

REPUBLICANS DEEM PEACE PACT IS DEAD

Reports of Pressure on Lodge
Deemed False.

2 PLANS FOR TREATY LAID

Wilson Springs Surprises by Dis-
placing Health Official and Sec-
retary of Agriculture.

OREGONIAN NEWS BUREAU, Wash-
ington, Jan. 27.—Much misinforma-
tion is going to the country relat-
ing to the status of the peace treaty.
It has been said repeatedly that Sen-
ator Lodge's ultimatum of yesterday
to Senator Hitchcock, democratic
leader, was due to pressure brought
upon him by the republican irrecon-
ciliables.

This is not true. When Senator
Lodge told Senator Hitchcock that
there could be no compromise on the
reservations to article 10 and the
Monroe doctrine he was speaking for
an entirely new group of republican
senators. He was voicing the senti-
ment of several middle-ground sen-
ators who cast their lot at no time
during the treaty fight with either
the irreconcilables or the mild res-
ervationists.

These senators include Watson of
Indiana, Ball of Delaware, Newberry
of Michigan, Phillips of Colorado,
Hale of Maine, Curtis of Kansas and
Frelinghuysen of New Jersey. These
and several other senators never par-
ticipated in many of the conferences
that were held during the treaty de-
bates. They decided their course for
themselves, which was that they
would support the treaty, but would
demand strong reservations. They
voted for every one of the most of
their supported amendments.

Statements are ridiculed.
The unexpected position taken by
Senator Lodge yesterday was due to
notice from these senators that they
would not stand for any modifications
of the reservation of article 19
the Monroe doctrine. It will, there-
fore, be seen that Senator Lodge was
not speaking for the irreconcilables
and, of course, was not voicing the
sentiment of the mild reservationists.
The mild reservation group ridicu-
led today the statements made in
some quarters that the treaty is
finally killed by the Lodge ultimatum.
Senator McNary, leader of the res-
ervationists, said:

"The treaty is not dead. We have
simply reached a temporary impasse
which will eventually give way to
ratification. There are two plans for
taking it up, and there will be some
action on one or the other within a
few days. One plan is by action on
the Underwood resolution to appoint
a committee of ten, five republicans
and five democrats, to solve the
difficulty. The other is to bring the
treaty back onto the floor of the
house. In either case the mild res-
ervation senators and other friends of
the treaty on the republican side will
have to join with the democrats in
bringing it back."

"If it becomes necessary, that is
what we will do and there need be
no surprise if the treaty debates are
resumed in a short time."

Wilson Springs Two Surprises.
There were two surprises in Pres-
ident Wilson's appointments today.
The nomination of Dr. Hugh S. Cum-
mings of Hampton, Va., to succeed
Rupert Blue as surgeon-general of the
public health service was surprise
number one. Dr. Blue has performed
the duties of his office with such dis-
tinction that it was supposed he had
a life job.

The change was explained by demo-
cratic politicians as a desire on the
part of the president to displace a
republican with a democrat. Dr. Blue
was first appointed by President Wil-
son and was only reappointed by Mr. Tift
four years ago because, with a
great war in sight, it was deemed in-
advisable to make a change in such
an important post.

The appointment of E. T. Meredith,
farm journal publisher of Des Moines,
as secretary of agriculture was
equally unexpected. The explanation
of this appointment also was political.
For example, David Lawrence, who
sometimes gives suggestions to what
the White House is thinking, said to-
day:

"Recognition of the west is im-
portant this year, they say, and Ed
Meredith can get democratic votes if any-
body can."

Meredith Not Vote-Getter.
Just where the White House or Mr.
Lawrence gained that idea is a
mystery, but certainly neither of
them had considered the low elec-
toral returns of recent years. Mr. Meredith
is a splendid sort of man with a smile
like a headlight, but as a vote-getter
he has not been a success. He was
not the democratic candidate for
United States senator in Iowa in 1914,
he stated in some dispatches today.
He was a candidate in the democratic
primaries, but was overwhelmingly
defeated for the nomination by
Maurice Connelly, a young one-time
member of congress from Dubuque,
who in turn was beaten by Senator
Cummins in the general election.

In 1915 Mr. Meredith was the demo-
cratic candidate for governor of Iowa,
but was defeated by Governor Har-
lan, republican, by more than 130,000
votes, although President Wilson lost
the state by less than 50,000.

J. H. Hawley's Prospects Bright.
Prospects of the appointment of
former Governor James H. Hawley of
Idaho as secretary of the interior to
succeed Franklin K. Lane appeared
bright today. Attorney-General Pal-
mer, it was learned, urged the pres-
ident a day or two ago to appoint
Mr. Hawley, and Vice-President Mar-
shall sent a Hawley indorsement to
the White House.

Mr. Hawley has an appointment with
Secretary Tumulty for tomorrow
morning, when he hopes to receive
an answer from the White House on
the Hawley appointment.

For the first time in many years
the senate appropriations committee
reported a bill to the senate today
with a reduction in the amount of
the house appropriations. The meas-
ure is the Indian bill, which as it
comes to the senate carries only
\$12,740,000, a reduction of \$12,000
from the house bill. The house, in
passing the bill, reduced the depart-
ment estimates more than \$4,000,000.

SENTENCES ARE MODIFIED

PRESIDENT WILSON ACTS ON
CAMP LEWIS CASES.

Punishment of Colonel Wolven and
Major Proctor Lightened on
False Statement Charge.

TACOMA, Wash., Jan. 27.—Pres-
ident Wilson has lightened the sen-
tences imposed by court-martial at
Camp Lewis upon Colonel Frank H.
Wolven and Major David J. Proctor,
both of the dental corps of the army,
according to word reaching camp to-
day.

Colonel Wolven was sentenced by
court-martial to dismissal from the
army for making false statements to
obtain commutation of quarters. The
president has ordered that Colonel
Wolven shall be reprimanded by
Major-General J. E. Morrison, com-
mander of Camp Lewis, and shall forfeit
\$100 a month from his pay for six
months. His name is also placed at
the bottom of the lineal list of colo-
nels of his corps for one year.

Colonel Wolven was found guilty
by court-martial of declaring his wife
was maintaining an eight-room resi-
dence in Washington, D. C., and col-
lecting money for the upkeep of this
home, while in reality the colonel had
his wife and child near Camp Lewis.
Major Proctor, found guilty by
court-martial on a similar charge,
also was ordered reprimanded by
Major-General Morrison and \$50 a month
for three months was ordered taken
from his pay.

THREE EXECUTORS NAMED

Milan A. Rupert, 19, to Succeed
Father in Business Interests.

Edgar H. Sensesen, vice-president
of the Northwestern National bank,
Mrs. Leila E. Rupert, widow, and
Miss D. C. Minor, secretary-treasurer
of A. Rupert company, were named
executors of the \$150,000 estate of the
late Arthur J. Rupert by Circuit Judge
Tazewell yesterday. Bond was set at
\$25,000.

Under terms of the will admitted
to probate yesterday, Milan A. Rupert,
aged 19, a son, will become the logi-
cal successor to his father in his ex-
tensive business interests. The young
man receives 617 shares of stock in
the Rupert company in trust until he
reaches the age of 25 years and
at that time has an option for pur-
chase of 717 shares bequeathed else-
where should the legatee desire to
sell. Should he secure all the shares
he would not have a controlling in-
terest in A. Rupert company as there
are 2367 shares of stock outstanding.

KIWANIS RAP 1-WAY PLAN

Club Members Declare Change in
Traffic Is Unnecessary.

Portland's one-way traffic plan
limped its way out of the Kiwanis
club noon meeting yesterday at the

onslaught of a number of members.
Discussion of the proposed ordinance
occupied most of the attention of the
meeting.

ASPIRIN FOR COLDS

Name "Bayer" is on Genuine
Aspirin—say Bayer

Insist on "Bayer Tablets of Aspirin" in
a "Bayer package" containing
proper directions for Colds, Pain,
Headache, Neuritis, Lumbago,
Rheumatism. Name "Bayer" means
genuine Aspirin prescribed by phy-
sicians for nineteen years. Handy tin
boxes of 12 tablets cost few cents.
Aspirin is trade mark of Bayer Manu-
facture of Monoaceto-salicylate of
Salleicylic acid.

The old-time application of Butter-
milk and Cream to whiten and pro-
tect the skin and remove harsh lit-
tle wrinkles, is being revived in a
grandmother's recipe and women
throughout the country are again us-
ing it to ensure a beautiful complexion
and snow-white hands and arms.
Butter and cream are easily obtainable,
but a specialist has at last per-
fected a method of concentrating
buttermilk and combining it with
perfect cream, which you can buy in
small quantities to use at any
first-class drug store by simply ask-
ing for "Howard's" Buttermilk Cream.
There is no secret about it nor is
there any doubt about the result—it's
just common ordinary buttermilk
in the form of a wonderful cream, gently
massaged with the finger tips around
the corners of the eyes and mouth.

Portland Garage and Repairmen's as-
sociation, was the principal speaker.
Although he approved one-way traf-
fic, Mr. Lester argued that the plan
submitted would only complicate
matters.

Charles C. Hindman, member of the
committee on traffic legislation of
the Oregon division of the National
Safety council, spoke for the pro-
posed ordinance. Commissioners Pier,
Bigelow and Mann, who were pres-
ent, were asked to express them-
selves on the subject. Both Commis-
sioners Pier and Mann expressed the
belief that strict enforcement of the
present laws would suffice to take
care of the situation.

V. C. Boone of the Seattle Kiwanis
club and E. S. Knowlton and J. T.
Little of the Vancouver, B. C.,
Kiwanis club were present at the
luncheon and received applause when
they announced that their entire
membership would be on hand for
the national convention of Kiwanis
in Portland, June 15-19.
