AERIE'S HOW WE PROVE IT.
Come here four weeks—pay not a cent in advance. If you are then satisfied that our training is the superior of any other Pacific northwest auto school, pay your tuition. This is the most startling offer any auto school ever made—there is no red tape to it—we gladly will put it in writing. We are willing to depend entirely upon your honesty and good fudgment. Only a different, unquestionably superior school could make such an offer. If our training were just the ordinary kind, this offer would be suicidal. The details of this unusual offer and full particulars of the remarkable Adox course are found in a large, impressive book, which has just lately come from the press. Those who have seen it pronounce it the most full hard work of its kind ever published. Tells why actomobile schools are different—why Actom graduates are successful—Lies you how to judge an automobile school what you a friend of the Adox school what you a friend of the Adox school the moment is one to you—you are allowed \$25 per month from state educational fund while attending school.
