

LEGION ORGANIZES FIGHT ON RADICALS

Law and Order Committee to Probe Disloyalty Reports.

JOB SHORTAGE IS VIEWED

Aid Pledged to Keep Unemployed Members From Going Hungry While Looking for Work.

Adoption of a programme for the suppression of all radicals who are seeking to undermine the American government was effected by Portland post of the American Legion last night when it adopted a set of resolutions providing for the appointment of a law and order committee, a citizenship committee and a patriotic campaign committee.

In their various capacities these three committees will investigate all plots and plots of other matter of state or national interest and report their findings to the proper prosecuting authorities for action.

The law and order committee will investigate all plots of activities of radicals, L. W. W. and kindred malcontents. The citizenship committee will conduct rigid inquiries into the records of all persons who have at any time been members of citizenship papers in this city, and will likewise investigate those who are now citizens but whose conduct indicates their disloyalty and will be reported.

The patriotic campaign committee will conduct a systematic campaign of patriotism throughout the city for the teaching of "unloyal, unselfish

and base Radicals."

A special committee named last week to investigate radical activities reported last night that the Portland Labor News, a radical weekly newspaper, had announced its permanent removal from the city. It was also reported that the library officials had given assurance that future meetings of the labor community party cannot be held in the library building. When asked if Major E. D. Allen, a radical naturalized German, the committee reported that federal authorities in Portland had recommended the cancellation of his citizenship papers and speedy action was expected from naturalization officials at Washington.

President Peck called attention to the labor situation as it exists in Portland today, as far as ex-service men are concerned. He told the members that a delegation of ex-soldiers had gone to his office yesterday afternoon to demand for pay their fellow soldiers saying they were without work and without funds, and did not know where their next meal was to come from. He believed that the sentiment of Portland people when they make assurance that no ex-service man is going to go hungry in Portland this winter so long as we are able to work," asserted the president, as the Legion men thundered their approval.

RESOLUTION TO GIVE SUPPORT.

It was recommended that the employment committee ask the city of Portland to give preference to service men in the construction of Dunaway park, which is to be started shortly. It was also suggested that the city do whatever paving might be possible during the winter months, in order to provide employment for others.

The post adopted a resolution condemning the proposed initiative measure which seeks to amend the state constitution limiting the legal rate of interest to four per cent. It was branded as vicious measure, and the resolution was adopted with unanimous support.

Plans for the American Legion dance to be held at the Multnomah club on Friday night of this week were announced by the special dance committee, while the entertainment committee reported that a boxing tournament will be held next month. After the local boxing tournament a city-wide tournament will be arranged from among the best boxing talent from all posts in the state.
