

CHANGE TO ONE-WAY TRAFFIC IS OPPOSED

Success if Used on Only Few Streets Is Doubtful.

OFFICIALS GIVE OPINION

Commissioners Barbur, Pier and Bigelow Think Attempt, "If Made, Should Include Whole City."

One-way traffic on a few of Portland streets, as proposed by Captain of Police Lewis in charge of the traffic division, will not be feasible, according to the opinion of City Commissioners Barbur, Pier and Bigelow. Unless the plan can be placed into operation throughout the city, it should not be attempted according to these city officials.

Captain Lewis worked out a plan which he announced could be used eventually in a complete one-way traffic system for the congested district. Under the temporary plan, a few streets would be restricted to one-way traffic and the remaining streets would continue to serve for traffic going in both directions.

"While I have no objection to a thorough study of the plan," said Commissioner Barbur, "I cannot see how the proposal will aid us in our traffic problem. One-way traffic must come, there can be no question on that point, but the streets which are designated in the proposed plan for one-way traffic streets are hardly in the congested district and I fail to see how they will aid in relieving the congested traffic."

Plan Is Held Unfeasible. Commissioner Pier said yesterday that he had given the subject considerable study and that he did not believe that the proposed plan would work. Mr. Pier believes that it must be one-way traffic throughout the congested district or a continuation of the present system. Commissioner Bigelow was also of the opinion that the plan would not work out satisfactorily.

Captain Lewis, on the other hand, is confident that his plan will serve as a stepping stone toward ultimate one-way traffic in the congested district. "It is impossible to place a complete one-way traffic plan into immediate operation," said Captain Lewis. "It will take time, and it is my belief that by beginning under the proposed plan we can ultimately reach our final goal. At any rate, after careful study, I am confident that the plan, with one-way traffic on but a few streets, will handle the increased traffic conditions and relieve the acute congestion for five years to come."

Mayor Baker Favours Plan. Mayor Baker stands behind the proposed plan on the theory that it will be better than the present system. The working out of the scheme is a result of a direct order issued by the mayor, who at that time announced that one-way traffic must come and that the sooner it was placed into operation, the better it would be for the city.

The complete one-way traffic plan, which includes one-way traffic for all streets within the congested district, cannot be installed at present, it is said, because it would mean an expenditure of at least \$200,000 on the part of the Portland Railway, Light & Power company, for the relaying of tracks, installation of loops and other changes.

Officials of the traction company have informed the council that it would be impossible to finance any such project at present.

JACKSON GETS ROAD FUND

SPECIAL ELECTION GIVES SUM OF \$180,000 FOR 1920.

Road Districts on Record in Favor of Highways and County Will Match Contributions.

MEDFORD, Or., Dec. 4.—(Special.)—Jackson county, as a result of the recent special road district elections, will have approximately \$180,000 to spend on good roads in 1920. There will be \$2,500 raised by the general road levy, \$55,000 by the 1-mill market road levy, and \$122,000 from the various road districts.

The result of the recent road-district elections follows: Dead Indian—2 mills.....\$7000 Talent—2 mills.....5000 Eagle Point—3 mills.....5000 Gold Hill—2 mills.....5000 Butte Falls—4 mills.....7500 Gold Hill—2 mills.....5000 Applegate—5 mills.....5000 Rogue River—2 mills.....2500 Roseburg—2 mills.....2500

In Trail creek, Sams valley, Beagle and the district near Medford, the residents voted against a special road tax, while at Prospect no election petition was filed and no election held. The amounts raised in each road district up to \$5000 will be matched by a similar amount from the county and will be spent within that district. These amounts will be taken from the regular county road fund or the market road fund.

With the Pacific highway practically completed from north to south and the pavement over to Siskiyou completed early next year, Jackson county expects to have a network of good roads in 1920, surpassed by no county in the state outside of Multnomah.

RIGHT TO DRIVE IS LOST Edward Nelson Fined \$100 and Can't Run Car for Year.

Edward Nelson, a dealer in country real estate, was sentenced to drive a car for a year and to pay a fine of \$100 by Judge Nelson yesterday on a charge of driving an automobile while intoxicated.

Mr. Nelson signed an agreement not to drive a car for a year, the condition being that if he was caught driving he would go to jail for 90 days.

Mr. Nelson was arrested by Patrolman Kelly at the corner of Bybee and East Twenty-fifth streets. At the time of the arrest he is said to have had two pints of liquor in the machine.

Judge Rossman emphasized the fact that a man like Nelson would not be permitted to drive a locomotive or street car and consequently should not be permitted to drive an automobile.

Others fined for speeding were: F. W. Berg, who was driving 30 miles an hour down Larrabee street, \$20; R. R. Gordon, driving 35 miles an hour on Milwaukie avenue, \$25; F. E. WOMEN'S ACTIVITIES

IS THERE in the city of Portland a woman who will give a little of her time to the day nursery? This institution conducted by the Portland Fruit and Flower mission cares for little children whose mothers are working out by the day and among the little wards are many from one year old to six years who are shut in all day during bad weather and who would have the attention of a kindergartener or some one especially gifted with an ability to interest little people. The women have taken the physical welfare of the children but Mrs. Everett Ames, chairman of the committee, feels that there should be some one to direct the play and teach the tiny boys and girls little kindergarten games and lessons. The person who has a sense of service and a sense of responsibility and an ability to help in this good work will be rewarded by the love and appreciation of the children.

The nursery cares for the older children, too, but these are sent to the Ladd school and so their educational supervision is attended to. Mrs. H. E. Stevens will have a delicatessen booth of her well known goodies.

Among those prominent in the guild are: Mrs. Robert W. Adams, Mrs. Herbert Holman, Mrs. H. E. Blossom, Mrs. L. S. Franck, Mrs. A. O. P. Martin, Mrs. E. E. Sommers, Mrs. E. Malpas, Mrs. R. B. Knight, Mrs. A. Nash, Mrs. William Adams and many others.

The women of the Grace Memorial Episcopal church will hold their annual Christmas sale tomorrow from 10 A. M. to 10 P. M. Tea will be served during the afternoon.

This affair is always looked forward to with appreciation at the "Dinah" dolls and the fine needlework for which this guild is noted.
