and the immigration authorities.

o accept the president's proposal of ettlement, Lewis said he had no desire to "defeat the United States gov-ernment in a contest."

"I shall never lead any organiza-tion but an American organization," Lewis declared, "and if the day ever comes when this organization is dom-inated by people who are false to American traditions, that day I will cease to be an officer in it." Lewis pointed out that throughout the 40 days' strike, not a single life was lost. He said the organization had emerged unscathed whereas con-tinuation of the strike and revolt against the government would mean "disaster and defeat."
