

BOXERS COME FOR MILWAUKEE BOOTS

Sound Mitt Welders Due for Tomorrow's Card.

LITTLE MONEY WAGERED

Speculators Show Caution About Laying Odds on Go Between McCormick and Roper.

Every batter scheduled to show his wares on tomorrow night's fistic card at the Milwaukee arena will be resting his brogans on Rose City sod by 5 o'clock this afternoon.

The Puget Sound boxers slated to arrive today are Earl Baird, who will tangle with Harry Pelsinger in the semi-windup; Mike Pete, who will mix matters with Tommy Hayes in one of the six-round special events; and Lackey Morrow, who will exchange wallops with Niel Zimmerman in the other special six-round tilt.

Lieutenant Earl Baird, Seattle's lightning aviator, who applies to the featherweight championship of the universe, telegraphed Matchmaker Frank Kendall yesterday that he was in the happy mood to accept the offer to give Harry Pelsinger ten of the fastest rounds of punching that he has ever dealt out.

The fans know what Baird can do. They saw him stand up and swap punches for eight rounds with George Gorman and never flinch for an instant. He sat in his corner every round after taking everything that battling Joe had to offer, just as cool as a cucumber and as the fight progressed grew stronger instead of weaker under the steady rain of blows and incessant mixing.

Harry Pelsinger has been working like a champion in his daily workouts with Niel Zimmerman and other local boxers and looks better than he has ever appeared before in the bout here. Harry is just getting used to the ten-round bouts and the fans can look for a good deal of improvement in his work. Pelsinger fought his first ten-round bout in Portland and liked the long distance much better than the short bouts of four rounds. He says that it gives him a chance to get started and show what he can do.

The main event of tomorrow night's card between Captain Bob Roper of Chicago and Boy McCormick has been causing more speculation than any match that has been held here in many months. The surest indication that it will be a close, hard-fought battle is the fact that there is very little betting on the bout. The "aces" are afraid to take a chance on either man, despite the fact that Roper had a chance to compare both men in training for over a week. Roper has won him in his daily workouts what little money has turned up is Roper money. Both men will take easy today and will be contented with a long walk and a light workout in the gymnasium, such as punching bags or skipping rope for a few rounds.

Two special events featuring Tommy Hayes of San Francisco vs. Mike Pete of Seattle, and Lackey Morrow of Tacoma vs. Niel Zimmerman of Portland, are also being featured. A raiser between George Fiddler and Johnny Boscovitch will round out the evening. The main event of the night will be on between Portland and Milwaukee, the trading taking on an air of excitement as the fans direct to the entrance of the arena.

Joe Gorman will tangle with Jack Davis, while Billy Mascott will meet Charley Moy in Oakland, Thursday night. Davis has been held here in a tough youngster and the Portland fans are looking for him to give Gorman a real battle.

Jimmy Wilde's first appearance in the east will be made in Philadelphia. He will box Patry Wallace in the Olympia Wednesday night, February 25.

Benny Valger is booked for a bout tonight with Harry Kabakoff in St. Louis.

Benny Leonard is to leave New York Friday for a fight with Alvin Karpis in the light weight division in the Cal. where the lightweight champion is to fill a contract as a movie hero. Benny's proposal to buy a case house that will be unexcused on the coast.

WASHINGTON YET HAS NO GAME FOR THANKSGIVING.

Effort to Land Meet With Dartmouth Will Be Made and Chances Are Thought to Be Good.

SEATTLE, Wash., Jan. 26.—Washington's football schedule still has a gap on the Thanksgiving day date and according to present indications the 1920 season will find itself without a turkey-day match. Though this date will probably be vacant Washington is planning for a big match on the following Saturday with Dartmouth college, which institution will be reached by train and will be defeated only once and then by a 1-8 score against Brown.

With the entry of the new possibility, Dartmouth officials are making every effort to obtain the consent of the college authorities for such a trip. According to those who have kept in close touch with conditions at Dartmouth, it is fairly certain that the match will be decided in the very near future.

SAN FRANCISCO, Jan. 26.—(Special).—Jimmy Duffy of Oakland gave Joe Miller of North Beach a boxing lesson in a ten round bout in the Oregon building at the Presidio tonight before a large crowd. Duffy got his left hand into work early and opened a cut over Miller's right eye in the first round. After that he kept jabbing his left into that sore eye until he had Miller floundering badly trying to get back at him. Duffy was altogether too clever for Miller. Miller's only hope was to land a staggering blow or a knockout punch and that he failed to do.
