

LABOR ORGAN FOLK PUT UNDER ARREST

3 Men and Woman Face Espionage Violation Charge.

ALL ADMITTED TO BAIL

Indictment is Returned Against Seattle Publication, as Well as Staff of Paper.

SEATTLE, Wash., Dec. 3.—(Special.)—E. B. Ault, George P. Listman, who yesterday was defeated at the polls for a place on the Seattle school board; F. A. Rust and Anna Louise Strong, all of the Union Record, were arrested this morning on federal bench warrants by E. R. Tobey, deputy United States marshal, charging violation of the amended espionage act based on indictments returned by the federal grand jury.

Ault, editor-manager of the paper; Listman, president of its board of directors, and Rust, secretary of the board, are charged with violation of the amended espionage act. They are charged to violate an act.

Anna Louise Strong's bail was fixed at \$2000 on each charge. She furnished the \$4000 at noon today. The three men arrested were released on \$2000 bail each. These defendants have been at liberty on \$5000 bail each, which they furnished to the United States Commissioner R. W. McClelland November 14 in connection with the complaints filed against them at that time by the United States district attorney, which charged violation of the espionage act. They now will receive a bail refund of \$2000 each.

According to the bench warrants served, the indictments against Ault, Listman and Anna Louise Strong charged "violation of section 27, P. C., to violate sections 2 and 3 of act of June 15, 1917, as amended by act of May 15, 1918."

The second charge against Anna Louise Strong was "violation of act of June 1917, as amended by act of May 15, 1918."

Section 27 is a statute prohibiting conspiracy against the government. The sections 2 and 3 referred to are in the amended espionage act.

Anna Louise Strong is indicted on ten counts, chief of which, the tenth charges her with supporting and favoring the cause of a country with which the United States was at war, the German imperial government, and the successors of the German imperial government, in an article printed in the Union Record, June 30, 1918.

The first count charges that on February 4 she did publish an article in the Union Record, scurrilous and abusive language about the form of government and constitution of the United States.

The second count states that on February 4 she published an article "with intent to bring the form of government and constitution of the United States into contempt, scorn, contumely and disrespect."

The third count states that on February 4 she published an article "with intent to incite, provoke and encourage resistance to the United States."

The fifth count charges her with publishing an article attempting to obstruct recruiting and enlistment.

Counts 6, 7 and 8 are citations of various articles published under Miss Strong's name, while the ninth count charges her with "advocating teaching, defending and suggesting doing of certain things when the United States was at war against Germany, and denounced in section 2, title 1 of the act of congress approved June 15, 1917, known as the amended espionage act."

The charges against Rust, Listman, Ault, Miss Strong and the Seattle Union Record, seven in all, charge them with "knowingly, willfully and feloniously conspiring, combining, confederating and agreeing together to commit an act designated as an 'overt act,' being a list of articles appearing in the Seattle Union Record on November 18, 1918, up to the present time."

WIFE PAID, WAGES TAKEN

Woman Gets Divorce Along With Several Others.

William Hazlett, manager of a local laundry, publicly paid his wife the wages due her for working in the laundry, and then he would take them away from her privately, said Mrs. Gertrude Hazlett in her testimony before Presiding Judge Gatens yesterday. She also threw a bowl of vlam soup at her on one occasion, she asserted. She received a default decree.

Other default divorces granted yesterday were: Elizabeth M. Wood from W. Maddox, Martha from Gustav Hartwig, Ethel from H. Woodworth, William R. from Hilda Curtis, Frank from Kittle Maxfield, Isabel from George L. Alexander, Julia R. from Herbert M. Pederson, William from

Simple Way to End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be soft, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Adv.

CENTRALIA I. W. W. PUT IN MONTESANO JAIL

Trial for Murderer of ex-Service Men to Open Jan. 5.

CITY'S CONCERTS POPULAR

San Diego Asks Mayor Baker Concerning Organ Recitals.

FUNERAL OF VETERAN OREGON MINISTER WILL BE HELD SATURDAY.

ABERDEEN, Wash., Dec. 3.—(Special.)—Four of the 11 Centralia I. W. W. to be tried here for the murder of Centralia service men on Armistice day arrived at Montesano this afternoon in an automobile and under guard of Sheriff John F. Bery in Lewis county and three deputies. The prisoners were Bert Bland, John Lamb, James McInerney and Eugene Burnett. The remaining seven will be brought to the county jail tomorrow.

Monday, January 5, is the tentative date set for the opening of the murder trial in Montesano. Impaneling of the jury for this court term probably will occur December 13, at which time some 100 names will be drawn in the first venire.

CENTRALIA, Wash., Dec. 3.—(Special.)—Announcement that the 11 I. W. W.'s accused of murder had been granted a change of venue yesterday caused little surprise in the ranks of the Grant Lodge post.

Speedy Action Demanded. "It's all right with us," said C. D. Cunningham, special Lewis county prosecutor, appointed to assist in the trials. "We'd just as soon have it there as anywhere."

Resolutions deploring the death of the war veterans and demanding speedy justice for their murderers were adopted Monday night by the local union of timber workers.

A statement signed by Mayor T. C. Rogers, W. W. Dickerson and John Saunders, city commissioners, was made public today concerning the Armistice day massacre in Centralia. The statement of the officials is to the effect that the veterans in the Armistice day parade were unarmed, that the attack was without provocation or justification; that the plot to kill was laid two or three weeks before the tragedy; that the I. W. W. headquarters was a veritable arsenal; that the parade was held in the rear of the city; that the veterans' rifle platoonists had been deliberately stationed in the I. W. W. headquarters, at the upper-story windows across the street from the parade; and that more than 150 shots were fired into the crowd in reckless disregard of human life.

Plot Held Unparalleled. "Thus is laid bare," said the statement, "a reasonable plot conceived in a moment of anger, for which there is without parallel in the history of the United States."

The American legion fund being raised in Centralia for the prosecution of I. W. W.'s accused of murdering the four war veterans, for the relief of those left dependent as a result of the murders, and for the spread of the doctrine of Americanism, has passed the \$5000 mark. Today's subscription to the fund totaled \$729.50 and brought the grand total to \$5,171.50. Today's included one for \$377.50 from the Lincoln Creek Lumber company and 118 of its employees donating their services and the Fraternity Order of Eagles. City employees today subscribed \$71.50 to the fund, while a donation of \$50 was reported from the H. H. Martin Lumber company.

The woman told the court that when she completed her work at the Chinese he seized a razor from a bureau and attempted to use it upon them.

The Chinese, who is said to have a police court record, had taken some money, a check and watch before being discovered by Mrs. Abbott. It was said. Following the seizure the check for \$24 and a \$10 bill are said to have been found in his shoe.

Next Sunday William Robinson Boone will preside at the auditorium pipe organ, offering a variety of popular selections. One number on the programme will be the request number, selected by the patrons of the concert. Marguerite Hughes, talented violinist, will assist Mr. Boone. This will be the first concert at which an instrumentalist will appear on the programme.

Woman Charges Robbery and Attempt to Wield Razor.

Low Sing, Chinese, who was caught by Mrs. Ray V. Abbott in the act of rifling her apartment at 568 Everett street Tuesday afternoon and was captured and turned over to the police by her with the assistance of Mrs. T. S. Dietrich, a next-door neighbor, was held to answer to the grand jury yesterday by Municipal Judge Rossman on a robbery charge. Bail was placed at \$2500.

EXPLORERS DIE IN WRECK

Two Americans Killed in South African Railway Accident.

CLEVELAND, O., Dec. 3.—Two Americans, members of an exploring expedition, headed jointly by the Smithsonian Institution and a motion picture company, were killed in a railroad wreck in the Enggo forest, Belgian Congo, South Africa, and three others were seriously injured, according to a cablegram received today by the Newspaper Enterprise association from its correspondent with the expedition at Elizabethville, Belgian Congo.

Dr. Joseph R. Armstrong of Los Angeles, expedition director and business manager of the expedition. William Stowell of Los Angeles, motion picture director of the expedition.

ELECTION MAY BE PUT OFF

Postponement of Aberdeen Bond Issue Vote Thought Necessary.

ABERDEEN, Wash., Dec. 3.—(Special.)—The election to decide upon the proposed issue of \$1,000,000 in bonds for the purchase of a dredge for the inner harbor and for the erection of docks probably will be postponed because of the state law requiring a new registration of voters on and after January 1, 1920.

All registrations in the state expire with the year, so with the date of the port election set early in January, it is claimed that there would be no qualified voters, or practically none on the date of the election.

MAYOR IS RE-ELECTED

Stevenson Returns W. G. Hufford Winner in Contest.

STEVENSON, Wash., Dec. 3.—(Special.)—The annual town election held here today was very hotly contested, the principal fight being for mayor between W. G. Hufford, present incumbent, head of the peony ticket, and Dr. T. C. Avery of the citizens ticket.

Hufford was re-elected by a majority of 16 votes.

The following councilmen were elected: A. McKeehan, H. E. Sawyer, Hector Aalvik and G. Robinson. Mrs. Nellie Wachter was re-elected town treasurer.

CHINESE AGE PLEA VAIN

COURT IGNORES DEFENSE OF AGED OFFENDERS.

Oriental Arrested in Room Where Gambling Was Going On Are Fined by Judge.

When 12 Chinese arrested on charges of being behind barred doors where gambling was going on, which appeared in municipal court yesterday afternoon Harry Sing, youthful Chinese student, who appeared to defend them, urged the judge to blame the old men taken in the raid, as he said they were merely in the place keeping warm.

"Well," said the judge, "how many old men are there?"

A count was made and it was discovered that they were all old, none being under 60 years. Consequently the court dismissed.

"It's just like the Kaiser," continued Harry Sing, still insisting that the innocent should not suffer with the guilty. "You wouldn't want to blame all the German people for the war when it was the fault of Kaiser Bill."

The policemen took an evidence \$329 which apparently had been used in gambling.

Four Chinese arrested at 84 Second street on charges of gambling behind barred doors were fined \$10 each.

FIND OUT WHAT CAUSES YOUR RHEUMATISM

Then You Will Be Able to Treat It Intelligently.

The medical profession has not yet fully determined all of the causes of rheumatism, though they are pretty well agreed on two points.

"The first is that the disease is more than a mere local trouble, that the pain of origin comes from a source that is far below the surface, and therefore it is not reasonable to expect any rational relief from a treatment that is locally applied and reaches only the surface.

When you realize the logic of this conclusion, you will see that you are really wasting your time and money if you are expecting any permanent relief from the use of liniments, lozenges, and other locally applied treatment, which can only reach the surface, and have no effect whatever upon the origin of your trouble.

Any disease should be treated at its source, and especially one that causes as much suffering as rheumatism. For what you want is not a temporary relief from the torturing pangs of pain, which will promptly return with renewed severity. The only treatment worth while is one that will show some progress toward getting at the source of the disease, and freeing the victim from its shackles.
