Men, Never a Clothing Sale Like It!

-Yesterday the Men's Clothing Department was busy from store-opening to closing time.

-We believe we hung up a new one-day record insofar as men's clothing sales for Portland are concerned.

-And why should it be otherwise? -Where else are you reading of any real sales, men, these days?

-Why anybody who has any all-wool clothing is not letting go and especially not at a penny less than regular. So the reason for the influx of men yesterday is not difficult to find. -But you men who didn't act yesterday-WHY NOT?

-The fact that you do not need another suit at this particular time should not enter into the matter.

-Consider THIS:
