

2 BIG GAMES MAY BE DECIDED TODAY

Pasadena Committee Likely to Choose Coast Team.

O. A. C. BOARD TO MEET

Announcement as to Notre Dame Game Here Christmas Day Also Imminent.

Decisions in two big football questions are imminent. The football championship committee of the tournament of roses in Pasadena will hold a meeting tonight and probably make a selection of the team to represent the west in the big inter-sectional game in Pasadena next Tuesday day.

Each day finds more of the critics and followers boosting for the University of Oregon to get the trip to Pasadena to meet the pick of the eastern eleven.

The situation confronting the football committee regarding the selection of an eastern team is just the opposite to that on the Pacific coast.

Outside of merely claiming the Pacific coast title after the California-Washington game the University of Washington officials are just sitting back and waiting for developments.

According to their own statements, they have not made any efforts to land the big game in Pasadena and are leaving it to the football committee in the south to choose the team without urging. They would be perfectly willing to play the contest, however, it is admitted.

The University of Washington was invited to play in Pasadena several years ago, but declined at the time.

That Notre Dame must have some team this year can be gathered from the fact that it trimmed the Army 12 to 9 while the best Syracuse, rated as one of the strongest teams in the east, could do no better than to lose 7 to 3.

Notre Dame also defeated Indiana, the latter trimming Syracuse several weeks ago, furnishing one of the surprises of the season.

Hugo Bezdek set up another wonderful record with his Penn State squad this year and closed a most successful season against Pittsburgh Thanksgiving day, defeating Glen Warner's warriors by three touchdowns.

The record set up by the Oregon mentor's team this season follows:

- Penn. State..... 33 (Cincinnati)..... 0
Penn. State..... 9 (Bucknell)..... 0
Penn. State..... 13 (Dartmouth)..... 19
Penn. State..... 20 (Lehigh)..... 0
Penn. State..... 10 (Pennsylvania)..... 0
Penn. State..... 20 (Cornell)..... 0
Penn. State..... 14 (Columbia)..... 0

Total..... 171 Total..... 22
The only blot on the otherwise perfect state is the 19 to 13 defeat suffered at the hands of the Army.

Penn State is one of the teams that may play at Pasadena. A clash between Penn State and Oregon would indeed be a notable one.

Reorganization of all branches of athletics with a new athletic head and a new football coach, is the cry at Madison, Wis. The Michigan athletic want Yost deposed and a younger man put in his place.

King, the big navy left tackle and punter whose boots from placement defeated the Bears in the game with New York, played through the game with a severe swelling on his leg and it was thought for several days that he would not be available for the contest.

Jimmy West, captain of the Colgate eleven, rejected an offer of \$1000 to play yesterday with the Cleveland Tigers, a pro football team.

West did not care to lose his amateur standing. He will play basketball for Colgate and also football again next season.

The theme for a new magazine story is contained in the recent game between Harvard and Princeton. The fans will recall the great work of Eddie Casey, but the fans who were responsible for the Crimson tying the score in the final few minutes of play were the new Cornellians.

When Casey decided to go to university he chose to enter Princeton. However, a rule at Princeton which compels freshmen to wear green caps did not strike the fancy of Eddie and he quit Princeton and entered Harvard.

EUGENE WANTS JEFF GAME

College Town High Squad Claims Right to Valley Title.

EUGENE, Or., Nov. 30.—(Special.)—Fred Chess, manager of the Eugene high school football team, this afternoon telegraphed a challenge to the management of the Jefferson high of Portland for a game, either in that city or Eugene, to decide the championship.

Despite the defeat of the locals at Salem a week ago today Manager Chess decided to challenge the Eugene team as the strongest team in the valley, declaring that the Salem defeat was due to a challenge that some of the best men were out on account of injuries.

With but one defeat in three years and with an enviable record this season the Eugene boys believe they have the right to meet Jefferson.

The Eugene team has scored 242 points against opponents this year and only 21 have been scored against it.

Syracuse to Play Tigers.

SYRACUSE, Nov. 30.—For the first time in several years Syracuse is to play the Princeton university baseball nine next spring. The game will be played when a new Carnegie stadium will invade New Jersey on a spring training trip, with games to be played

against Princeton and Rutgers. The date of the Princeton contest probably will be April 28.

JIMMY SMITH BOWLS 1860

Milwaukee Entrant Takes First in Mid-West All-Events.

OMAHA, Neb., Nov. 30.—Jimmy Smith of Milwaukee rolled into first place in the all-events of the mid-west bowling tournament today with a score of 860. Smith made 607 in his team event, 638 in the doubles and 615 in the singles. He also shot the 10 single game of the tournament with 279. The refusal to fall of a wobbly ten-pin in the eighth frame of his last game in the team event alone prevented a perfect 300 score.

Phil Wolf of Chicago went into second place in the all-events with a score of 850. The Oregon Aggie-Notre Dame game Christmas day is expected to wind its way over the wires from Corvallis.

The meeting of the football committee in Pasadena may put off a definite selection, owing to the unsettled condition of the ratings of the teams on the Pacific coast, but definite word as to the Oregon Aggie-Notre Dame game Christmas day is expected to wind its way over the wires from Corvallis.

LA GRANDE CLAIMS TITLE

REFUSAL OF JEFFS TO PLAY UNDER STATE RULES CITED.

Comparative Defeat of Baker Is Also Taken as Basis for Claim to State Championship.

LA GRANDE, Or., Nov. 30.—(Special.)—La Grande high school is claiming the state championship for high school football this season.

The school authorities and Coach Reynolds use two specific arguments to back their claims.

They contend that the real game by which the championship must be won is the one between La Grande and Baker at Thanksgiving day.

Jefferson high and La Grande both played Baker at Baker and hence there is no better foundation for a comparison. Assuming that Jefferson and La Grande are the logical contenders, the latter team having been beaten and having played many hard games, the backers of the local eleven declare they have just claims to the state championship because La Grande beat Baker 24 points and Jefferson only 17.

The second claim in addition to the one noted is that La Grande has challenged Jefferson and Jefferson is said to have refused to play under the regulations of the state, insisting that the game be played under association rules.

Under the state rules, the age of players who are reserves must be not over 19 at the time they went to the colors. Under that arrangement La Grande has three and Baker an equal number of players perfectly eligible to play under state association rules. No one disputes that point.

Inasmuch as Jefferson played against men of caliber local boosters claim they might do it again against La Grande.

Hence, it is warmly contended here, La Grande has a right to the championship until Jefferson feels like disputing it by accepting the challenge.

Since Charles (Shrimp) Reynolds has coached the local eleven some splendid achievements have resulted. In the last four years the team has suffered four defeats. In 24 games played during that time, La Grande scored 766 points against 119 by their opponents, an average of 32 points per year.

In the last two seasons (1917-1918) the team scored 556 points against their opponents 20, an average of 27.8 points per game.

This year the team scored 320 points in five games, and its own record was not crossed since the present champions, Coach Reynolds had four experienced men and drove the balance into fine form before the year was out.

CONFERENCE TO BE SATURDAY

Admission of Southern California to Be Discussed.

UNIVERSITY OF WASHINGTON, Seattle, Nov. 30.—(Special.)—When the Pacific coast conference convenes in Seattle December 6 it will be the first meeting of that body held in University of Washington territory in five years.

The recurrence of the question concerning the advisability of allowing the admission of Southern California to enter the conference will be the chief phase of debate. Last year the Pacific coast conference convened in Seattle for the first time since the athletic schedules in football, basketball, baseball, tennis and wrestling for the coming year will be decided at the meeting.

Crews' dates are arbitrary and will not be discussed by the executives. Dean Arthur R. represent the University of Washington at the convocation. He has served in that capacity during years past.

MEETING CALLED BY JOHNSON ENJOINED

American League Directors' Authority Held at Stake.

HEARING TO BE TODAY

Officials Summoned by Court to Show Cause Why Order Should Not Be Made Permanent.

THORPE RIVAL APPEARS

NORWEGIAN'S ATHLETIC ACCOMPLISHMENTS HERALDED.

Helge Loveland Reported to Have Exceeded Records Set by American at Stockholm Meet.

WEDDING FOLLOWS GAME

WEBSTER, O. A. C. STAR, MARRIES MISS VIVIAN FERRERA.

Young Portland Woman Becomes Bride at Ceremony After Oregon University Clash.

Millard Webster, Oregon Agricultural college's famous football player, was married Saturday, November 15, after the game between the University of Oregon and Oregon Agricultural college, married Miss Vivian Ferrera of Portland.

Mrs. Webster is prominent among the young social set of the city. She graduated from St. Mary's academy and later attended a business college. At present she is a teacher at the Academy of the Sisters of the Holy Names. It is her intention to remain at the school until the end of the term. A. B. Ferrera, the bride's father, is Italian consul.

Mr. Webster has been prominent in college athletics for years and is a member of Multnomah club, as is also Mrs. Webster. He won the coast high jump record at the Ice palace two years ago. He is a member of the Phi Delta Theta. He is at present traveling on the road for Swift & Co., with headquarters at Eugene.

Hannah on the Market.

Truck Hannah, who came up to the New York Yankees with considerable flourish, is on the market. Manager Miller Huggins has concluded he will not do. Another case of a little man being outed by a big man as catcher on sports for popularity. The Thanksgiving day game between California

and Washington had an attendance of approximately 15,000. This is 6000 more than at any other athletic event in the northwest.

An itemized account of receipts follows: U. S. S. New York vs. Washington, \$100.00; Whitman vs. Washington, \$200.00; Oregon vs. Washington, \$700.00; W. S. C. vs. Washington, \$1500.00; Pacific fleet vs. Washington, \$250.00; California vs. Washington, \$16,500.00; total receipts, \$23,750.00. The expenses for the year, including care of the field, equipment, traveling expenses, etc., were \$13,750. This leaves a net profit of \$10,000.00.

Boston 10, Georgetown 7.

BOSTON, Nov. 30.—Boston college defeated Georgetown university Saturday 10 to 7, in a game said to carry with it the Catholic college football championship of the country.

"PRO" FOOTBALL GAINS

GAME BELONGING DISTINCTLY TO COLLEGES THREATENED.

Managers of Professional Teams in Position to Offer High Pay to Promising Players.

With professional football taking a firm hold on the public and indications pointing to the formation of a league similar to baseball, college authorities will have to take drastic action in the near future to save why the college football belongs to the educational institutions.

If professional football has as much success next fall as it enjoyed tonight, the past season, the colleges will be mere feeding grounds for the professional league. Some of the players may be induced to leave college before the courses are ended to play professional football and earn all the money possible. In this manner they work out their tuition, but there is seldom any loose change left over.

Those in charge of the professional teams are in a position to offer inducements which are tempting to the average football team. A majority of the athletes come from poor families. In a number of cases they work their way through school and earn all the money possible. In this manner they work out their tuition, but there is seldom any loose change left over.

When a student develops into a football star, managers of the professional teams do not hesitate to offer him as high as \$500 to play over college. He is tempting. The player is told he can be played under an assumed name and no one will ever discover his identity.

In the east it is a common occurrence for men to be lured to play collegiate games on Saturday and then hop a rattler to play with one of the professional teams in Ohio on Sunday.

Football is a game which belongs strictly to colleges. This is the first year, with a few exceptions, it has been played with any degree of success outside of the educational institution. If the pro gridiron sport continues to flourish the college game will suffer accordingly.

EVERETT AFTER U. S. HIGH SCHOOL TITLE

Clash With Toledo, Ohio, Eleven Is Slated.

TEAM IS FAST AND GOOD

Defeat of Lincoln High, 125 to 7, Accomplished on Cindery and Frozen Gridiron.

Lawrence Smyth, manager of the Lincoln high school football squad, which went down to a 125-to-7 defeat at the hands of Everett high in Everett, Wash., Thanksgiving day, brings the word that Coach Bagshaw's wonderful Everett interscholastic machine will meet the Scott high school team this month in an effort to win the high school championship of the United States.

The Scott high school squad is the eleven that is out to settle the inter-collegiate championship of the United States. In 1916 and 1918 the Toledo gridder fought their way to the championship of the territory east of the Mississippi river and this year want to make it a real country-wide affair.

Dozey already have a game scheduled in Los Angeles Christmas day with either Long Beach or Fullerton high school. It is probable that they will play Everett on the way out, as it would be too late in the season after Christmas to play the contest in Everett. Coach Bagshaw expects to announce the date of the contest within the next week or as soon as he hears from Toledo.

Smyth also imparts incidentally that Everett has some team and plays like demons. Only three of the Lincoln players—Ted Steffen, Jake Enkells and Manhiemer played through the whole game. All the rest had to be taken out because of injuries and Manager Smyth had to buy a sack of Wheatena to enable the boys to get around.

The game was played on a cinder-packed field with ice imbedded in the next week or as soon as he hears from Toledo.
