

PONTIFF'S SANCTION TO DIVORCE SOUGHT

Religious as Well as Civil Freedom Greatly Desired.

WIVES ARE AMERICAN BORN

Princess Radziwill, the Duchess of Mecklenburg-Schwerin and Mrs. W. F. McCombs the Parties.

ROME, Nov. 11.—Pope Benedict sovereign pontiff of the Roman Catholic church, has been asked to rule that the marriages of three American-born women are now invalid, thus restoring them their status as unmarried women and permitting them, with the sanction of the church, to marry again should they at any time desire to do so.

Princess Radziwill was formerly Miss Dorothy Deacon, youngest of three beautiful daughters of Edward Parker Deacon of Boston, who married Prince Albert Antoine Radziwill July 8, 1910. The relatives of this prince opposed the marriage at the time, but it is she who is now seeking to have it declared invalid.

Mrs. McCombs, formerly Miss Dorothy Williams of Washington, D. C. She is a sister of Joseph W. Lister. She was married on November 7, 1913, in London. The divorce decree was granted in March 1917. Society circles at the national capital were shocked when it became known in April, 1918, that Mrs. McCombs had become estranged and were living apart.

The estrangement came within less than 18 months after the wedding, which was celebrated at the Roman Catholic church of St. Peter and St. Paul, in Palace street, Westminster, London. The wedding caused as much surprise as the estrangement, only a day's notice being given to friends.

Announcement of engagement was made in Washington at a luncheon given by Mrs. John Sidney Webb, closest friend of the Williams family. The marriage followed the usual courtship by Mr. McCombs. The couple first met in Washington a few days after President Wilson's inauguration. McCombs was then in high favor at the White House. He had declined to allow his name to be withdrawn from the nomination of Champ Clark.

Everywhere McCombs was looked on as the most eligible of bachelors. The ambassadorship to France was said to be open to him after he had declined the cabinet post. Mother-in-Law Greatly Pleas'd. After the wedding Mrs. Williams, mother of the bride, said: "Colonel Williams and myself think Mr. McCombs is one of the most splendid and lovable men we ever have known. We are quite content to trust our daughter to his hands."

Mr. McCombs himself said on the date of the wedding: "It did not take me long to fall in love with my wife, and my glad we were married quietly here. After a short honeymoon we shall return to the United States."

Shortly after the wedding the ambassadorship to France, which was supposed to be open to Mr. McCombs, was given to William G. Sharp of Ohio. Then came news of open opposition to his nomination, and his former campaign manager, which was confirmed by Mr. McCombs himself.

In 1914 Mr. McCombs was the democratic candidate for United States senator from New York, to succeed Senator Root. He was defeated by James W. Wadsworth.

RED DISBURSEMENTS IN NEW YORK PROBED

Checks Totalling Thousands Shown in Court.

MALONE MUCH INCENSED

Right of Martens, Soviet "Ambassador," to Employ Counsel is Held Unquestionable.

NEW YORK, Nov. 26.—Checks totaling several thousand dollars disbursed by Dr. Michael Malone, treasurer of the Russian federation, since Ludwig K. Martens established his Russian soviet "embassy" here, the working people and whose hands are red with the blood of Irish patriots. A king and royal family are of no use to this or any other country. I had hoped that the recent railway strike was the commencement of a revolution in England, and the king, fearing the same thing, commanded Premier Lloyd George to quash it with a firm hand."

Increased assessments in line with estimates submitted by the management were adopted and a proposal considered for an improved cable service from London. Frederick Roy Martin, assistant general manager of the Associated Press, discussed with the directors of the Canadian organization the question of close co-operation between the two news services, both standing for the same ideals, of mutual and non-profit-making co-operation.

Responsibility for radicalism in New York rests with the United States department of labor, according to Representative Isaac Siegel of New York, originator of the inquiry, because it permitted 500 persons, he asserted, to be turned loose in this city on nominal bonds or their own recognizance. "The law is all right as it is," he added, "but lack of its enforcement has been the trouble."

More letters will be introduced Friday and it is proposed to call Frederick C. Howe, former commissioner of immigration at Ellis Island, before the inquiry ends.

JOINT TERMINALS REMAIN ROADS TO USE IDEAS GOVERNMENT CONTROL PROVIDED. A. J. Davidson Says Managers Are Now Engaged on Problems Coming Up When Lines Change.

In the opinion of A. J. Davidson, federal manager of the Spokane, Portland & Seattle railway, the railroads of the country will continue under private management some of the things that have been found useful and economical in operation under federal control.

Mr. Davidson returned yesterday from attending a conference at Chicago of the American Railway association at which some of the problems to be solved in connection with the return of the roads to the owners were considered. The unification of terminal facilities is deemed one of the things that will be continued, it will in all probability be continued.

J. P. O'Brien, federal manager of the Oregon and Southern Pacific-Pacific-Oregon lines, also attended the Chicago meeting. He will not return home for several days.

In preparation for relinquishment of the roads from federal control the operating officials are making a study of the intricate problems of adjustments that will be occasioned by the change.

LANE TEACHERS ASK \$100

INSTITUTE SERVES NOTICE NO LESS WILL BE ACCEPTED. Monthly Stipend of Salem Pedagogues Increased to \$150 by School Board's Action.

EUGENE, Or., Nov. 26.—(Special).—Lane county teachers will make no contracts to teach next year for less than \$100 a month, according to resolutions adopted at the closing session of the annual teachers' institute this afternoon.

The legislative committee adopted resolutions favoring legislation fixing a minimum in salary for teachers and endorsing the proposed initiative measure prohibiting the sale and manufacture of cigarettes. Delegates elected to the state teachers' assembly followed: Maude Drury, Walker, Marie Gallagher, Colburn; William Haley, Therman; Superintendent C. Howard; Eugene. Representatives are: Mrs. May E. Cox, Marcia; Mrs. Maybelle Jones, Springfield; Mrs. Orpha Benson, Cottage Grove; E. M. Roth, Springfield. O. H. Jones of Eugene was chosen as delegate from the grade teachers' association of this city.

SALEM, Or., Nov. 26.—(Special).—Members of the Salem school board last night went to recess favoring an increase of salaries for teachers to \$150 a month, as proposed on the ballot to be submitted to the electors here December 8. The additional amount is considered necessary for several reasons, most prominent of which is the fact that larger salaries are being paid in other states. Three new teachers were elected by the board, including Mrs. E. M. English, Esther Wheeler and Lucile Huggins. Measures to consider means of obtaining advances of state aid for school students until the state funds voted for this purpose become available about February 1, 1920, also were considered by the board.

OREGON CITY, Nov. 26.—(Special).—What is believed to have been the first instance of its kind in Oregon occurred here today in the filing of an affidavit of prejudice and an application for writ of habeas corpus in Circuit Judge J. U. Campbell, to hear the divorce suit of Marjorie Hawley vs. Willard P. Hawley Jr.

In an affidavit filed by Mr. Hawley it is set out that he believes Judge Campbell to be prejudiced in favor of the plaintiff. Under the law the court has no discretion but to grant the application. The proceeding was filed under chapter 108 of the laws of the 1919 session of the legislature, and it is believed the application was based upon the action of Judge Campbell in allowing an attorney fee of \$7500 for the plaintiff, \$1000 of which must be paid by Hawley within ten days from the date of the filing of the complaint, and the balance before the final termination of the case.

DESCHUTES BUDGET SET County Expenses Require Taxation to Raise \$144,000. BEND, Or., Nov. 26.—(Special).—Deschutes county taxes during the coming year must take care of expenses amounting to \$124,314, according to the budget for 1920, just completed by the county court. The estimated expenditures for the year will total \$144,570.

In addition to the balance which constitutes the budget proper, and which is just \$18,800 less than the maximum allowed by the 4 per cent statutory limitation, there remains \$6875 to be raised to pay interest on the 6 per cent \$125,000 county road bond issue, voted last spring, and the 1-mill market road tax.

New items appearing in the budget are appropriations for a county farm, recommended by the grand jury this month, and for a city and county library. These amounts are \$5000 and \$3000, respectively.

ALLEGED REDS GET HELP Seattle Attorneys to Participate in Vancouver Trials. VANCOUVER, Wash., Nov. 26.—(Special).—Prisoners in the county jail charged with promoting members of the I. W. W. and promoting criminal syndicalism have secured counsel from Seattle, George F. Vanderveer and Ralph S. Purce.

Two foreigners in the shack were arrested and taken to Montevideo, where state and federal charges will be filed against them. The raid followed three weeks of careful investigation. Following the raid in some unexplained manner the shack caught fire and was burned to the ground.
