KNIGHTS TO OPEN SCHOOL

CEIVE EDUCATION.

W. J. McGinley, Supreme Secretary of Order, Visits Portland to

Arrange Details.

Arrange Details.

Portland will have a school for de-W. L. Finley Talks of Wild Life of mobilized men operated by the Knights of Columbus within a short time. Announcement to this effect was made yesterday by W. J. Mc-Ginley, supreme secretary of the or-der, who is registered at the Hotel Portland. Accompanying Mr. Mc-Ginley are D. J. Sullivan of Boston who has charge of the New England Malheur lake bird reserve and at re-mote spots in the rugged mountains

who has charge of the New England district of the educational work, and A. G. Bagley of San Francisco, the western director.

The educational programme of the Knights of Columbus, explained Mr. McGinley, has three zones. The first is giving college education to exservice men; the second is the demobilization school for ex-service men, and the third is a school for Ad clubbers in his address on "The

PROPERTY IN OREGON Councils. When the war ended." said Mr. McGinley, "we found ourselves with money on hand which had been contributed by the American people for the American soldiers and sailors. Therefore, the Knights of Columbus proceeded to spend this money for the men after they left the service. Four hundred scholarships have been provided in 41 institutions throughout the country. There were 2780 applications received for these scholarships, the applicants indicating the college they desired to attend. The rest was a matter between the colleges and the applicants, for the colleges indicated the qualifications necessary and examination. There were \$900 huaiffied for the examination. CRIME IS NOT AN ISSUE of the country and the provided in the examination.

FAIR BOARDS TO MEET Conference Called for Portland on

January 26-27. CHEHALIS, Wash., Dec. 17 .- (Speial.)-Today President Walker called

cial.)—Today President Walker called a meeting of the North Pacific Fair association to be held in Portland January 28 and 27. Representatives of all northwest fairs belong to the organization. Dates for the 1920 fairs will be determined, and other business transacted at the meeting. Attendance of the members of the Canadian Fair association which will meet in Edmonton January 21-22 is expected.

The North Pacific Racing association will meet in Portland during the fair association meeting.

Situation Said to Be Such as to Threaten Destruction of Many Small Publications.

WASHINGTON. Dec. 17 .- Every ewspaper in the country was called on today by the house postoffice committee to reduce its consumption of newsprint by 10 per cent for a period

of control at their meeting here tomorrow, together with the recommendation that the patient be discharged.

Same Must Be Discharged.

The opinion says in part:

The statute requires the superintendent of the Oregon state hospital
for the linsane from time to time to
discharge such patients as in his opinion are properly fit to be discharged.
In other words, it is made your duty
as such superintendent to discharge
that she leased the building and was
consequently not responsible for the
manner in which it was constructed,
for the linsane from time to time to
discharge such patients as in his opindischarge such patients as in his opinsolution are properly fit to be discharged
in other words, it is made your duty
as such superintendent to discharge
patients who are incarcerated in the
Oregon state hospital for the insane
when such persons have become sane.

PANEL COMPANY FORMS

The future."

During the hearings on the Anthony bill Chairman Steenerson questioned representatives of newspapers as to whether a voluntary reduction would solve the problem and the publishers said such a plan would meet with their approval.

1920 Shortage Estimated. Testimony of President Glass of the American Publishers' association and

Roger Sands of Seattle.

The new concern will manufacture panels of hardwood, as well as of the New Pinn Is Proposed. New Plan Is Proposed.

A new plan for restricting use print paper was proposed in a bill introduced by Representative Hoch republican, Kansas, after the committee's decision on the Anthony measure. Under the Hoch bill no publisher would be given the second class mailing privilege without filing a pledge to observe the limitations, and vio-lators would suffer the penalty of paying third-class postage rates.

SAN FRANCISCO, Dec. 17 .- At the local offices of the United States for-estry service it was said today there print paper made on the Pacific coast that a comprehensive survey has never been made, and figures for the whole area are not available.

Cheney Tone Adjuster

The versatility of The Cheney is aided by a clever device for control of tone volume.

It will play a lullaby as soft as a whisper—or fill a large hall with a rollicking dance.

Twelve distinct gradations of tone, logically controlled at the source. Tones always crystal clear, sweet and pure.

"The Longer You Play It, The Sweeter It Grows." Tone Quality-and Technique

A virtuoso could scarcely display his art with an ordinary violin or piano. Perfect technique alone does not make a master.

So with phonograph records. It is easy to play them—but The Cheney, like a Stradivarius violin, gives renditions new beauty. Its rich, majestic tones are unrivalled.

Acoustic principles, never applied before to phonographs, have set The Cheney unquestionably in a class apart.

Regular Models are priced from \$90 to \$365. Console Art Models, \$325 to \$600.

See the Cheney and hear it played at

LEGAL RIGHT TO ASK FOR AP. PEAD IS WAIVED.

Radical in Soviet Russia Proposes to Organize "Russian Friends of American Freedom."

NEW YORK, Dec. 17 .- Harry Weinerger, council for Emma Goldman, who announced that she would waive her legal rights to ask appeal from the deportation order on which she were large areas of red fir, white fir and hemlock timber in California, is to be sent back to Russiia with Oregon and Washington and possibly some in Montana and Idaho, suitable for the manufacture of newsprint paper. There has been so little newsprint paper, wade on the Pacific coast ney-General Palmer formal notice of

Miss Goldman, in a statement made public by her counsel, declared that among things she expected to do in An estimate places the amount of suitable timber available on the slopes of Mount Shasta, Cal., at one and one-half billion board feet. There are many other large national forests of this timber that have not been cruised because there has been no demand for its use. against the "tyrannies of the czar."
