. 24.—(Special.)—The Clackamas County Farm Bureau News, a weekly paper devoted to the interests of the farmers of this county and edited by County Agricultural Agent R. G. Scott, made its first issue today. It is announced that the paper will be circulated among the farmers without cost.

Vancouver Unions Deplore Shooting at Centralia.

VANCOUVER, Wash., Nov. 24.—(Special.)—Slaves the I. W. O. shooting in Centralia, Wash., on Armistice day, nearly every union in Vancouver has adopted resolutions denouncing the shooting and obliging the members to do all in their power to punish the criminals.

Pastor Wins War Cross

Rev. E. A. Ballis, brother of Mrs. Eva Ballis Douglas and William Ballis of this city, has received the cross of guerre and a citation from Marshal Pétain, commander-in-chief of the French armies in the east, according to news received here.

COAL ISSUE NOW WAITS ON CABINET

Garfield and Secretary Wilson Are Not in Accord.

FALL IN COST FORECAST

Increases Granted Should Not Exceed Those in Cost of Living Over 1913 Base, Is View.

WASHINGTON, Nov. 24.—Settlement of the controversy over a new wage agreement in the bituminous coal industry tonight awaited action by President Wilson's cabinet.

Fuel Administrator Garfield, speaking to the joint wage scale committee of operators and miners, announced five principles which have "governed" him and his associates.

Garfield Statement Important.

Owing to the disagreement which had arisen as to the amount of the increase in the cost of living, and consequently the per cent of wage advance needed to meet higher living costs, great significance was attached to Dr. Garfield's declaration that "the average total increase in pay over the 1913 base, which was the base considered in 1917, should not exceed the present increase in the cost of living over the same base."

Operators construed this statement as in conflict with the contention of Secretary Wilson that miners should receive a 21 per cent wage increase to equalize the margin between present wages and a 79 per cent rise in living costs since 1914.

Pointing out that the campaign and prices were fixed for the purpose of stimulating production, Dr. Garfield declared that the public would not now pay the increase over normal profits allowed during the war.

The complete personnel of a committee named yesterday will be as follows: Marshall N. Dana, chairman, for the Ad. club; Dr. George H. Douglas, for the Rotary club; Ira Ridge, for the Progressive Business Men's club; Herman von Borstel, for the realty board; A. C. Newell, for the Civic league; H. A. Ely, for the City club; L. P. Hewitt, for the Kiwanis club; Dr. A. M. Webster, for the East Side Business Men's club; Ralph Watson, for the Press club; Richard Price, for the Hotel Men's association; John F. Dougal, for the Chamber of Commerce; George E. Jeffery, for the Musician's club; Dow Walker, for the Multnomah club; D. E. Bowman, for the Multnomah guard; and Miss Florence Prevost, for the Women's A. C. club.

ALL DOGS NEED TAGS

District Attorney Holds That Each Must Be Licensed.

ROSEBURG, Or., Nov. 24.—(Special.)—District Attorney Newell, in an opinion made public today regarding a law passed by the last legislature requiring counties to issue dog licenses, takes the position that it is necessary for persons owning dogs to obtain a license for each animal.

THIS IS WHAT CLEARED MY SKIN

If your complexion is red, rough and blotchy—if it is excessively oily or unnaturally dry—try Resinol Soap. It will help to heal your sick skin, and to enable you to have that clear, healthy complexion nature intended you to have.

When the skin is in very bad condition, a little Resinol Ointment, applied after bathing with Resinol Soap will usually bring more beneficial and quicker results.

For sale by all druggists and toilet goods dealers.

Discriminating men use RESINOL SHAVING STICK.

CRIME WAVE LAID TO STRIKE

Chicago Street Lamps Dark and Robberies Are Numerous.

CHICAGO, Nov. 24.—The strike of the soft coal miners was responsible in a great degree for the crime wave which swept over Chicago the past 48 hours, was the declaration made by Chief of Police Garrity tonight.

Forty holdups, 28 automobile thefts, three pistol battles and numerous safelings were reported to the police. Although there were 12 arrests, the criminals continue to operate.

COURT FINDS BABY MYTH

DECREE OF DIVORCE ISSUED IN SEATTLE ACTION.

Wife of C. D. Totman, Dentist Found to Have Filed Fraudulent Birth Certificate With City.

SEATTLE, Wash., Nov. 24.—(Special.)—By decree of the superior court today, birth certificate No. 5186, filed October 26, in the city registrar's bureau, and setting forth that a baby girl was born October 20 at 2626 Laurelhurst avenue, is held fraudulent and void.

Presiding Judge A. W. Frater, in granting a divorce to Dr. C. D. Totman, a Seattle dentist, from Mrs. Josephine Totman, ruled that the evidence had established a fictitious baby, which Mrs. Totman said had been born October 20, but of whose existence there was no proof.

Mrs. Totman was not in court. Dr. Totman's original complaint was filed July 7. He sought divorce on grounds of personal indignities, neglect and nagging. In her answer, Mrs. Frater, in denying all her husband's allegations and seeking a dismissal of the action, admitted the paragraph of the complaint specifying that there had been no children born of the union. However, on November 1 the husband learned that a birth certificate had been filed purporting to show that a baby had just been born.

The certificate was signed by Mrs. M. H. Barbour, who deposed that she had witnessed the birth. The husband denied the birth. Mrs. Totman's she could not see.

Counsel for Dr. Totman charged that if there was such a baby it had been "borrowed" for the occasion. Dr. Totman was unable to ascribe a motive for his wife's desire to appear as a mother.

CIVIC CLUBS PLEDGE AID

COMMITTEE FOR HOLIDAY CAMPAIGN NAMED.

Council of Presidents Decides to Co-operate in Move; Special Addresses Planned.

Every civic and commercial organization in Portland will co-operate in the holiday campaign, which is being sponsored by the Greater Portland association.

The council of presidents of the civic and commercial organizations, meeting at the Imperial hotel at noon yesterday, endorsed the campaign and pledged the co-operation of their various clubs in the carrying on of the campaign through speakers who will appear as the movement advances, before the various organizations.

The complete personnel of a committee named yesterday will be as follows: Marshall N. Dana, chairman, for the Ad. club; Dr. George H. Douglas, for the Rotary club; Ira Ridge, for the Progressive Business Men's club; Herman von Borstel, for the realty board; A. C. Newell, for the Civic league; H. A. Ely, for the City club; L. P. Hewitt, for the Kiwanis club; Dr. A. M. Webster, for the East Side Business Men's club; Ralph Watson, for the Press club; Richard Price, for the Hotel Men's association; John F. Dougal, for the Chamber of Commerce; George E. Jeffery, for the Musician's club; Dow Walker, for the Multnomah club; D. E. Bowman, for the Multnomah guard; and Miss Florence Prevost, for the Women's A. C. club.

BRIDGE REPORT IS MADE

COST OF MORRISON REPAIRS ESTIMATED AT \$31,000.

East Approach, Especially, Said to Be in Poor Condition; New Decking Is Recommended.

By the expenditure of \$31,000, for which provision is made in the 1920 bridge budget, the Morrison bridge can be made safe for traffic for at least ten years more, according to the report of W. A. Eatchel, roadmaster and superintendent of properties, made to the county commissioners yesterday following a personal investigation of the structure.

Immediate steps to repair the decking on the Morrison bridge were ordered by the county commissioners, as it was reported in dangerous condition, particularly on the east approach. This work will be attempted by Mr. Eatchel and a crew of county construction men. Extensive work will not be done until the plans of the state highway commission for putting the structure into shape are completed. Mr. Eatchel's inspection was made with the assistance of highway engineers. The floor system of the bridge must be rearranged, but this will take time, as stresses and strains must be carefully figured, it is asserted.

The roadmaster does not favor spending much money on the bridge proper before it is reinforced, saying that it would be a waste of money. Should it be decided to rebuild the Burnside bridge next year, remarks Mr. Eatchel, it would require three years of work before the bridge could be opened to traffic, during which time the Morrison bridge would be closed.

Japs Find Red Pamphlets.

YOKOHAMA, Nov. 24.—(Correspondence of the Associated Press.)—Bolshevik propagandist pamphlets printed in Japanese have been found in circulation in Japan.

Student Accidentally Shoots Self.

ALBANY, Or., Nov. 24.—(Special.)—An accidental self-inflicted wound in the leg just after he had recovered from a broken arm was the experience yesterday of Albert Bayne, Albany high school student who resides near Peoria. The injury was caused by the discharge of a small-caliber revolver while he was in a boat. At the beginning of the football season Bayne turned out for practice, but before any of the games he suffered a broken arm in a scrimmage.

13th Street Lot Brings \$7000.

Sale of a piece of property 35 by 79 feet in area on the east side of Thirteenth street, between Taylor and Salmon, by the trustees of Reed in-estate has been announced. The consideration being given as \$7000. The trust department of the Hibernian Savings bank has taken title to the property for a client whose name had not been disclosed and expects to erect a small building for business purposes upon the site.

Telegraph Company Sued.

A suit for damages against the Western Union Telegraph company was begun in federal court yesterday through a complaint filed by Mrs. Clara Toy Clark. Mrs. Clark asserts that a message which she sent concerning the death of Frank and Earl Nunn in an automobile accident, and

the injury to two others, was never delivered to its destination at Baker, Or. She asks \$100 damages. The wires were under federal control at the time.

Unless the emergency decking ordered by the commissioners is done, the bridge may be closed to traffic before the end of the year, it was said. Such repairs should be made immediately, without waiting for the results of the exhaustive investigation of state highway engineers suggested by C. B. McCullough, state highway engineer, in a report submitted. He agrees with Mr. Eatchel that the planing on the Morrison bridge is in dangerous condition.
