

OUTFIT OF CEMENT PLANT TO BE RESUMED

NEW MACHINERY ON WAY

After undergoing a thorough reorganization, the Gold Hill Portland cement plant will begin turning out...

Reorganization was effected early last fall with the co-operation of Fletcher L. Lam, new chief officer...

The plant, which is located on the Southern Pacific tracks about a mile and a half from Gold Hill...

For some weeks past 55 men have been on hand at the plant working the quarries and getting the machinery in operation...

A fifth cannery plant was added to them in control of A. Rupert company, incorporated last week...

Prizes for the national blouse week window displays recently were awarded at the United Waist League's headquarters in New York...

In the judging, effective grouping of blouses was more considered than the blouses themselves, and artistic arrangement, decorative scheme and original conception were the prime factors...

Probably the largest number of steam rollers ever contracted in Oregon was closed Friday, when the county commissioners of Marion county ordered four of the machines...

BODY FOUND NEAR WRECK

The rollers ordered by the Marion commissioners to be used for the Black-Pitts steam-propelled type with a weight of ten tons each...

A. J. Cormack, who has been with the First National bank in this city for 15 years, has been named controller for the new building...

As a reward for a record of sales for his concern which has exceeded that of any other sales representative...

national convention which will be held in Portland next June. The Carman Manufacturing company...

Plans for immediate repair of the Portland Street works at Kenton, which was nearly destroyed by fire during the recent cold spell...

Articles of incorporation for the new Inland Empire Boat & Truck company, which is to operate at centers on the Columbia and Willamette rivers...

Articles of incorporation for the new Inland Empire Boat & Truck company, which is to operate at centers on the Columbia and Willamette rivers...

Articles of incorporation for the new Inland Empire Boat & Truck company, which is to operate at centers on the Columbia and Willamette rivers...
