neeting of the state fish and game meeting of the state his and commission could be held yesterday at the scheduled time because a majority of the members were snow-bound. The session was postponed until Governor Olcott can come in from Salem and Commissioner Stone was out of Klamath Falls. Commissioner Stone was out of Klamath Falls. gets out of Klamath Falls. Commissioner Marion Jack left Pendleton on a train scheduled to arrive in the city at 7 P. M. Tuesday and did not get into Portland until 10 A. M. yesterday. He said that a number of men were in the same coach who had abandones autos and trucks along the Columbia highway, where they were Columbia highway, where ther were

Zone Ordinance Sufforted,—Unanimous support for the building zone ordinance, now before the cit council, and of the work of the city planming commission was pledged by the board of directors of the Oregon Civic league at its meeting Tuesday night. This action followed the report of a committee of the large This action followed the report of a committee of the league consisting of Arthur M. Churchill, H. E. Plummer, Ralph A. Coan, Mrs. S. T. May and Miss H. H. Falling, appointed to investigate the zoning system, which pointed out that some such well-considered plan of building development is essential to the health safety and prosperity of the city.

SURGEONS TO MEET THIS WEEK. Surgeons to Meet This Week.—
The North Pacific Surgical association, including surgeons of Oregon,
Washington and British Columbia,
will hold its annual meeting Friday
and Saturday of this week at the
Hotel Portland, Dr. E. T. Tucker of
Portland presiding. It is expected
there will be about 40 delegates pres-The two days will be devoted to papers and discussions a profes-sional subjects. On Friday evening there will be a banquet. This is a private association and its sessions are open to members and to others

persons interested in the development of the port of Astoria, the naval base wood hospital by the Arrow Ambu. The governor, according to

of the port of Astoria, the naval base at Tongue Point, the logged-off lands of Chatsop county, the improvement of Clatsop beach resorts and the Roosevelt highway are urged to attend the High school, will tell of her work as a police officer in Paris under directly director of the state chamber of commerce in a call issued yesterday by G. Clifford Barlow of this city, director of the state chamber of commerce for the Astoria district. The annual meeting of the state chamber of commerce for the Astoria district. The annual meeting of the state chamber of commerce will be held in Portland December 15 and 16.

Co-EDS STUDY POLITICS.—Reed college women have started a "preparedness" campagn for the study of present-day political questions. Mrs. Efflort Corbett will speak to the members of the Amanda Reed association at the Oregon State Chamber of Commerce has been postponed from at 2:15 o'clock on the League of Women's Voters. Much interest is being shown by the "co-eds" and some interesting discussion meetings have been held. Miss Bertha K. Young, instructor in English at Reed, has been instrumental in starting the study.

Milwaukir School is Closed.—A small panic was caused at the Milwaukir School Tuesday when one of the steam pipes in the building burst, filling the schoolroom with escaping ream. Someone took the steam for smoke and cries of fire soon cleared the place of pupils. The solon of the law reference to building system is now undergoing repairs and in the meantime school has been dismissed.

held here in January, from passing any legislation other than that outlined in his formal call, according to the opinion expressed by Judge, Stephen A. Lowell of Pendleton.

The action of the law referred to by the Pendleton attorney reads: "He may (meaning the governor) on extraordinary occasions convene the legislative assembly, and shall state to both houses, when assembled, the purpose for which they shall have convened." Judge Lowell says, however, that this section has never been passed on by the courts. when one of the steam pipes in the building burst, filling the schoolroom with escaping steam. Someone took the steam for smoke and cries of fire soon cleared the place of pupils. The steam heating system is now undergoing repairs and in the meantime school has been dismissed.

ROOSEVELT MEMORIAL CAMPAIGN.

Roosevelt Memorial Committee.

The Roosevelt Memorial association has been organized to raise a \$5,000,000 fund to be utilized as follows:

(1) To erect a monument to Theodore Roosevelt in Washington. D. C.:
(2) to acquire and maintain a public park at Oyster Bay, N. Y. ultimately to include Sagamore Hill, the Roosevelt home, to be preserved like the Washington estate at Mount Vernon and the home of Mr. Lincoln at Springfield;
(3) to endow the Roosevelt Memorial association as a national society to perpetuate Theodore Roosevelt Memorial association as a national society to perpetuate of the Ind will receive a certificate of membership bearing a small portrait of Theodore Roosevelt and will become a member of the Roosevelt Memorial association. The names of all contributors will be deposited in the national memorial at Washington, D. C., when erected.
